Looking For God A Seekers Guide To God:

Looking for God : a Seeker's Guide to God Woodbury, Clair,1983 **The Seeker's Guide to Faith** J. Peter Baumgarten,2020-11-23 The Seeker s Guide to Faith confronts and answers the thirteen principal arguments against God that are now advanced by modern secularist movement sometimes called New Atheism using the powerful insights and teachings of The Church of Jesus Christ of Latter day Saints There are many books written to encourage faith for people who are experiencing doubts about God generally However this book is the only one of its kind by a Latter day Saint author that directly and specifically challenges all the main arguments against faith in God that are now aggressively asserted by the belligerent modern secular movement Its uniqueness is enhanced by the fact that the doctrines and teachings of The Church of Jesus Christ of Latter day Saints are used whenever applicable to effectively answer the challenges raised by this movement This author believes that the unique teachings and insights of the Church are better suited than those of any other faith for answering those challenges Furthermore the author s professional and volunteer activities have afforded him the opportunity to know and work with people of nearly all religious backgrounds in nearly all walks of life Recent experiences have led him to examine the reasons many apparently intelligent people reject faith His legal background and training have aided him in spotting and understanding the weaknesses and flaws of the logical underpinnings of atheism His Gospel upbringing as a member of The Church of Jesus Christ of Latter day Saints has helped him see through the fog of the dogma and arguments of atheism to the More Excellent Way afforded by the Gospel s plan of happiness He hopes The Seeker s Guide to Faith will help others who stand at the crossroads of their doubts to find their faith in Heavenly Father and His Son Jesus Christ *Looking For God* Steven S. Sadleir,2010 A compendium of all the denominations of religious and spiritual groups and teachers over 250 sources in an updated 3rd edition The Seeker's Guide to Being Catholic Mitch Finley,2010-06-01 Recognizing that being Catholic today means being a pilgrim a person with questions doubts and insecurities award winning author Mitch Finley invites readers to explore with him the riches of the Catholic tradition

Leonard, 2025-06-17 Some Christians experience the presence of God as readily as they feel a pleasant breeze or sunshine For others God s presence is often much more difficult to find Like the psalmists we struggle with asking Why O Lord do you stand far off Ps 10 1 At least part of the dynamic in this struggle lies in the fact that Scripture presents God as both everywhere and mysterious at the same time As Paul told the sages of the Areopagus In him we live and move and have our being yet it is God s will that we search for God grope for him and find him Acts 17 27 28 God is as present with his people as the tabernacle was with ancient Israel and yet even the tabernacle was meant to illustrate the fact that God cannot be pinned down contained or controlled We live in the tension of worshiping a God who is everywhere and yet must be sought Seekers in the Hands of an Elusive God explains the scriptural dynamic of this omnipresent but elusive God It is when we fail to search for God that our view of who God truly is becomes distorted and our own spiritual health diminishes when our relationship with God lacks this pursuit But how then are we called to seek God This book considers a variety of avenues in Scripture nature humanity worship silence doubt suffering death and joy In all these ways even those of us who wrestle with spiritual loneliness can join with saints of the past in pursuing the face of God Seeking God Trevor Hudson, 2023-02-06 Jesus promised Seek and you will find Do you long for a transforming encounter with the living God Jesus

assures us that those willing to become seekers will find what their hearts most deeply desire The promise is clear Those who seek God consistently faithfully and passionately will not be disappointed They will find God and all those good things that accompany God's Kingdom Profoundly influenced by his long friendship with Dallas Willard and his experience guiding people through the Spiritual Exercises of St Ignatius for the last thirty years Trevor Hudson offers you a practical tool kit for your seeking journey You search for God does not have to take you to a remote mountain top as God wants to meet us right where we are in our everyday lives Reading the wisdom contained within the pages of Seeking God will help you to move beyond insight and knowledge and encounter the presence of the living God as a reality in your daily life **Looking for GOD** Steven S. Schmidt,2008 **Luther's Outlaw God** Steven D. Paulson,2019-09-03 In this second of

three volumes addressing Luther's outlaw God. Steven D. Paulson uses several biblical figures: Ezekiel, Jonah, Moses, David, and more, to illustrate Luther's understanding of law and gospel and what this means for preaching. Paulson shows that the challenge of all preaching is revealing God's actual grace without using the law at all. The gospel is what freed Luther from thinking of the world as split into two: an obscure world where law accuses and a magical world where the law blesses. With remarkable depth and clarity, Paulson explores the question: Where do we find a gracious God? For Luther, it was not in the law but only in the publicly executed and hated God, Jesus Christ, hidden in the cross. *Dancing with God* Karen

Baker-Fletcher, 2006-12-01 *Dancing With God* is an exploration of the divine gifts of courage and grace in the face of evil. Moreover, it is a doctrine of God as the source of that courage. Baker-Fletcher presents an understanding of the work of the Trinity with regard to the problem of crucifixion, a metaphor she uses for unnecessary violence. She develops a process of relational womanist theology that considers the empathetic omnipresence of God in the midst of unnecessary suffering and the healing power of God in movement of the Holy Spirit. She engages the contributions of a diversity of theologians like Paul Tillich, Karl Barth, Gordon Kaufman, John Cobb Jr., Majorie Suchocki, Charles Hartshorne, Andrew Sung Park, and Katie Cannon in her discussion of the dance of the Trinity in creation and the problem of sin, evil, and suffering. Through creative works like that of Alice Walker's *The Color Purple* and journalist Joyce King's account of the James Byrd Jr. murder in Jasper County, Texas, Baker-Fletcher reveals the healing, encouraging power of the Holy Spirit in the lives of survivors of unnecessary violence. On This Holy Night Thomas Nelson, 2013-10-15 Rekindle the true meaning of Christmas with the help of six gifted Christian communicators. Every year the story of Christmas is told and retold, but sometimes the very familiarity of holiday traditions causes us to overlook the vital expressions of this meaningful season. *On This Holy Night* breathes new life into several aspects of the Christmas story through the voices of six beloved Christian communicators. Each author explores the meaning of Christmas in different facets of the holiday. Max Lucado: a look into Joseph's story, a man caught between what God says and what makes sense. Rick Warren: the real gift of Christmas is that God sent His own Son to connect with the human race. David Jeremiah: why the name of Jesus is so important and perfect. John Maxwell: how to journey like the wise men to unexpected places. Jack Hayford: a look into Mary's story, a woman who embraced the seemingly impossible with God at her side. Bill Hybels: rediscovering meaning in the nativity scene. Sure to connect readers back to the heart of the holiday, this beautiful four-color gift book will be treasured for years to come. **In Search of Faith** Howard W. Roberts, 2010-01-01

Explore several of the stories of biblical characters who were seekers. The search by some of these people became watersheds for later seekers. For example, Abraham's search resulted in a clear understanding of radical monotheism. Ruth's seeking and searching challenged the notion that God's love and acceptance were tied to racial purity. Allow yourself to be a seeker as you read. May part of your seeking be to consider where your story and each of these stories intersect, and may those intersections be places where you seek God and discover that already God is seeking you. From the Preface *In Search of*

Faith is an exploration of biblical characters who struggled to define their faith Roberts help readers to identify with biblical characters to discover kinship with seekers of another era and to read about themselves in the stories Some of the biblical characters discussed include Ruth Jacob Peter and Hosea The stories of these biblical characters can be used in a sermon series or a course of study for a small group In Search of Faith can be a guiding force in the daily lives of seekers by addressing the quest for personal meaning and the desire to belong in community
