Makibaka! , 1978 Toward a Theology of Struggle Eleazar S. Fernandez, 2009-02-01 The Theology of Struggle is a genuinely popular Filipino theology rooted in the history and culture of a people who have endured colonial oppression at the hands of Spain North America and Japan as well as neo colonialism and home grown dictatorship Because Christianity has played a role in assisting the history of oppression in the Philippines a theology of struggle must include a struggle in theology to wrest Christian symbols from the hands of the oppressors and return them to the poor This theology which is otherwise expressed in articles poems art and action receives its first systematic treatment in *Toward a Theology of Struggle* In Part One Fernandez establishes the historical and cultural context out of which the Theology of Struggle has emerged Part Two represents Fernandez's own constructive work in which he shows how a theology of struggle must address the quest for identity and peoplehood In Part Three Fernandez explores the question of theological method outlining the areas of convergence and distinction between the Theology of struggle and other Third World theologies as well as setting forth the distinctive challenge that this theology of the Philippines poses to the authority and dominance of Western theology as a whole

The Drama of Dictatorship Joseph Scalice, 2023-07-15 The Drama of Dictatorship uncovers the role played by rival Communist parties in the conflict that culminated in Ferdinand Marcos's declaration of martial law in 1972 Using the voluminous radical literature of the period Joseph Scalice reveals how two parties the PKP and the CPP torn apart by the Sino Soviet dispute subordinated the explosive mass struggles of the time behind rival elite conspirators The PKP backed Marcos and the CPP his bourgeois opponents The absence of an independent mass movement in defense of democracy made dictatorship possible The Drama of Dictatorship argues that the martial law regime was not fundamentally the outcome of Marcos's personal quest to remain in power but rather a consensus of the country's ruling elite confronted with mounting social unrest that authoritarian forms of rule were necessary to preserve their property and privileges The bourgeois opponents of Marcos did not defend democracy but like Marcos plotted against it **Red Revolution** Gregg R.
