Make a Joyful Noise Frank Von Christiernson,1987-01-01 *Psalms, hymns, and Scripture chants for Christians* David KING (Controversialist and Publisher.),1868 *Original gospel hymns and poems* John Kent,1853 **Original Gospel Hymns and Poems ... R. Watson,1997-07-10 D H Lawrence writing of the poems that had meant most to him said that they were still not woven so deep in me as the rather banal Nonconformist hymns that penetrated through and through my childhood It is not easy to account for this and most writing about hymns has not helped because it has concentrated on their content and function in worship and liturgy In the present book the author tries to account for feelings like Lawrence s by examining the hymn form and its progress through the centuries from the Reformation to the present day He begins by discussing the status of a hymn text and relates it to the demands made upon it by the needs of singing A chronological study then traces the development of the English hymn from the metrical psalms of the Reformation through the seventeenth century and Isaac Watts to the Wesleys Cowper Toplady and others and then to the great flood of hymn writing that occurred during the Victorian period together with the great success of Hymns Ancient and Modern There are chapters on American hymnody and women s hymn writing and sections on gospel hymns and the translation of German hymnody A final chapter takes the story into the twentieth century with a brief postscript on the revival of hymn writing since 1960 Original Hymns and Poems, on experience, providence and grace, etc Robert MORSE (Hymn Writer.),1840 The Hymns and Hymn Writers of the Church Charles Sumner Nutter, Wilbur Fisk Tillett,1911

McGill,2008 The transatlantic crossing of people and goods shaped nineteenth century poetry in surprising ways that cannot be fully understood through the study of separate national literary traditions American and British poetic cultures were bound by fascination envy influence rivalry recognition and piracy as well as by mutual fantasies about and competition over the Caribbean Drawing on examples such as Felicia Hemans s elaboration of the foundational American myth of Plymouth Rock Emma Lazarus s ambivalent welcome of Europe s cast off populations black abolitionist Mary Webb s European performances of Hiawatha and American reprints of Robert Browning and George Meredith the eleven essays in this book focus on poetic depictions of exile slavery immigration and citizenship and explore the often asymmetrical traffic between British and American poetic cultures
