Major General A A Rudra

Daniel Marston

Major General A A Rudra:

Major General A.A. Rudra D. K. Palit, 1997 More than that Jicks story describes his familys intimate involvement with Mahatma Gandhi and the Rev C F Andrews His father Sudhir Rudra the first Indian principal of St Stephens College in Delhi sent his Vice Principal the Rev Andrews to South Africa to persuade Mr Gandhi to come to India Thereafter the latter used the Rudra house in Delhi as his base for nine years many incidents of that sojourn are here recorded for the first time Furthermore Jicks association with those two great Indian Army leaders Field Marshals Auchinleck and Slim add further interest to the biography and will be welcomed by todays officers to whom their names are but legends of history *Indian Army in the First World War* Alan Jeffreys, 2018-04-19 The book addresses the important global role of the Indian Army during the First World War It is an academic reassessment of the army by both established and early career scholars of the Indian Army as well as naval historians It looks at the historiography of the army taking into account the recent work on the army particularly on the Western Front in 1914 1915 The edited volume covers the traditional areas of the Indian Army on the Western Front in Palestine Mesopotamia and the defence of the Suez Canal however there are also chapters on combined operations Indian prisoners of war in Germany and Turkey the expansion of the officer corps and the Sikh experience as well as the mobilisation of the equine army at the beginning of the war and the demobilisation of the army in the period from 1918 until 1923 Three additional chapters are related to the theme such as the role of the Royal Indian Marine the Territorial Army in India and Churchill s portrayal of the Indian Army during the Gallipoli campaign in his account *The World Crisis*

Soldiers of Empire Tarak Barkawi, 2017-05-27 How are soldiers made Why do they fight Re imagining the study of armed forces and society Barkawi examines the imperial and multinational armies that fought in Asia in the Second World War especially the British Indian army in the Burma campaign Going beyond conventional narratives Barkawi studies soldiers in transnational context from recruitment and training to combat and memory Drawing on history sociology and anthropology the book critiques the Western way of war from a postcolonial perspective Barkawi reconceives soldiers as cosmopolitan their battles irreducible to the national histories that monopolise them This book will appeal to those interested in the Second World War armed forces and the British Empire and students and scholars of military sociology and history South Asian studies and international relations **Forgotten Wars** Christopher Alan Bayly, Timothy Norman Harper, 2007 This is a panoramic account of the bitter wars of the end of empire seen not only through the eyes of the fighters but also through the personal stories of ordinary people

Sainik Samachar , 1970 *Routledge Handbook of the Global History of Warfare* Kaushik Roy, Michael W. Charney, 2024-01-23 This handbook examines key aspects of the development of the global history of warfare and the changing patterns of warfare over time Although scholarship has long eschewed a chronological narrative of the evolution of warfare that privileges the Western experience global histories of warfare have had difficulty avoiding an overemphasis on the West The present volume is a collection of themes rather than a history per se it provides important

perspectives on the emergence of warfare as a global historical experience from the ancient past to the present day Drawing together numerous experts it tells a broader more inclusive story of the global human experience with wars and warfare The 35 chapters are organised in eight thematic parts Part I Origins of Warfare Part II Politics and Armed Forces in the Pre Modern Era Part III Steppe Nomads of Eurasia Part IV Naval Warfare and Piracy in the Pre Industrial World Part V The Impact of Gunpowder Part VI Transition from Industrial to Total War Part VII Wars of Decolonisation and Cold War Part VIII Postmodern New Wars These Parts offer an overview of the global experience of warfare to help readers understand how the wars and the militaries we see today have been shaped by historical developments across the globe This handbook will be of great interest to students of military history naval history strategic studies and world history in general

