Making Diffin Livesof Bilingual:

Making a Difference in the Lives of Bilingual/Bicultural Children Lourdes Diaz Soto,2005 Sociological Abstracts Leo P. Chall,1974 **Community Development Abstracts** Sociological Abstracts, inc., New York,1964 **Science News-letter** ,1942 **Players Magazine** ,1934 America's Bilingual Century Steve Leveen,2021-01-04 How can Americans make our country stronger kinder smarter By marshaling our enviable can do ethic and learning another language We can do it no matter what our age author Steve Leveen chose Spanish as his adopted language in midlife America s Bilingual Century is filled with tips for learning a language some mechanical like changing your phone and laptop settings to your adopted language and some philosophical For instance start by having a place in your life where you ll use the language Steve says The where makes the how more attainable And recognize that as with any adoption you do it for love and for life so don t fret when you re not fluent in five months If you have kids start them young You ll be glad you did when you read about the explosive growth of dual language schools across the country and the significant measurable advantages they give our young people Steve also takes us to the top summer language immersion camps for both children and adults And he shares his findings from leading language scholars teachers sociolinguists app creators and bilinguals of all stripes that he discovered during his dozen years of research Then he topples 12 myths about Americans and languages that no longer hold in this century Like thinking the whole world speaks English it doesn t that being monolingual is natural it isn t and that Americans suck at language quite the opposite as he demonstrates Here and now in the 21st century America is embracing its many ethnic and cultural heritages How natural then that we enfold the many languages that these heritages thrive on as part of that quintessentially American pursuit of happiness If you ve never thought of bilingualism as being a patriotic act America s Bilingual Century may persuade you otherwise Knowing a second language changes the way we perceive the world and the way the world perceives us English is what unites us Steve says Our other languages are what define and strengthen us And even if becoming bilingual leans more toward aspiration than arrival that s okay The journey is as rewarding as the destination *Life as a Bilingual* François Grosjean,2021-06-03 A book on those who know and use two or more languages Who are they How do they do it *Bilingual* François Grosjean,2010-08-15 Whether in family life social interactions or business negotiations half the people in the world speak more than one language every day Yet many myths persist about bilingualism and bilinguals In a lively and entertaining book an international authority on bilingualism explores the many facets of life with two or more languages **Raising Bilingual Brown Babies** Kami Anderson,2018-09-26 This book provides insights and strategies for the African American family looking to become bilingual in English and Spanish Through personal stories client testimonials and conversational style Raising Bilingual Brown Babies aims to empower more African American families to take the leap and adopt bilingualism as a lifestyle and family choice Dr Kami Anderson makes the journey to bilingualism feel attainable and vital for all families of color but makes it a point to provide easy methods to

increase the number of Black families that are able to speak both English and Spanish Inventing a Classroom Kathryn F. Whitmore, Caryl G. Crowell, 1994 What are the patterns of teaching and learning that make a classroom holistic How do children invent oral and written language How do they create the culture and curriculum of a classroom How does the spirit of community and collaboration develop among children and teachers What are the relationships between literacy schooling and socialization as they form among the children These are a few of the broad questions that Kathy Whitmore and Caryl Crowell answer in this absorbing portrait of Caryl's third grade classroom the Sunshine Room Over the span of a school year we watch the students in this bicultural classroom within a bilingual working class neighborhood work and develop together as a community of learners It is the story of how the Sunshine Room like many whole language classrooms invents itself and how in this process the children themselves are continually inventing oral and written language culture and curriculum In two separate collaborative voices the authors carry readers through several critical events in the life of the classroom the process through which the children and the teachers negotiate the curriculum the creation of a theme study about the Middle Ages and a vicarious experience of the Middle East war through children's literature and discussions On an individual level the deep friendship between Seaira an English speaking child from the volunteer community and Lolita a bilingual Latina from the barrio is symbolic of the bicultural experience fostered in the Sunshine Room **Bilingual Education** María Estela Brisk, 2006-04-21 Bilingual Education From Compensatory to Quality Schooling Second Edition maintains its original purpose of synthesizing the research on successful bilingual education in order to demonstrate that quality bilingual education is possible and desirable Findings from a wide range of studies are integrated to provide a clear picture of bilingual education in today's schools and a professional understanding of the foundations and issues surrounding bilingual education programs The recommendations offered provide a comprehensive basis for planning developing improving and evaluating bilingual programs For clarity these recommendations are discussed with respect to the whole school the curriculum and the classroom but it is stressed that they need to be applied in a holistic way because they depend on each other All educators who work or will work with bilingual students classroom teachers administrators and curricula developers will find the information in this text essential and will appreciate the straightforward approach and easy reading style New in the Second Edition A new Chapter 1 Pursuing Successful Schooling includes the definition of success that frames the content of the book and a review of how the research on bilingual education has changed Chapter 2 Bilingual Education Debate is substantially revised to address major changes in demographics and legislation Chapter 3 Contextual and Individual Factors Supports and Challenges is updated to include important new research on the external and internal factors affecting learners and a new section on peers Chapter 4 Creating a Good School is reorganized and updated Chapter 5 Creating Quality Curriculum is updated throughout particularly the sections on teaching content areas and assessment Chapter 6 Creating Quality Instruction includes extensive new material in the sections on Teaching English and In English

