Making A Rose After the Diaspora Eva E. Ross, 2006-01-12 Her compelling story is well worth reading 5 star review from ForeWord Clarion Ross capably renders her difficult journey and against odds of survival adds another important voice to World War II Kirkus A few days later I was put on the train to join my parents in Vienna Although I had always enjoyed Vienna when my parents used to take me I was frightened and disheartened to see the swastikas everywhere flags on buildings in the streets and on Nazi pins worn by men and women What had happened to the cultured sophisticated Austrians They turned out to be more reactionary and fanatic than the Germans For when the Germans marched into Vienna they were received with flowers and open arms It was no invasion as they claimed later The salute Heil Hitler was on many lips My parents had rented a room in the apartment of another Jewish family It was near where my mother s youngest sister Franzl lived with her husband and her daughter Uti whom I loved dearly Yet I found no joy or peace there Our apartment was situated just below some Nazi offices and I was frightened to death every time I heard the booted steps stomping up and down the stairs I woke up crying out every night Multicultural Challenges and Redefining Identity in East Asia Nam-Kook Kim, 2016-04-15 Globalization and increased migration have brought both new opportunities and new tensions to traditional East Asian societies Multicultural Challenges and Redefining Identity in East Asia draws together a wide range of distinguished local scholars to discuss multiculturalism and the changing nature of social identity in East Asia Regional specialists review specific events and situations in China Korea Japan Thailand Vietnam Singapore Taiwan Malaysia Indonesia and the Philippines to provide a focus on life as it is lived at the local level whilst also tracing macro discourses on the national issues affected by multiculturalism and identity The contributors look at the uneven multicultural development across these different countries and how to bridge the gap between locality and universality They examine how ethnic majorities and minorities can achieve individual rights exert civic responsibility and explain how to construct a deliberative framework to make sustainable democracy possible This book considers the emergence of a new cross national network designed to address multicultural challenges and imagines an East Asian community with shared values of individual dignity and multicultural diversity With strong empirical support it puts forward a regulative ideal by which a new paradigm for multicultural coexistence and regional cooperation can be realized *Diaspora's Homeland* Shelly Chan, 2018-03-15 In *Diaspora s Homeland* Shelly Chan provides a broad historical study of how the mass migration of more than twenty million Chinese overseas influenced China s politics economics and culture Chan develops the concept of diaspora moments a series of recurring disjunctions in which migrant temporalities come into tension with local national and global ones to map the multiple historical geographies in which the Chinese homeland and diaspora emerge Chan describes several distinct moments including the lifting of the Qing emigration ban in 1893 intellectual debates in the 1920s and 1930s about whether Chinese emigration constituted colonization and whether Confucianism should be the basis for a modern Chinese identity as

well as the intersection of gender returns and Communist campaigns in the 1950s and 1960s Adopting a transnational frame Chan narrates Chinese history through a reconceptualization of diaspora to show how mass migration helped establish China as a nation state within a global system

Countdown to Statehood Hillel Frisch,2012-02-01 Countdown to Statehood based on Arabic English and Hebrew language sources analyzes the form that the Palestinian state is likely to take The book looks at past institution building patterns in the West Bank and Gaza the relationship between the PLO and the local Palestinians and the nature of the conflict with Israel from 1967 through the first year of the Palestinian Authority under Arafat s leadership A major reference point in this analysis is the Zionist experience of state building in Israel s own pre independence era Not only did the Zionist experience serve as a model of a successful protagonist that Palestinians wished to emulate but both also began as diaspora based These similarities and even more so the dissimilarities between these two struggles for national determination allow the reader to assess the potential likenesses and disparities of the future Palestinian state compared to its Israeli counterpart The concluding chapter analyzes the

findings in the broader context of third world state building by arguing contrary to the common wisdom that war makes the state that more peaceful routes to statehood lead to better states in the post independence era

fascinating entries on less obvious subjects such as the African Grove Theatre Black Seafarers Buffalo Soldiers the Catholic Church and African Americans Cemeteries and Burials Gender Midwifery New York African Free Schools Oratory and Verbal Arts Religion and Slavery the Secret Six and much more In addition the Encyclopedia offers brief biographies of important African Americans as well as white Americans who have played a significant role in African American history from Crispus Attucks John Brown and Henry Ward Beecher to Olaudah Equiano Frederick Douglass Sarah Grimke Sojourner Truth Nat Turner Phillis Wheatley and many others All of the Encyclopedia's alphabetically arranged entries are accessibly written and free of jargon and technical terms To facilitate ease of use many composite entries gather similar topics under one headword The entry for Slave Narratives for example includes three subentries The Slave Narrative in America from the Colonial Period to the Civil War Interpreting Slave Narratives and African and British Slave Narratives A headnote detailing the various subentries introduces each composite entry Selective bibliographies and cross references appear at the end of each article to direct readers to related articles within the Encyclopedia and to primary sources and scholarly works beyond it A topical outline chronology of major events nearly 300 black and white illustrations and comprehensive index further enhance the work's usefulness

National Policy, Global Memory Sarah Gensburger, 2016-07-01 Since 1963 the state of Israel has awarded the title of Righteous among the Nations to individuals who risked their lives sheltering Jews during the Holocaust This distinction remained solely an Israeli initiative until the late 1990s when European governments began developing their own national categories the most prominent of which was the Righteous of France honoring those who protected Jews during the Vichy regime In *National Policy Global Memory* Sarah Gensburger uses this dramatic episode to lend a new perspective to debates over memory and nationhood In particular she works to combine two often divergent disciplines memory studies and political science to study memory politics as a form of public policy