Field Marshal KM Cariappa Brig CB Khanduri,2013-10-11 Field Marshal K M Cariappa His Life and Times narrates for the first time the full story of the life and times of India's first Commander in Chief a soldier and a diplomat and above all a patriot Coming immediately after his death at the age of 93 this assiduously researched biography gives a total insight into his life and deeds that have immortalised him Cariappa's life has been a fascinating compound of character luck and circumstances His meteoric rise from 1947 to the pinnacle enabled him to frame the Indian Army and other services into his mould of tenacity and resilience The book devotes itself adequately to episodes of his one man crusade to let the Armed Forces remain undivided for the duration of the Partition in 1947 when everyone was bent on doing so Aspersion was cast freely on his political ambition at that time As C in C his skirmish with the politically supported bureaucracy to safeguard the dignity of his office had repercussions on civilmilitary relations but he steadfastly stuck to his position Hearing Nehru say that the Chinese will safeguard the northern border and that he as C in C should worry about J K and Pakistan shook him and he could see how removed the leader was from strategic reality Here then is a book on the life and times of Cariappa in which there is a balanced blend of biography and history which is punctuated by human episodes anecdotes and reminiscences

Forgotten Armies Christopher Alan Bayly,Timothy Norman Harper,2005 In the early stages of the Second World War the vast crescent of British ruled territories stretching from India to Singapore appeared as a massive Allied asset It provided scores of soldiers and great quantities of raw materials and helped present a seemingly impregnable global defense against the Axis Yet within a few weeks in 1941-42 a Japanese invasion had destroyed all this sweeping suddenly and decisively through south and southeast Asia to the Indian frontier and provoking the extraordinary revolutionary struggles which would mark the beginning of the end of British dominion in the East and the rise of today's Asian world More than a military history this gripping account of groundbreaking battles and guerrilla campaigns creates a panoramic view of British Asia as it was ravaged by warfare nationalist insurgency disease and famine It breathes life into the armies of soldiers civilians laborers businessmen comfort women doctors and nurses who confronted the daily brutalities of a combat zone which extended from metropolitan cities to remote jungles from tropical plantations to the Himalayas Drawing upon a vast range of Indian

Burmese Chinese and Malay as well as British American and Japanese voices the authors make vivid one of the central dramas of the twentieth century the birth of modern south and southeast Asia and the death of British rule

India's Foreign Relations, 1947-2007 Jayanta Kumar Ray, 2013-04-03 This book analyses India's relations with its neighbours China Pakistan Bangladesh Sri Lanka and other world powers USA UK and Russia over a span of 60 years It traces the roots of independent India's foreign policy from the Partition and its fallout its nascent years under Nehru and non alignment to the influence of economic liberalization and globalization The volume delves into the underlying reasons of persistent problems confronting India's foreign policy makers as well as foreign policy interface with defence and domestic policies This book will be indispensable to students scholars and teachers of South Asian studies international relations political science and modern Indian history

Aspects of India's International Relations, 1700 to 2000 Jayanta Kumar Ray, 2007 This Volume Is A Modernist Study Of India S International Relations Which Traverses Pre Colonial Colonial And Postcolonial Perspectives Its Fourteen Chapters Discuss Varied Subjects Related To South Asia S Regional And International Relations Like I The Institutionalization Of British Paramountcy In India And Its Effect On The Region S External Relations As Well As Indigenous Responses To Colonial Rule Ii The Influence Of Domestic Variables Upon India S International Relations Iii The Interspersion Of Ethnic Economic And Religious Factors In The Making Of The British Indian Empire And Later Of The Indian State Iv The Paradigms Of Nature Culture State Making On The One Hand And Political Ecology And Cultural Politics Of Natural Resources On The Other V The Changing Character Of Foreign Corporate Involvement In India Vi The Development Of Science And Technology In India And The Activities Of The Armed Forces In India Vii The Fostering Of Formal Arrangements Such As Saarc Or Safta In South Asia And Informal Challenges To India S Security From Non State Actors Viii The Economic Political And Cultural Consequences Of Globalization For India During The Imperial Colonial Phases Ix The Evolution In Creative Writing Of A Discourse On The World Outside India And On India S Relationship With It This Volume Will Be Of Interest To Scholars And Students Of South Asian Studies History Political Science And International Relations And Defence Studies

