

Making Of The President

Theodore Harold White

Making Of The President:

The Making of the President, 1960 Theodore Harold White, 1961 Analyses the 1960 election when John F Kennedy was elected President of the United States **The Making of the President 1960** Theodore H. White, 2009-11-03 The greatest political story ever told the epic clash between John F Kennedy and Richard M Nixon as captured in Theodore White's dramatic and groundbreaking chronicle The Making of the President 1960 is the book that revolutionized even created modern political journalism Granted intimate access to all parties involved Theodore White crafted an almost mythic story of the battle that pitted Senator John F Kennedy against Vice President Richard M Nixon from the decisive primary battles to the history making televised debates the first of their kind Magnificently detailed and exquisitely paced The Making of the President 1960 imbues the nation's presidential election process with both grittiness and grandeur and established a benchmark against which all new campaign reporters would measure their work The winner of the Pulitzer Prize for general nonfiction and the first entry in White's influential four volume narrative history of American politics in action this classic account remains the keystone of American political journalism *The Making of the President 1964* Theodore H. White, 2001-01-01 **The Making of the President 2016** Roger Stone, 2017-01-31 In the tradition of Theodore White's landmark books the definitive look at how Donald J Trump shocked the world to become president From Roger Stone a New York Times bestselling author longtime political adviser and friend to Donald Trump and consummate Republican strategist comes the first in depth examination of how Trump's campaign tapped into the national mood to deliver a stunning victory that almost no one saw coming In the early hours of November 9 2016 one of the most contentious polarizing and vicious presidential races came to an abrupt and unexpected end when heavily favored presidential hopeful Hillary Clinton called Donald J Trump to concede shocking a nation that had only hours before given little credence to his chances Donald Trump pulled the greatest upset in American political history despite a torrent of invective and dismissal of the mainstream media Stone a long time Trump retainer and confidant gives us the inside story of how Donald Trump almost single handedly harnessed discontent among Forgotten Americans despite running a guerrilla style grass roots campaign to compete with the smooth running and free spending Clinton political machine From the start Trump's campaign was unlike any seen on the national stage combative maverick and fearless Trump's nomination was the hostile takeover of the Republican party and a resounding repudiation of the failed leadership of both parties whose policies have brought America to the brink of financial collapse as well as endangering our national security Here Stone outlines how Donald Trump skillfully ran as the anti Open Borders candidate as well as a supporter of American sovereignty and how he used the Globalist trade deals like NAFTA to win over three of ten Bernie Sanders supporters The veteran adviser to Nixon Reagan and Trump charts the rise of the alt conservative media and the end of the mainstream media monopoly on voter impacting information dissemination This is an insider's view that includes studying opposition research into Bill Hillary and Chelsea Clinton's crimes and the struggle by

the Republican establishment to stop Trump and how they underestimated him Stone chronicles Trump's triumph in three debates where he skillfully lowered expectation levels but skewered Mrs Clinton for the corruption of the Clinton Foundation her mishandling of government email and her incompetence as Secretary of State Stone gives us the inside word on Julian Assange Wikileaks Clinton campaign chief John Podesta Huma Abedin Anthony Weiner Carlos Danger Doug Band Jeffery Epstein and the efforts to hide the former first lady's infirmities and health problems Stone dissects the phony narrative that Trump was in cahoots with Russian strongman Vladimir Putin or that the e-mails released by Wikileaks came from the Russians The Making of the President 2016 reveals how Trump brilliantly picked at Hillary Clinton's weaknesses particularly her reputation as a crooked insider and ignited the passions of out of work white men and women from the rust belt and beyond at a time when millions of Americans desperately wanted change Stone also reveals how and why the mainstream media got it wrong including how the polls were loaded and completely misunderstood who would vote Stone's analysis is akin to Theodore H White's seminal book The Making of the President 1960 It is both a sweeping analysis of the trends that elected Trump as well as the war stories of a hard bitten political survivor who Donald Trump called one tough cookie

