

Looking Back On My Life-2

**So I look back on my life
trying to find a happy moment
to block out the pain
to have something to think about
well they yell
yell about me
yell about my mistake
yell about my life
he blames me**

**she blames him
I blame them
But I can't think of a moment
not of one time I was happy
all I remember is pain
tears
stress
depression
suicidal thoughts
anger
why? Why was I never happy?**

**Why was I always crying?
Why was I always stressed?
Why was I always depressed?
why was i always anger?
Why was I always thinking suicidal thoughts?**

From My Life Friedrich Nietzsche, 2024-05-09 This is a journal from his earliest years taken from his autobiographical notes It is a wistful deeply nostalgic commentary on his childhood his memories of going to church encountering music sometimes these notes are published as a separate work On Music and his large Protestant family It is openly theistic romantic in style and reminiscent of the Goethe Schiller age in which the young Nietzsche grew up In 1858 he wrote an addendum titled looking back which is included here These journals were first published in the volume *Gesammelte Werke* edited by Peter Gast a pseudonym for Heinrich K selitz a close associate of Nietzsche and Elisabeth F rster Nietzsche Nietzsche s sister They were included in the second series of these collected works under the title *Philologica* which was published in 1897 and several editions after that This was part of the effort to compile and publish Nietzsche s unpublished manuscripts and lecture notes after his death This critical reader s edition presents a modern translation of the original manuscript crafted to help the armchair philosopher engage deeply with Nietzsche s works through clean contemporary language and simplified sentence structures that clarify his complex ideas Supplementary material enriches the text with autobiographical historical and linguistic context including an afterword by the translator on Nietzsche s history impact and intellectual legacy an index of the philosophical concepts he employs emphasizing Existentialism and Phenomenology a comprehensive chronological list of his published writings and a detailed timeline of his life highlighting the personal relationships that shaped his philosophy