INDIA'S MAJOR MILITARY & RESCUE OPERATIONS Dr. Hemant Kumar Pandey & Manish Raj Singh, 2021-05-06 The book on INDIA'S MAJOR MILITARY RESCUE OPERATIONS by Dr H K Pandey and Manish Raj Singh which has been very well conceptualized Both the writers have been into the process for almost last two years and have obtained the required details from all the possible available sources researched it well and have given it a wonderful shape to help anyone who wants to know about Indian Military Rescue Operations Dr H K Pandey has a varied experience behind him being the present Head of the Department of Defence and Strategic Studies at Meerut College Meerut He has always positive attitude toward his subject His knowledge and mastery on the subject is enormous Manish Raj Singh is a student in the Department of Defence and Strategic Studies at Meerut College Meerut has shown keen interest and dedication towards the subject completely He is very hardworking and enthusiastic He has left no stones unturned to get the

details about the topics of the subjects and comes out with the best possible outcome His knowledge of the subject is evident from the work produced in this detailed book The book has wonderfully covered the background political views role tasks and the major technological development during these military and rescue operations The book shall be of great help to the students of Defence Studies Military Science of various Colleges and Universities all over India to get a fair idea about the strengths of India s Operations to enhance their knowledge about operations for their use in subject for competitive examinations as applicable to them at various levels of their career The general readers too will get a fair idea about the strength of Indian Forces during these operations at national and international level This will give them the confidence to work hard in their concerned fields towards the development of a stronger India that is capable to take on its adversaries neighboring countries anytime and defeat their ongoing plans to imbalance its development as a power in South Asia I once again congratulate both the writers for giving a comprehensive concise look at Indian Operations through their book and wish them all the success in their future endeavors Maj Gen A K Shukla VSM Phoenix from the Ashes Daniel P. Marston D. Phil.,2003-10-30 In June 1942 the Indian Army suffered a major defeat at the hands of the Japanese Army and subsequently endured its longest retreat ever The Japanese forces had proved more mobile in tactics and more motivated and seasoned in warfare As a result the Indian Army assessed its mistakes to determine what changes were needed to rebuild itself into a more capable fighting force Marston looks at the Indian Army as a reform minded organization one that was able to take lessons from this major defeat implement the necessary reforms and ultimately defeat the Japanese soundly in 1945 Army leaders instigated analysis of the defeat at all levels of command Innovations in operational procedure organization and tactics were compared discussed then implemented An ongoing reassessment continued both during and after subsequent engagements By analyzing the changes made in tactical doctrine reinforcement procedure Indianization of the officer corps and the quality of nonmartial race units Marston demonstrates that the Indian Army of 1945 was vastly different from that of 1939 The Indian Army s transformation into a highly professional force contradicts the commonly held belief that it was too conservative a force to reform itself thoroughly in the face of new challenges **The Indian Army and the End of the Raj** Daniel Marston,2014-04-24 The Partition of British India in 1947 resulted in the establishment of the independent states of India and Pakistan and the end of the British Raj The decision to divide British India along religious lines led to widespread upheaval and communal violence in the period leading up to and following the official day of independence 15 August 1947 In this book Daniel Marston provides a unique examination of the role of the Indian army in post World War II India He draws upon extensive research into primary source documents and interviews with veterans of the events of 1947 to provide fresh insight into the vital part that the Indian Army played in preserving law and order in the region This rigorous book fills a significant gap in the historiography of the British in India and will be invaluable to those studying the British Empire and South Asia more generally Disastrous Twilight Shahid Amid,1993-09-13 The Partition of India in 1947 probably created

more problems than it solved problems which have bedevilled the subcontinent ever since and which show no sign of going away since those who feel that they were hard done by at the time of the settlement nearly forty years ago harbour their grudges as fiercely as ever and clearly have no intention of accepting their lot with equanimity in the foreseeable future Any new assessment of the Partition is therefore doubly welcome both as a contribution to history and as an aid to an understanding of what in current jargon is still very much an on going situation General Hamid s book is of particular value in view of the unique vantage point from which it was written In 1946 he was appointed Personal Secretary to Field Marshal Sir Claude Auchinleck then Commander in Chief India Realising that he had the good fortune to have been given a ringside seat for possibly the greatest of all the dramas in his country s history Hamid decided to keep a diary which is only now being published because the author was made to promise that it would appear during the Auk s lifetime a gesture typical of that very great and good but essentially private man Hamid was in constant contact with all those people the sum of whose decisions were to lead to one of the greatest mass migrations accompanied by one of the greatest mass migrations accompanied by one of the greatest bloodbaths in the history of mankind His observations on the build up to this appalling tragedy have the added value of being untainted by hindsight and though many may not agree with all his opinions few will deny that the views he expressed at the time have stood up to the judgement of history remarkably well

