Making Of Armageddon:

In Armageddon's Shadow Greg Marquis,2000 The United States had important ties with Canada s Maritime Provinces that were profoundly shaken by the American Civil War Drawing extensively on newspaper reports personal papers and local histories Greg Marquis captures the drama of the times effectively putting the reader into the thick of the action In Armageddon s Shadow highlights Maritime support for the beleaguered Confederacy and the grave implications this had on race relations in Canada Marquis details the involvement of maritimers in running blockades and recounts the experiences of some of the thousands of men from Nova Scotia New Brunswick and Prince Edward Island who served in America s bloodiest conflict Book jacket

Armageddon's Glorious End David R. Manzano,2017-12-12 This latest contribution to the understanding of the Bible s final book will be a welcomed addition to anyone s personal library The author is quick to admit that Revelation has many strange images and perplexing elements However he is just as quick to stress that these images and elements are not the focus The Apostle John in writing this apocalyptic volume centers the attention on Jesus Christ the only hope for those who have accepted Him as Lord and Savior as well as those who still need to Many people know Revelation for its striking confusing symbolism Many of these people would experience less confusion if they realized that most of these symbols are borrowed by the beloved disciple from other parts of the Bible Manzano is faithful and responsible in allowing the Bible to interpret itself and establishing the Old Testament especially the book of Daniel as the foundation for decoding Revelation s mysteries As Bible prophecy continues to unfold and this world continues to unravel like a cheap sweater the frustration and turmoil that ensues will dissipate by the encouraging tone of this book Readers are subsequently prompted to dive into Revelation and study afresh to reconnect with the Lamb King around whom its messages revolve

Baran,2022-08-15 In June 1949 the Soviet state arrested seven farmers from the village of Bila Tserkva Not wealthy or powerful the men were unknown outside their community and few had ever heard of their small isolated village on the southwestern border of Soviet Ukraine Nevertheless the state decided they were dangerous traitors who threatened to undermine public order and a regional court sentenced them to twenty five years of imprisonment for treason In To Make a Village Soviet Emily Baran explores why a powerful state singled out these individuals for removal from society Bila Tserkva had to become a space in which Soviet laws and institutions reigned supreme yet Sovietization was an aspiration as much it was a reality The arrested men belonged to a small and misunderstood religious minority the Jehovah's Witnesses and both Witnesses and their neighbours challenged the government's attempts to fully integrate the village into socialist society Drawing from the case file and

interviews with the families of survivors Baran argues that what happened in Bila Tserkva demonstrates the sheer ambition of the state's plans for the Sovietization of borderland communities A compelling history To Make a Village Soviet looks to Bila Tserkva to explore the power and the limits of state control and the possibilities created by communities that resist assimilation

ARMAGEDDON's SONG 'CROSSING THE RUBICON' ANDY FARMAN,2015-02-10 The European war is a long way from the fighting that is consuming the Pacific The ANZACs and the US 5TH Mechanised Division are too few in number to defend Australia's coastline Fear of China's nuclear arsenal has left the allies with limited friends and there is trouble at home in the West Now that war in Europe has reached its bloody end and the men came home to less than gratitude from the politicians In the Pacific all eyes are on the Spratly Islands as the Allies combat the Chinese 3rd and 6th Armies The aftermath in Europe may have left the US and the ANZACs standing alone or has it Soldiers have more honour than politicians at the end of the day A reckoning is coming

ARMAGEDDON's SONG 3 'FIGHT THROUGH' ANDY FARMAN,2015-02-12 The world is at war from the steamy jungles of South America to the high ice of mountain glaciers This is the third of a five part tale of global war and the people under arms on both sides of the conflict NATO won the Battle of the Atlantic at terrible cost and not only in men women and material but to the planet also In Europe the NATO army is close to exhaustion grimly holding its ground along the Elbe and Saale rivers buying time for the US and Canadian 4 Corps to arrive but their grit and determination are frustrating an enemy becoming ever more desperate and a finger hovers over a button marked Nuclear Release

ARMAGEDDON's SONG 2 'ADVANCE TO CONTACT' Andy Farman,2015-02-08 Volume 2 of a 4 part series that goes further than even Tom Clancy's classic in a tale of truly global world war Washington DC Taipei NATO's North Cape naval picket and two carrier combat groups have been destroyed by nuclear weapons NATO is on the back foot and her potential allies are thinning out as China shows no hesitation in levelling entire cities Major Bedonavich and Svetlana Vorsoff are our spies with a conscience and now they are in from the cold but someone will go to any lengths to exact revenge Perhaps baiting the Bear in his lair is their only hope of survival The NATO army in Europe with the battered but defiant Coldstream Guards and US 82nd are holding the line Vital supplies are enroute from America but the determination of those in the convoys and escorts is matched by those charged with sinking them NATO needs to level the playing field and then tilt it in their favour
