Though I Walk Through The Valley Timothy W. Scott, 2022-10-13 Walking the painful path of divorce leaves us feeling isolated, despaired, and doubtful of any happiness and peace again. While the narratives shared in this book are theirs alone, there are great commonalities. Each is full of pain, but even in the valley of messy, broken, and death-filled relationships, there is relief, healing, and hope in every story. You will find hopeful reassurance in and through the raging storms and valleys of shattered relationships. No matter the wounds, Tim Scott reminds us there is a healing balm that sustains us if we will make the choice to turn to Christ in our brokenness. We have every reason to hope. Terry W. Pollard, pastoral coach and mentor, Des Moines, Iowa. The weaving of the experience of different people of both genders and ages, along with strong biblical reference and relevance, creates an undeniable picture of the human condition. In reading this book, God will stretch your thinking and sensitize your heart to the heart of this painful reality. A must read for anyone interested in representing the real Jesus to a broken world. Pastor Ernest Mullins, Raleigh, North Carolina. As a pastor and child of divorce, I found Though I Walk through the Valley a heartfelt, gut-wrenching, and hopeful story of walking through the valley of divorce. This book is a great resource for those who find themselves in the heartbreaking situation of a broken dream and marriage. God's grace will walk with you every step of the way. Pastor Gina Colburn, BreakPointe Community Church, Overland Park, Kansas. I believe that Though I Walk through the Valley will be a very helpful resource both to those who have gone through a divorce or who are on the verge of going into one. Most of us in the church are unaware of the opportunity for ministry among those we know who are going through this valley. This book will be a great resource in helping the church understand the struggles of an individual going through a divorce. Pastor Shawn DeOrnellis, Milton, Washington. Sharing many people's stories makes Though I Walk through the Valley very relatable. I believe God is going to use this book to minister to many. Pastor Dan Menefee, Crossroads Wesleyan Church, Rapid City, South Dakota. *Relational Children's Ministry* Dan Lovaglia, 2016-04-05 Children's ministry has the power to change the lives of kids and families. Unfortunately, it's not always clear that the work a person does with kids is really making a lasting difference. Ask children's ministry leaders and kid influencers if they are making the impact on children's lives as they had hoped, and most likely the responses will be mixed. And for good reason. Research over the past decade has revealed an alarming lack of long-term growth in the faith community as children progress through student ministries into adulthood. Clearly, something needs to change. *Relational Children's Ministry* seeks to reverse this trend by equipping children's ministry leaders with practical tools to disrupt the status quo approach to discipleship with children and realign their ministries for greater long-term impact. Ministry leaders will learn how to relate intentionally to kids and families by putting five discipleship invitations modeled by Jesus into practice. Explore practical approaches to realign their children's ministry for a new trajectory by hitting three reset buttons to ensure long-term discipleship is embedded. Encounter examples of disruptive disciple makers in action and learn key principles that can be translated into their own

ministry context Children s ministry leaders will receive practical training to refocus their children s ministry along with time tested tools to personally recommit to lifelong discipleship Kid influencers can become a disciple making community that redirects the current trajectory for this and future generations
