Pamela Harris Williams

Looking For Samson:

Samson's Diary Bob Arnone, 2014-08-19 In an effort to protect her child from the harsh realities of her impending death Mary pours her heart into a diary her legacy to her challenged ten year old son Samson After her passing the grief stricken child writes longingly to his lost momma in the hopes that his fervent words might reach her in the great beyond Born with extraordinary powers found only in the primate world he is a mystery to the medical world His doctors know of a progressive tumor on his thyroid but even that can't explain his gigantism At ten he is 6'9" and weighs 175 pounds Nora his devoted nanny loves him as if he was her own flesh and blood and she does her best to encourage the boy When his mental abilities also begin to grow beyond expectations only his father believes that it is the work of Mary his dead wife At sixteen 7'6" and 275 pounds he's on the verge of harnessing his true potential Soon he's on his way to glory in professional sports and folk hero status but there's a powerful emptiness to his life Tragedy follows him everywhere He continues to write to his momma desperate to know why he keeps losing the ones he loves At nineteen undaunted by his doctor's fears that physical exertion will kill him he experiences a mystical transformation with his momma and a phalanx of angels to guide him When his body betrays him can they or should they save him *Metagalaxy* Russell Scott, 2012-01-23 METAGALAXY Conclusions

Metagalaxy Conclusions is a continuation of the *Metagalaxy* where Samson is forced to face his life and the choices he has made as he takes it upon himself to help all Samson finds out that everything and anything is still possible in this *Metagalaxy* even becoming conventional Samson inspires others to step up and become moral as they seek out the greatest sources of evil to confront it and destroy it They know that evil in the *Metagalaxy* is still indeed strong smart and attempting to take over Love honor and loyalty are the keys to help this *Metagalaxy* survive And if Samson can convince others and himself that he is still their defender and needed he will make sure it does But his own power might lead to the *Metagalaxy's* destruction
