Make Us One Celebrating Spiritual Unity:

Home-Based Care Ministry Judy Mathers, 2019-08-06 We live in a broken world with broken people Often it is easy to ignore the needs of the people around us But what would God want us to do In His ministry here on earth Jesus reached out to the most hurt most abused and most reviled members of His community He healed not only their bodies but their spirits Should we do any less The Seventh day Adventist Church has a unique opportunity to serve the hurting in their community through a Home Based Care ministry With our mission to love serve and teach and with the numerous church resources already available we can do what many others cannot be the safe haven of health and healing that God intends His church to be While this book focuses on ministry to individuals and their families dealing with HIV and AIDS the principles found here can be applied to anyone with a terminal illness who finds himself herself on the other side of accepted society It shows us that instead of being critical we should accept where people and their choices have led them doing our best to minister with the love and care of Jesus

Warning Signs of Genocide E.N. Anderson, Barbara A. Anderson, 2013 Genocide occurs when a government attempts to exterminate systematically a large percentage of its own citizens or subjects simply because they fall into a particular group defined by religion ethnicity political affiliation or rarely other group identification ranging from occupation to gender status Genocide has been a major cause of death worldwide over the last 100 years or more and is far from being eliminated Through examining available cases Warning Signs of Genocide An Anthropological Perspective shows that genocide becomes a live danger when group hatreds especially religious

ethnic and political are exploited by political regimes as major ways of seizing and maintaining power. Genocide is actually invoked however only when such regimes feel they are threatened usually either because they are new and not consolidated in power or because they are challenged by local rebellions, civil war or less often international war or major economic decline. Knowing these warning signs should make the international community take note that genocide is virtually certain to occur and take action to stop it. This book joins others in noting that the international community has rarely intervened in time and in the hope that these findings will encourage more prompt action.

A Third Great Disappointment for the Remnant Canute R. Birch, 2012. Do you remember singing Jesus Loves the Little Children in Sabbath School as a young child? Red and yellow, black and white, all are precious in His sight. Jesus loves the little children of the world. Jesus loves everyone, but as His followers, we often struggle to follow His example. In *A Third Great Disappointment for the Remnant*, Pastor Birch presents his research findings on race relations, the Millerite movement, slavery, the Civil War, segregation, the evangelical movement, and much more, addressing how these events have impacted and shaped the Seventh-day Adventist Church. He goes on to examine current race relations in the Adventist Church and the creation of ethnic conferences and warns against a final great disappointment of lost souls at Christ's second coming if we do not reconcile ourselves with each other and finish the work as one unified body. With a passion for racial and ethnic reconciliation, Birch offers recommendations on how to strengthen the Adventist Church through understanding and healing. We are precious in God's sight, but we should also be precious in each other's sight.

A Strategy For Reaching Secular People Ernan A. Norman, D. Min., 2007-05-11. Dr. Ernan A. Norman, D. Min., has identified strategies to implement John 13:35: "All people will know that you are my followers if you love each other." An excellent source for the essential principles of discipleship in a postmodern world, this book is written in nontechnical language based on the experiences as a student pastor and professor. I believe that the concepts presented are fundamental and are in harmony with the model demonstrated by Jesus during His ministry on earth. Meeting people at their level, putting their needs ahead of His own, treating people with respect, befriending the nonreligious, and inviting them into a relationship with Himself are some of the concepts that are identified and supported as strategies for reaching secular people. This book is an outstanding and important piece of work and easily readable. I would urge *A Strategy for Reaching Secular People* on members and leaders in every church if they are willing to challenge basic assumptions and embrace change relative to reaching lost people. Strategies that remove the barriers that keep people from hearing about God's love and to create a warm, friendly, uncritical, and nonjudgmental attitude of acceptance are clearly presented. Full of practical how-to's and watch-out's, this book by Ernan Norman is for individuals serious about sharing the love of God. As we interact with and minister to secular people, matters such as marriage and family, academics, employment, addictions, and human rights must be addressed. Norman clearly gives strategies for intentional efforts to reach secular

postmodern men and women in our day The central concept is the example of Jesus that we should follow A must read
