**KEEP ON DOING GOOD** GODSWORD GODSWILL ONU,2015-03-27 It is one thing to do good and it is another thing to keep on doing good God does good and He keeps on doing good even to sinners and unbelievers For instance He sends His rain and sun to all both to the righteous and the unrighteous The Bible tells us to be imitators of God Eph 5 1 We are to imitate God in love and in doing good Sometimes due to people s reactions and attitudes to the good which we have done to them we are tempted to stop doing good to them But if God stops doing good to us because of ingratitude unbelief sin and unfaithfulness where would we be We are to do good and keep on doing good not because of people s gratitude but because we love them and are commanded by God to keep on doing good Let us not grow weary while doing good for in due season we shall reap if we do not lose heart Therefore as we have opportunity let us do good to all especially to those who are of the Household of Faith Gal 6 9 10     [Making God's Blessings Count](#) David O. Steffen,2003-11-12 In recent decades global missions have been revolutionized by such movements as microenterprise development efforts and tentmaking professionals working in restricted access countries But little has yet been said about the new missions opportunities created by today s globalized economy Nor has much been documented about the role that corporations and businesses can have in the missionary enterprise Economist Steve Rundle and missiologist Tom Steffen offer a new paradigm for the convergence of business and missions the Great Commission Company

These companies intentionally create businesses in strategic locations pursuing profits while remaining unabashedly Christian in their purpose By establishing authentic businesses that employ local workers among the least reached peoples of the world they contribute to the economic health of the immediate community and also provide avenues for both physical and spiritual ministry Based on a five year study of groundbreaking enterprises like Pura Vida Coffee this book offers keen analysis of the principles and practices of these companies In an era where multinational corporations have global influence and impact the Great Commission Company opens up new possibilities for missions minded entrepreneurs and businesspeople who want to change the world to the glory of God
