**Knowing My Inner Self** Fazel Naghdy, 2014-06-06 Knowing my inner self is written for teenagers to assist them in their journey to discover inner self and to cultivate their hidden capacities as they blossom from childhood to maturity It explores answers to the fundamental questions that often occupy the mind of adolescents at some stage of their growth What am I Who am I What is the purpose of my life The concepts and issues associated with these questions are examined and their implications for teenagers are highlighted The content of the book is inspired by universal spiritual principles particularly the concepts taught by Bah u ll h the Prophet Founder of the Bah Faith The approach and pedagogy is the result of nearly twenty years of sharing these concepts with teenagers of different age groups in the Education for Peace Program offered by the Yerrinbool Bah Centre of Learning in Australia The style of writing is simple but logical and conclusions are reached through observation and reasoning It simulates as much as possible a tutor tutored relationship in which the tutor facilitates learning for an individual or a small group In summary the book represents a manual on practical spirituality for teenagers and a workbook of activities to assist the reader to assimilate the concepts and apply them to personal situations The book consists of four major parts a The emergence of human beings This section has its focus on the evolution of life on the earth Efforts are made in this section to distinguish between the facts and theories surrounding the concept of evolution b The nature of human beings Through observation and reasoning it is demonstrated that a pure materialistic view is far from adequate to explain all the characteristics of man c Cultivating inner capacities The cultivation of inner capacities identified as a major objective of human life is emphasised and practical steps to accomplish this are explored d A mystical journey The final part of the book looks into the mystical aspects of spiritual growth which is the

process of drawing closer to God through knowledge and recognition of His Manifestation growing love of Him and serving His Cause The book consists of 24 chapters Each chapter starts with an introduction that highlights the key concepts addressed The topic covered in the chapter is then explored in sections of relatively short length The chapter then ends with a series of activities aimed at assisting the reader to assimilate the concepts The activities are designed to stimulate thought and reflection at three levels acquisition of knowledge provided in each chapter analysis of this knowledge and the application of this knowledge particularly to personal situations **The Catholic Library World** John M.

O'Loughlin, Francis Emmett Fitzgerald, 1995 **Fly, Eject, or Die: Understanding Split-Second Spiritual Decisions**

Brock Boher, 2023-07-10 In the high speed world of the fighter pilot milliseconds can be the difference between life and death Only when you've practiced prepared and predetermined what to do in a crisis can you react quickly enough to y the plane out of the situation or eject if need be Likewise we often face critical spiritual decisions with only moments to make a choice Professional pilot and youth speaker Brock Boher helps us recognize and learn to responsibly use the most enabling tool we possess moral agency By building spiritual muscle memory we can expertly exercise it in the milliseconds leading to the smallest or most important decisions in our lives Don't live life on autopilot When mishaps and tough choices inevitably come your way Fly Eject or Die helps you to prepare now so that in the moment faith will overcome fear and you can soar through any obstacles this earth life may hurl at you PRAISE FOR FLY EJECT OR DIE It only takes 5 seconds to change your life and only a few chapters to tell you how Wade Whiting sales manager and youth leader Arm yourself for the ride of your life by adopting these powerful principles Marcus North fighter pilot **Common Morality** Bernard Gert, 2004-08-19

Distinguished philosopher Bernard Gert presents a clear and concise introduction to what he calls common morality the moral system that most thoughtful people implicitly use when making everyday common sense moral decisions and judgments Common Morality is useful in that while not resolving every disagreement on controversial issues it is able to distinguish between acceptable and unacceptable answers to moral problems **How Science Engages with Ethics and Why It Should** Kristen Renwick Monroe, 2024-04-22

We live in an era of extreme claims versus weak consensus on issues critical to the public Is climate change a hoax or is it destroying our planet Were the vaccines and social distancing measures of COVID 19 designed to protect us or were they an invasion of our liberty How do we determine the validity of these claims and others like them Can we find a reliable middle ground leading to policies that help everyone How Science Engages with Ethics and Why It Should makes an impassioned plea for a scientific analysis of ethics discussing what such a method is why we need it and what it can offer that other methods cannot With contributions from leading thinkers across a range of disciplines Part 1 explores the challenges facing scientists and how to establish ground rules that will both protect human subjects and guide researchers in the future Part 2 explores the importance of evidence based science for topics such as climate change social care political polarization and rational decision making showing how even good science can go wrong

at times contributing to disastrous effects At the cutting edge of its discipline How Science Engages with Ethics and Why It Should provides a compelling case for demanding evidence based analysis to form the foundation of the discussions and policies that affect our very lives With contributions by Jeffrey Barratt Peter Ditto Jessica Maria Gonzalez James W Hicks Mahtab Jafari Rose McDermott B W Sarnecka Roxane Cohen Silver Brian Skyrms Teresa Sabol Spezio Lawrence Sporty Kyle Stanford Ashley J Thomas James Tran and the assistance of Ali Ansari Kendrick Choi Hannah Dastgheib David Han Nate Kang Alexis Kim Connor Lee Michelle Lee Lauren O'Neill Samuel Shih and Anqi Wang

**Ethics and Critical Care Medicine** J.C. Moskop, L.M. Kopelman, 1985-09-30 The expense of critical care and emergency medicine along with widespread expectations for good care when the need arises pose hard moral and political problems How should we spend our tax dollars and who should get help The purpose of this volume is to reflect upon our choices The authors whose papers appear herein identify major difficulties and offer various solutions to them Four topics are discussed throughout the volume First encounters between patients and health professionals in critical situations in general and where scarcity makes rationing necessary second allocation and social policy including how much to spend on preventive chronic or critical care medicine or for medicine in general compared to other important social projects third conflicts between or ranking of important goals and values and fourth conceptual issues affecting the choices we make Since these topics are raised by the authors in almost every essay we did not divide the papers into separate sections within the volume Warren Reich begins the volume with a parable illustrating a key problem for contemporary medicine and two very different approaches to its solution His story begins with the delivery of three indigent critically ill foreign patients to the emergency room of a large American private hospital Although the hospital is legally bound to care for these patients providing long term high cost care for them and others soon becomes a major financial strain

*Good Care, Painful Choices (Third Edition)* Richard J. Devine, 2004 Reviews the issues involved in most of the principal medical ethical dilemmas that face our society from a multidisciplinary point of view Updated to reflect the many changes that have occurred in medical ethical issues
