Longest Home Run:

The Longest Walk Kirk Marty, 2011-02 The Longest Walk takes the reader into every baseball fan's ultimate fantasy seeing the greatest players who ever lived play together when it really counts What if a Babe Ruth homerun could save a kid's life This question and others are answered when Don Ogilvie a fifty something boozy minor league hitting coach makes a deal with Death He bargains to trade his life for that of his best friend Roberto a terminally ill seven year old But first the alcoholic coach must win the really big one Ogilvie's challenge is to manage a team of dead Hall of Famers against a powerful squad fielded by Death Personified and captained by the bitter and bigoted Ty Cobb This other World ly Series takes place at a venue called Limbotown Baseball becomes a metaphor for the road of life with all its twists turns and unexpected pitfalls There's no game in the world that lends itself more to drama humor and magic than baseball The Longest Walk is Damn Yankees Field of Dreams and Rocky combined You will love it About the Author Kirk Marty is the pen name of Kirk Grossman an attorney and dedicated Dodger fan in Ventura California The way I see it I've been a professional writer for over 33 years As a practicing attorney I've cranked out literally hundreds of thousands of pages of mumbo jumbo Legal writing provides great instruction on the wrong way to create fiction although some attorneys often confuse the two Still it is the type of writing that requires great precision and focus qualities needed for good fiction as well He has already started his next novel Publisher's website <http://www.strategicpublishinggroup.com/title/TheLongestWalk.htm>

Long Shot Mike Piazza, 2014-02-18 In this New York Times bestselling autobiography baseball legend Mike Piazza takes readers into his exceptional and storied career from the rumors and controversies to his proudest achievements In this remarkably candid autobiography superstar Mike Piazza takes readers inside his life and career to show what it takes to make it to the major leagues and to stay on top Piazza was drafted in the sixty second round of the 1988 MLB draft a courtesy pick because of a family connection to Los Angeles Dodgers manager Tommy Lasorda No one expected Mike Piazza to play in the major leagues except Mike and his dad not even the Dodgers But with talent determination and a formidable work ethic long shot Piazza learned the demanding position of catcher and not only made it to the majors he became one of the great players in the history of the game With resolute honesty Piazza addresses the issues that swirled about him during his career the rumor that he was gay the infamous bat throwing incident with Roger Clemens and the accusations of steroid use that plagued nearly every power hitter of his era But above all Long Shot is the story of a superstar who rose to the top through his talent and his deep drive to succeed
