A Boy's Guide to Making Really Good Choices is designed to help boys ages 8-12 learn how to think through their options, realize the possible consequences, and develop good decision-making skills. In this book, Jim George uses helpful stories and illustrations to walk boys through the kinds of choices they are likely to face each day: choices to listen to their parents, do their best in school, sports, and activities; select friends with care; be kind to siblings and others; help out at home; and use good manners. Through the use of real-life scenarios, Jim George equips boys to build good character, the kind that will stay with them for life and honor God's standards.
