[Understanding Marsha Norman](#) Lisa Tyler, 2019-09-13 Best known for her Pulitzer Prize winning play *night Mother* and her acclaimed adaptations of *The Secret Garden* and *The Color Purple* for musical theater Marsha Norman has produced an impressive oeuvre that includes not only works for the stage but also a novel and several television screenplays The first book on the Louisville born writer in twenty years *Understanding Marsha Norman* introduces readers to her life and work while making a persuasive case for her preeminence among America s leading dramatic artists Following a biographical introduction the book examines such early plays as *Getting Out Third* and *Oak and Circus Valentine* which according to the

playwright herself taught her the skills she needed to write her more successful works most notably the much lauded two character drama night Mother which centers around an apparently rational young woman's choice to commit suicide Subsequent chapters examine Norman's underrated novel The Fortune Teller and three mid career plays that rewrite the traditions of the Western the biblical story of Sarah and Abraham and the legend of Daniel Boone Her more recent plays including Trudy Blue 140 and Last Dance acknowledge the limitations of romantic relationships while her forays into musical theater and television including scripts for such programs as Law and Order Criminal Intent and the Peabody winning HBO series In Treatment signal a dramatist who is ever willing to take risks and venture into new genres At her best when writing about interesting and troubled women and their relationships with each other Norman has received much less critical attention than male contemporaries such as Sam Shepard and David Mamet This engaging and edifying book helps rectify that disparity
