Reprint of the original first published in 1857 The publishing house Anatiposi publishes historical books as reprints Due to their age these books may have missing pages or inferior quality Our aim is to preserve these books and make them available to the public so that they do not get lost      **Our work at home & abroad** Church extension assoc,1906      **How to Look After and Care for Your Donkey** Donkey & Mule Society of N.Z.,2009      **Pelagonius and Latin Veterinary Terminology in the Roman Empire** Adams,2018-07-17

The language of Latin veterinary medicine has never been systematically studied This book seeks to elucidate the pathological and anatomical terminology of Latin veterinary treatises and the general linguistic features of Pelagonius as a technical writer Veterinary practice in antiquity cannot be related directly to that of the modern world In antiquity a man could claim expertise in horse medicine without ever passing an examination Owners often treated their own animals The distinction between professional and layman was thus blurred and equally the distinction between scientific terminology and laymen s terminology was not as clear cut as it is today The first part of the book is devoted to some of the non linguistic factors which influenced the terminology in which horse diseases and their treatment were described      **The Collected Works of Witness Lee, 1960, volume 1** Witness Lee, On October 5 1959 Brother Witness Lee began a service training in Taipei Taiwan that ended on January 22 1960 A follow up training began on February 16 1960 and lasted until April 2 During that time Brother Lee released messages on the elders management of the church and continued his synopsis of the books of the Bible with synopses of Numbers and Deuteronomy After the training ended on April 2 he began another training for young people on April 26 which was intended to last five weeks however after the second week Brother Lee became ill He rested until June 28 at which time he began a five day co workers series of meetings with about twenty brothers see Church News in volume 1 of this set After these meetings he held various weekly training meetings with co workers His speaking in these meetings included the subjects of the sufficiency pursuit and learning of the Lord s serving ones and the law of revival On September 27 he left for the United States for the second time He remained mainly in New York and conducted meetings on God s building and held a four day conference on the ground of the church He traveled to San Francisco on December 1 On December 5 he went to Los Angeles and stayed there until December 8 at which time he returned to the Far East passing through Japan where he remained from December 10 through 19 There is no record of his speaking in San Francisco or in Japan On December 19 Brother Lee returned to Taipei and remained there until the end of the year The Collected Works of Witness Lee 1960 volume 1 contains messages given by Brother Witness Lee and personal notes letters and reports concerning his ministry from December 1959 through November 23 1960 Historical information concerning Brother Lee s travels and the content of his ministry in 1960 can be

found in the general preface that appears at the beginning of this volume The contents of this volume are divided into three sections as follows 1 Eleven issues of the periodical Church News published in January through December 1960 These issues contain personal letters and reports written in Taipei Taiwan and New York City from December 1959 through November 23 1960 They are included in this volume under the same title 2 Thirty five messages given in Taipei Taiwan on February 16 through March 17 1960 as a continuation of a previous training that ended on January 22 These messages are included in this volume under the title Synopsis of Numbers 3 Nineteen messages given in Taipei Taiwan on March 18 through April 1 1960 These messages are included in this volume under the title Synopsis of Deuteronomy **iVillager** Abba Gony Mustafa,2018-11-27 It has taken me a thirty year journey from my dusty village Kokoland to reach America the land of Uncle Sam Both Kokoland and America belong to planet Earth but they are two different worlds and neither one knows about the existence of the other Few people in my village have the slightest clue about life in America To them the village might as well be the center of the universe I m one of few lucky or unlucky ones depending on how you look at it who happened to miraculously have had the opportunity to live in both worlds It goes without saying that I can also speak with confidence that my level of confusion is unparalleled as you will find in this book Once I had confused Elvis Presley the King for Yuri Gagarin the Russian Astronaut In fact there are people in Kokoland who still believe so What difference will that make anyway when folks still believe that the Earth is flat Brayhard (by F.M.
