gospel appeared very dim indeed In a world population that was virtually exploding with growth how could Christians begin to reach the billions of fellow humans Then missionaries began mastering the multiplied languages on earth placing the Bible on paper making recordings of the gospel and beaming the Word of God out on radio and television waves A portion of the Bible was translated painstakingly into over a thousand languages The entire Bible was translated into several hundred There was reason to be hopeful Missionaries taught nationals how to plant churches Then nationals started planting churches and churches begat churches Bible translators had and continue to play a crucial role in the mission of reaching every people with the gospel and this book describes how Follow them into the fascinating exciting world of Bible translation

Douglas Canfield,2021-11-21 Twentieth century authors and filmmakers have created a pantheon of mavericks some macho others angst ridden who often cross a metaphorical boundary among the literal ones of Anglo Native American and Hispanic cultures Douglas Canfield examines the concept of borders defining them as the space between states and cultures and ideologies and focuses on these border crossings as a key feature of novels and films about the region Canfield begins in the Old Southwest of Faulkner s Mississippi addressing the problem of slavery travels west to North Texas and the infamous Gainesville Hanging of Unionists during the Civil War and then follows scalpers into the Southwest Borderlands He then turns to the area of the Gadsden Purchase known for its outlaws and Indian wars before heading south of the border for the Yaqui persecution and the Mexican Revolution Alongside such well known works as Go Down Moses The Wild Bunch Broken Arrow Gringo Viejo and Blood Meridian Canfield discusses novels and films that tell equally compelling stories of the region Protagonists face various identity crises as they attempt border crossings into other cultures or mindsets some complete successful crossings some go native and some fail He analyzes figures such as Geronimo Doc Holliday and Billy the Kid alongside less familiar mavericks as they struggle for identity purpose and justice