and Teaching Students with Limited Schooling Chapter 7 Beyond the Debate has an extensive new section describing and analyzing how the framework for quality education can be used as a guide to help create a new program Language, Culture, and Power Lourdes Diaz Soto,1997-01-01 Provides insights into the impact that eliminating bilingual education programs has on the lives of families and communities Persuasively argues that linguistic repression is an unwise language policy for a democratic nation **Bilingual Families** Eowyn Crisfield,2021-01-06 Does your family or community speak more than one language Do you wonder how to help your children successfully learn or keep those languages Do you want your children to have the gift of bilingualism and aren t sure where to start or how to keep going Every multilingual family has unique language needs Bilingual Families is a guide for you and your family It combines academic research with practical advice to cover the essential elements in successful bilingual and multilingual development Use this book to Learn about language goals and how to set them Create a living family language plan that develops and grows with your family Learn how to talk about multilingualism with your children and other key people in your children s life like teachers and relatives Recognise when you might need further support An indispensable guide for your family s language journey

Bilingual by Choice Virginie Raguenaud,2010 More and more people hundreds of millions around the world are living in bilingual homes In the U S alone more than 54 million people over the age of 5 speak a language other than English at home Yet once children enter school the pull toward one language becomes stronger and maintaining the bilingual advantage requires a serious family commitment a bilingual choice The good news is it s worth it Research shows that bilingual children are known to have more social cultural and economic opportunities as they grow to adulthood and that learning a second language from birth can even result in protection against Alzheimer s later in life Bilingual By Choice provides families with specific activities games and insights that will show them how to not only teach their kids more than one language but also to help their kids retain and develop those language skills For parents educators immigrants and expatriates Bilingual by Choice deals directly with the obstacles to sustaining a second language including unsupportive relatives issues at school frequent relocations and discrimination countering each one with the author s firsthand experience with both sides of the growing up bilingual journey as a child and as a parent Commit to the choice and help your children become bilingual for life

A Journey in Languages and Cultures François Grosjean,2019 This book explores the life and experiences of one of the world s most renowned experts in bilingualism Francois Grosjean takes the author on an engaging trip through his life as a bicultural bilingual combining personal accounts and anecdotes with insights from his extensive research which will appeal to all those interested in bilingualism **Schools of Promise for Multilingual Students** Nadia Granados,Norma

González, Lee Gunderson, Reginald D'Silva, Steven Z. Athanases, Marnie W. Curry, Melissa Pérez Rhym, Suniti Sharma, Usha Gurumurthy, Ivana Espinet, Brian Collins, Ann Ebe, Douglas Fisher, Nancy Frey, Shelley Hong Xu, Jamie Schnabegger, Mark Conley,2018-09-07 This book introduces readers to the inner workings and innovative programs of schools that successfully

serve bilingual and multilingual students especially those who affiliate as Latinx Readers will meet administrators teachers caregivers and community members who embrace work together to advance students learning They do this through varied school wide initiatives that include caring for students in authentic ways developing students home and academic languages recruiting caregivers and community members to mentor students establishing positive and respectful climates providing rigorous instructional interventions and inviting students to take leadership roles This book will inspire teachers and school leaders to see the possibilities for humanizing schools with the ultimate goal of helping all students succeed Book Features Profiles of diverse schools across the United States and Canada that have advanced the literacy and language abilities of emergent bilinguals Descriptions of school wide structures policies and practices that benefit multilingual students living in economically stressed communities A focus on multiple elements of academic and social initiatives that combine to support learning

