Making It With Music:

Making Music George Martin, 1983 **Making Money, Making Music** David Bruenger, 2016-09-06 Musical experience as transaction Transience to permanence The rise of commercial markets Media revolutions Convergence and crossover Massification Scaling and selling live performance Visual media Artists audiences and brands Digitization State of the art **Making Music** William C. Allsbrook Jr., 2023-06-23 The banjo has been emblematic of the Southern Appalachian Mountains since the late twentieth century Making Music The Banjo in a Southern Appalachian County takes a close look at the instrument and banjo players in Haywood County North Carolina Author William C Allsbrook Jr MD presents the oral histories of thirty two banjo players all but two of whom were born in Haywood County These talented musicians recount in their own words their earliest memories of music and of the banjo as well as the appeal of the banjo They also discuss learning to play the instrument including what it feels like playing the banjo many describing occasional flow states In the book Allsbrook explores an in home musical folkway that developed along the colonial frontier By the mid 1800s frontier expansion had ceased in Haywood County due to geographic barriers but the in home musical tradition including the banjo survived in largely isolated areas Vestiges of that tradition remain to this day although the region has undergone significant changes over the lifetimes of the musicians interviewed As a result the survival of the in home tradition is not guaranteed Readers are invited into the private lives of the banjo players and asked to consider the future of the banjo in the face of contemporary trends The future will be shaped by how this remarkable mountain culture continues to adapt to these challenges Still this thriving community of banjo players represents the vibrant legacy of the banjo in Haywood County and the persistence of tradition in the twenty first century **Making Music in Montessori** Michael Johnson, 2020-11-21 Infused with a warm affable tone Making Music in Montessori is the Guide s guide to music education providing Montessori teachers all at once a snappy practical handbook music theory mentor pedagogical manual and resource anthology The book s goal To give teachers confidence in music so that when their children walk away from a lesson all fired up to compose their own music their teacher will know how to guide them Before Making Music in Montessori teachers may have only dreamed of a classroom buzzing with children working learning and growing with music alongside all of the other subject areas in the Montessori curriculum Now it s a reality If children s minds are a fertile field then Making Music in Montessori will stir Montessori teachers of all musical backgrounds to don their overalls roll up their sleeves sow the musical seeds and watch them blossom under their children s flaming imagination *Making Music for Modern Dance* Katherine Teck, 2011-09-12 Making Music for Modern Dance traces the collaborative approaches working procedures and aesthetic views of the artists who forged a new and distinctly American art form during the first half of the 20th century The book offers riveting first hand accounts from innovative artists in the throes of their creative careers and provides a cross section of the challenges faced by modern choreographers and composers in America These articles are complemented by excerpts from astute observers of the

music and dance scene as well as by retrospective evaluations of past collaborative practices Beginning with the careers of pioneers Isadora Duncan Ruth St Denis and Ted Shawn and continuing through the avant garde work of John Cage for Merce Cunningham the book offers insights into the development of modern dance in relation to its music Editor Katherine Teck's introductions and afterword offer historical context and tie the artists' essays in with collaborative practices in our own time The substantive notes suggest further materials of interest to students practicing dance artists and musicians dance and music history scholars and to all who appreciate dance

Making Time for Making Music Amy Nathan, 2018 Are you a former music maker who yearns to return to music but aren't sure where to begin Or are you a person who never played music as a child but you are now curious about trying You're not alone Many adults who used to play an instrument haven't touched it in years because either they can't find the time to practice are afraid their skills are too rusty or are unsure of what kind of group they could join Others are afraid to sing or start playing an instrument because they received negative feedback from childhood experiences Performing practicing and composing music may seem like unattainable goals with insurmountable obstacles for busy adults with non-musical careers Making Time for Making Music can help adults find ways to make music part of their lives The first book of its kind it is filled with real-life success stories from more than 350 adults who manage to fit music making into their jam-packed schedules They polished rusty skills found musical groups to join and are having a great time Their testimonies prove that you are never too old to learn to make music and that there are numerous musical paths to explore Featuring advice from dozens of music educators health-care professionals and music researchers who point out that making music can even be good for your health as well as an extensive resource list of websites organizations and summer programs this book offers inspiration and tried-and-true strategies for anyone who wishes to return to music making or begin as an adult

Making Music, Making Society Josep Martí, Sara Revilla, 2018-01-23 A society is the result of interacting individuals and individuals are also the result of this interaction This interaction happens through music among other factors As such music constitutes a powerful resource for symbolic interaction which constitutes the medium and substance of a culture The importance of music in a society is clearly brought to light in the role that it plays in the three basic parameters of the social logics identity social order and the need for exchange If music is so important to us it is because apart from its assigned aesthetic values it fits closely with the dynamics of each of these three different parameters These parameters which are consubstantial to the social nature of the human being constitute the core of the book as they manifest in musical practices This publication addresses important issues such as the role of music in shaping identities how music and social order are

intertwined and why music is so relevant in human interaction The last part of the book explores issues related to the social application of musical research The volume brings together specialists from different academic disciplines with the same powerful starting point music is not merely something related to the social but rather a social life itself something capable of structuring the social experience

Making Music American E. Douglas Bomberger, 2018-11-01 The year 1917 was unlike any other in American history or in the history of American music The United States entered World War I jazz burst onto the national scene and the German musicians who dominated classical music were forced from the stage As the year progressed New Orleans natives Nick LaRocca and Freddie Keppard popularized the new genre of jazz a style that suited the frantic mood of the era African American bandleader James Reese Europe accepted the challenge of making the band of the Fifteenth New York Infantry into the best military band in the country Orchestral conductors Walter Damrosch and Karl Muck met the public demand for classical music while also responding to new calls for patriotic music Violinist Fritz Kreisler pianist Olga Samaroff and contralto Ernestine Schumann Heink gave American audiences the best of Old World musical traditions while walking a tightrope of suspicion because of their German sympathies Before the end of the year the careers of these eight musicians would be upended and music in America would never be the same *Making Music American* recounts the musical events of this tumultuous year month by month from New Year's Eve 1916 to New Year's Day 1918 As the story unfolds the lives of these eight musicians intersect in surprising ways illuminating the transformation of American attitudes toward music both European and American In this unsettled time no one was safe from suspicion but America's passion for music made the rewards high for those who could balance musical skill with diplomatic savvy