Nationalism, Education and Migrant Identities Sumita Mukherjee, 2009-12-16 This book examines the role western education and social standing played in the development of Indian nationalism in the early twentieth century It highlights the influences that education abroad had on a significant proportion of the Indian population A large number of Indian students including key figures such as Mohandas Karamchand Gandhi Mohammad Ali Jinnah and Jawaharlal Nehru took up prominent positions in government service industry or political movements after having spent their student years in Britain before the Second World War Having reaped the benefits of the British educational system they spearheaded movements in India that sought to gain independence from British rule The author analyses the long term impact of this short term migration on Britain South Asia and Empire and deals with issues of migrant identities and the ways in which travel shaped ideas about the Self and Home Through this study of the England Returned attention is drawn to contemporary concerns about the politicisation of foreign students and the antecedents of the growing South Asian student population in the USA and Europe today as well as of Britain s growing South Asian diaspora

India and the Quest for One World M. Bhagavan, 2013-09-27 India and the Quest for One World revolutionizes the history of human rights with dramatic impact on some of the most contentious debates of our time by capturing the exceptional efforts of Mahatma Gandhi and the Nehrus to counter the divisions of the Cold War with an uplifting new vision of justice built on the principle of unity in diversity

India and the Olympics Boria Majumdar, Nalin Mehta, 2009-05-07 In most accounts of Olympic history across the world India s Olympic journey is a mere footnote This book is a corrective Drawing on newly available and hitherto unused archival sources it demonstrates that India

was an important strategic outpost in the Olympic movement that started as a global phenomenon at the turn of the twentieth century Among the questions the authors answer are When and how did the Olympic ideology take root in India Who were the early players and why did they appropriate Olympic sport to further their political ambitions What explains India's eight consecutive gold medals in Olympic men's hockey between 1928 and 1956 and what altered the situation drastically so much so that the team failed to qualify for the 2008 Beijing Games India and the Olympics also explores why the Indian elite became obsessed with the Olympic ideal at the turn of the twentieth century and how this obsession relates to India's quest for a national and international identity It conclusively validates the contention that the essence of Olympism does not reside in medals won records broken or television rights sold as ends in themselves Particularly for India the Olympic movement including the relevant records and statistics is important because it provides a unique prism to understand the complex evolution of modern Indian society **1962** P J S Sandhu, Vinay Shankar, G G Dwivedi, 2015-08-06

The 1962 War was indeed a traumatic experience for the Indian arms The story from the Indian side is generally well known but very little is known about how the Chinese planned and orchestrated the entire campaign While India held a firm belief till the very end that China would not resort to a large scale military action the Chinese on the other hand had been preparing for it since 1959 Even though the writing was on the wall Indian Army allowed itself to be hustled into a war on those high Himalayas for which it was ill prepared a kind of hurtling towards a point of no return Based on the Chinese literature for the first time this book has been able to delve into the Chinese thought process their grand strategy and reconstruct various battles across the entire front from Chinese point of view of course tempered with what is known from authentic Indian sources It is a narrative that is designed to fill a great void that has existed all these years about the 1962 Indo China War **Blueprint to Bluewater, the Indian Navy, 1951-65** Satyindra Singh, 1992 **Army and Nation** Steven Wilkinson, 2015-02-12 Steven I Wilkinson explores how India has succeeded in keeping the military out of politics when so many other countries have failed He uncovers the command and control strategies the careful ethnic balancing and the political foreign policy and strategic decisions that have made the army safe for Indian democracy

Major General A A Rudra Book Review: Unveiling the Magic of Language

In an electronic era where connections and knowledge reign supreme, the enchanting power of language has been apparent than ever. Its capability to stir emotions, provoke thought, and instigate transformation is really remarkable. This extraordinary book, aptly titled "**Major General A A Rudra**," compiled by a highly acclaimed author, immerses readers in a captivating exploration of the significance of language and its profound effect on our existence. Throughout this critique, we shall delve into the book's central themes, evaluate its unique writing style, and assess its overall influence on its readership.
