Servant King:

The Servant King Larry Richards, 1976-10 **The Crucified King** Jeremy R. Treat, 2014-05-27 The kingdom of God and the atonement are two of the most important themes in all of Scripture Tragically theologians have often either set the two at odds or focused on one to the complete neglect of the other In *The Crucified King* Jeremy Treat demonstrates that Scripture presents a mutually enriching relationship between the kingdom and atonement that draws significantly from the story of Israel and culminates in the crucifixion of Christ the king As Israel's messiah he holds together the kingdom and the cross by bringing God's reign on earth through his atoning death The kingdom is the ultimate goal of the cross and the cross is the means by which the kingdom comes Jesus death is not the failure of his messianic ministry nor simply the prelude to his royal glory but is the apex of his kingdom mission The cross is the throne from which he rules and establishes his kingdom Using a holistic approach that brings together the insights of biblical and systematic theology this book demonstrates not only that the kingdom and the cross are inseparable but how they are integrated in Scripture and theology **King J. Aaron Gruben**, 2018-06-21 Kings stride in the mists of our imaginations and occupy a favored seat in our stories our histories and even our headlines But did you know that you are called by God to be kingly yourself The Bible teaches that Christ is our Great Prophet Priest and King and we as Christ's followers are called to imitate Him in these qualities This small volume which brings together riveting historical narratives and engrossing theological observations is a meditation on what our kingship under Christ means You will be challenged to imitate Christ's kingly characteristics and explore your role as a little king under the great King of kings *It's a Scandal!* Derek Haylock, 2002 Aimed at young people in churches or schools these sketches have been written to involve a good number of performers with varied acting talent Lively and humorous they use a wide variety of styles and settings but all present a clear biblically based Christian message With sketches for Easter and Christmas the dramas are easy to learn simple to perform and fun to watch Fully photocopiable *The Royal Priesthood of the Faithful* Cyril Eastwood, 2009-05-01 The present quickening of lay activity in the life of the church is regarded as one of the most significant developments in recent years What is the theology behind this development Is it new Is it true Is it biblical Is it supported by the early church fathers Is it a living issue today and is the church awakening to the real and practical significance of a doctrine which has been part of her faith from the beginning Such pertinent and far reaching questions are discussed in the book The author deals with the development of the doctrine of the royal priesthood of the faithful showing that it is based on the Bible is strongly supported by the church fathers and is prominent in the writings of theologians of the Middle Ages While the neglect of the doctrine has adversely affected the life of the church the emphasis upon it in many centuries has prompted movements which have resulted in spiritual quickening intellectual renewal and new ventures in Christian service *The Royal Priesthood of the Faithful* is a dynamic formula of reform The true church is revealed as a consecrated interceding witnessing and serving priesthood of faithful people The rediscovery of this doctrine to which

Luther gave a new name brought fresh life and new insights to the church in the sixteenth century It may be that in present circumstances in a different though no less needy world its message believed and applied may yet do the same again This book is a companion volume to Dr Eastwood s *The Priesthood of All Believers* which examines the doctrine from the Reformation to January of 1962 The two volumes together present a complete work on the meaning and history of the doctrine **The Servant King** , *The Drama* ,1919 [Sowing Seeds Book 2](#) Sharon Moughtin-Mumby,2025-10-03

Wigram,1860 **From Land to Lands, from Eden to the Renewed Earth** Munther Isaac,2015-10-14 The land is an important theme in the Bible It is a theme through which the whole biblical history found in the Old and New Testaments can be studied and analyzed Looking at the land in the Bible from its beginnings in the garden of Eden this publication approaches the theme from three distinct perspectives holiness the covenant and the kingdom Through careful analysis the author recognises that the land has been universalized in Christ as anticipated in the Old Testament and as a result promotes a missional theology of the land that underlines the social and territorial dimensions of redemption **State and Government in Ancient India** Anant Sadashiv Altekar,2002-04 *In the Bosom of Abraham* George R. Eves,2015-10-07 Read the Old Testament for the first time Again Experience it as an actual story for the first time This unique book takes the reader inside the biblical narrative for a fresh encounter with God s Word Often we read the Old Testament looking for how each event anticipates the Christ which is a bit like reading a detective novel knowing who done it all along Here each succeeding episode is allowed to speak on its own terms only building upon what has already happened

just like any other story Along the way it will be demonstrated how each part of the biblical narrative embodies the three covenantal promises that God made to Abraham Land Many Descendants and a Blessing to All Nations In so doing the inherent narrative framework of the old old story is more fully exposed and the reader is rewarded with a new sense of its profound unity and divine inspiration