Growing Up with Two Languages Una Cunningham, 2011-05-25 The lives of many families involve contact with more than one language and culture on a daily basis Growing Up with Two Languages is aimed at the many parents and professionals who feel uncertain about the best way to go about helping children gain maximum benefit from the multilingual situation This best selling guide is illustrated by glimpses of life from interviews with fifty families from all around the world The trials and rewards of life with two languages and cultures are discussed in detail and followed by practical advice on how to support the child's linguistic development Features of this third edition include a dedicated website with new and updated Internet resources a new chapter giving the perspective of adults who have themselves grown up with more than one language a new chapter presenting research into bilingual language acquisition with information about further reading new and updated first hand advice and examples throughout Una Cunningham is an Associate Professor in Modern Languages at Stockholm University Sweden She and her husband Staffan Andersson have raised their four children to speak English and Swedish in Sweden

Raising bilingual children: when school speaks a different language Clarissa Gosling, Does your child speak a different language at school and home In this book Clarissa draws on her experience of sending her British children to a Dutch school to help you support your child through their education abroad It covers Systems for separating when and where you use multiple languages Things to look for in different school systems How to work with your school to best support your child Possible issues specific to children of different ages from babies to teenagers This book is suitable for families with children of all ages whether they have just moved to a foreign language school or have been there for some time

Educating Emergent Bilinguals Ofelia García, Jo Anne Kleifgen, Claudia Cervantes-Soon, 2025 In this updated edition Ofelia García and Jo Anne Kleifgen are joined by Claudia Cervantes Soon to bring forth a just vision for the education of language minoritized students in the United States The authors use accessible language to introduce policies programs research and practices to equitably educate these students This widely used textbook has been expanded to explore the potential of translanguaging and the promises and pitfalls of Artificial Intelligence It also addresses the harmful role that

colonialism and raciolinguistic ideologies play offering guidance for transforming policies and practices to improve the education of emergent bilinguals Updated chapters consider the theoretical constructs empirical evidence and pedagogical practices related to the five most important aspects of the education of emergent bilinguals in K 12 classrooms language and literacy considerations curriculum and pedagogy family and community engagement assessment and digital technologies and learning Readers will find innovative recommendations to help them imagine the possibilities and make changes that will transform education for some of the most disadvantaged students Book Features Highlights the importance of leveraging all the linguistic and cultural practices of emergent bilinguals Provides succinct descriptions of alternative practices for transforming our schools and students futures Uncovers the deleterious effects of not only colonialism but also capitalism patriarchy and racism Considers the social cataclysms including a global pandemic that have affected minoritized communities as well as teachers and students Explores the development of new technologies that are altering the ways in which we educate children

Situational Context of Education Maria Estela Brisk,Angela Burgos,Sara Ruth

Hamerla,2004-05-20 This book gives educators important answers to the urgent question of how teachers and schools can facilitate language minority and immigrant students progress in school It offers an innovative and powerful method teachers and students can use to study the situational context of education providing both the theoretical background and the practical tools to implement this approach The situational context of education includes linguistic economic social cultural and political factors as well as conditions such as students personal characteristics family support and quality of instruction All of these factors influence the lives of students and their academic performance and contribute in many ways some subtle and indirect to making the educational experience more or less difficult for different students The premise of the book is that objective study of the situational context of education by both students and teachers is beneficial because it leads to a more realistic view of how to facilitate students progress in school Designed as a text for graduate courses for preservice and in service teachers working with students in bilingual ESL mainstream and special education classrooms the goal is to engage readers in learning not only from the literature but also from studying the situational contexts of their own students The focus here is on the factors that affect language minority and immigrant students in the United States but the framework is equally powerful for work with student populations in other social contexts The Introduction includes an overview of the theory behind the study of the situational context of education and the implementation of this approach describes the context of the pilot lessons included in the book and explains how to use the lessons detailed in later chapters Chapters 2 6 focus on different factors in the situational context of education linguistic economic social cultural and political A three part structure is used Classroom Implementation a rich description of one lesson in a real classroom Context Variables a theoretical explanation of the specific factor the chapter addresses providing the research basis for the sample lesson objectives Doing Analysis of the Context several sample lessons for implementation The lessons are addressed to the teacher with detailed

ideas on how to carry out the lesson and evaluate the students understanding of the situational context Five Appendices provide helpful resources for the implementation of the lessons an Annotated bibliography of relevant K 12 children s literature Instructional Approaches Scoring Rubrics for Content Objectives Guidelines for a Contrastive Study of Situational Context and Lesson Template The lessons have been thoroughly field tested with students and teachers Because these lessons work on multiple levels Situational Context of Education A Window Into the World of Bilingual Learners benefits students from first grade through preservice and in service teachers in university courses Teachers get to know their students and their predicaments within the social context of the United States and at the same time the lesson activities have a great impact on the students in their classes All are helped to achieve academically while gaining awareness of situational factors affecting their lives
