Executive Presence Everest Media,2022-04-06T22:59:00Z Please note This is a companion version not the original book
Sample Book Insights 1 Executive presence is not a measure of performance but rather of image It is a combination of qualities that telegraphs that you have what it takes to be in charge or deserve to be 2 The importance of nonmusical factors is often overlooked by musicians The way a musician presents themselves onstage is as important as their musical skills 3 The world of music illustrates the importance of image in the workplace The best predictor of success on the competition circuit was whether a pianist could communicate passion through body language and facial expression 4 The three pillars of EP are how you act how you speak and how you look They are not equally important but they are all important Gravitas is the core characteristic Signaling that you know your stuff cold is more important than either communication or appearance

Age of Oprah Janice Peck,2015-12-03 Over the last two decades Oprah Winfrey s journey has taken her from talk show queen to as Time Magazine has asserted one of the most important figures in popular culture Through her talk show magazine website seminars charity work and public appearances her influence in the social economic and political arenas of American life is considerable and until now largely unexamined In The Age of Oprah media scholar and journalist Janice Peck traces Winfrey s growing cultural impact and illustrates the fascinating parallels between her road to fame and fortune and the political economic rise of neoliberalism in this country While seeking to understand Oprah s ascent to the near iconic status that she enjoys today Peck s book provides a fascinating window into the intersection of American politics and culture over the past quarter century **Empowering Your Sober Self** Martin Nicolaus,2009-03-27 A sophisticated insightful well documented view of the philosophy and practice that are at the heart of the LifeRing approach This book offers a perspective on recovery that can motivate change in clinicians and researchers as well as among individuals struggling to find their sober selves Carlo DiClemente Ph D professor and chair Department of Psychology University of Maryland Baltimore and author

Postcolonial Aeromobilities Bart Paul Vanspauwen, Iñigo Sánchez-Fuarros, 2025-06-23 This edited collection explores how national airlines in postcolonial states operate at the complex intersection of corporate branding cultural governance tourism development and national identity formation It conceptualizes airplanes and airports as both tangible infrastructural spaces and symbolic domains that connect geographically distant regions while embodying aspirations of political sovereignty and cultural unity Through diverse case studies spanning multiple continents the book examines how commercial aviation's physical and cultural spaces either reinforce or challenge colonial histories and imperial legacies The volume reveals how modern Western imperial narratives were shaped through specific cultural and social negotiations that played out in airline branding route networks service standards and cultural policies It analyzes how airlines serve as vehicles for projecting soft power and cultural diplomacy while mediating between local traditions and global modernity Drawing on rich empirical examples from Angola Argentina Australia Belgium Brazil Jamaica Kenya France Hong Kong Indonesia Lebanon Mexico Peru South Africa Turkey and the United States this collection demonstrates how airlines employ sophisticated cultural management and corporate branding strategies to shape national and regional identities By examining airlines as sites where business strategy cultural policy and identity politics intersect this collection advances our understanding of how transportation infrastructure shapes social imaginaries and power relations in our increasingly connected yet culturally diverse world The research has important implications for scholars of business history cultural studies postcolonial theory and transportation geography while offering practical insights for policymakers and airline industry leaders

Here We May Rest Silvia Giagnoni, 2017-04-01 Hailed as the most restrictive immigration bill in the nation the Beason Hammon Alabama Taxpayer Citizen Protection Act known as HB 56 went into effect in September

2011 Its intent was to create jobs for Alabamians by making the lives of undocumented immigrants in the state impossible so that they would self deport It failed Here We May Rest offers a comprehensive explanation of how and why HB 56 came about and reports on its effects on immigrant communities Author Silvia Giagnoni argues that the legislation was anti immigrant not merely anti illegal immigration as its proponents claimed Building a case against the legalistic framework through which the bill was promoted Giagnoni dissects the role the media and Fox News specifically played in criminalizing immigrants as well as mainstreaming immigrant haters which created the xenophobic climate that paved the way for the Trump Presidency The new immigrants of Alabama take center stage in the second part of the book reclaiming their role in the cultural social and economic development of the state Giagnoni concludes with an appeal against any form of social segregation because only direct contact massive prolonged equal and intimate as Howard Zinn argued will cure the stereotyping and prejudice that feed ignorance and foster fear