The Making of a President Theodore Harold White, 1964 **The Making of the Presidential Candidates 2004** William G. Mayer, 2004 Annotation This is the third in a series of books about the United States presidential nomination process and shares the same goals as its predecessors and Mayer political science Northeastern U presents nine papers exploring significant components of the nomination process including financing incumbency polling and the role of organized labor The only non academic contributing to the proceedings is an editor who provides a discussion of the role of the press Annotation 2004 Book News Inc Portland OR booknews.com The Making of the President, 1968 Theodore H. White, 2010-10-05 White unites a novelist's knack of dramatization and a historian's sense of significance with a synthesizing skill that grasps the reader by the lapels Newsweek The third book in Theodore H White's landmark series The Making of the President 1968 is the compelling account of the turbulent 1968 presidential campaign the assassinations of Robert F Kennedy and Martin Luther King Jr and election of Richard Nixon White made history with his groundbreaking The Making of the President 1960 a narrative that won the Pulitzer Prize for revolutionizing the way that presidential campaigns were reported Now The Making of the President 1968 back in print freshly repackaged and with a new foreword by Chris Matthews joins Theodore Sorensen's Kennedy White's The Making of the President 1960 1964 and 1972 and other classics in the burgeoning Harper Perennial Political Classics series **The Making of the President 1968** Theodore Harold White, 1970 The Making of the President, 1964 Theodore Harold White, 1965 Documents the 1964 Presidential campaign which resulted in the election of Lyndon B Johnson over Republican conservative Barry M Goldwater **The Making of the President, 1960** Theodore Harold White, 1961 *The Real Making of the President* W. J. Rorabaugh, 2009-03-05 When John Kennedy won the presidency in 1960 he also won the right to put his own spin on the victory whether as an underdog's

heroic triumph or a liberal crusader's overcoming special interests. Now W J Rorabaugh cuts through the mythology of this famous election to explain the nuts and bolts operations of the campaign and offer a corrective to Theodore White's flawed classic *The Making of the President*. War hero, champion of labor, and Pulitzer Prize winning author, JFK was long on charisma. Despite a less than liberal record, he assumed the image of liberal hero thanks to White and other journalists who were shamelessly manipulated by the Kennedy campaign. Rorabaugh instead paints JFK as the ideological twin of Nixon and his equal as a bare knuckled politician showing that Kennedy's hard won razor thin victory was attributable less to charisma than to an enormous amount of money, an effective campaign organization, and television image making. The 1960 election, Rorabaugh argues, reflects the transition from the dominance of old style boss and convention politics to the growing significance of primaries, race, and especially TV, without which Kennedy would have been neither nominated nor elected. He recounts how JFK cultivated delegates to the 1960 Democratic convention, quietly wooed the still important party bosses, and used a large personal organization, polls, and TV advertising to win primaries. JFK's master stroke, however, was choosing as a running mate Lyndon Johnson, whose campaigning in the South carried enough southern states to win the election. On the other side, Rorabaugh draws on Nixon's often ignored files to take a close look at his dysfunctional campaign, which reflected the oddities of a dark and brooding candidate trapped into defending the Eisenhower administration. Yet the widely detested Nixon won almost as many votes as the charismatic Kennedy, even though Democrats outnumbered Republicans by three to two. This leads Rorabaugh to reexamine the darker side of the election: the Republicans' charges of vote fraud in Illinois and Texas, the use of money to prod or intimidate, manipulation of the media, and the bulldozing of opponents. White and others helped shape persisting impressions of both candidates, influencing the way Nixon conducted subsequent campaigns and the Democrats nurtured the Kennedy legacy. *The Real Making of the President* gives us a more sobering look at all of that, fundamentally reshaping our understanding of one of the nation's most memorable elections.

The Making of the President, 1960 Saint-John Perse, 1960 **The Making of a European President** Nereo Peñalver García, Julian Priestley, 2015-04-30 This book tells the inside story of Europe's first presidential campaign: the candidates, how they were chosen, the campaign trail, the TV debates, and the tense negotiations which followed. It explains what led to this new way of choosing the Commission president and what it means for the future of the EU. *Making of the Postmodern Presidency* John F Freie, 2015-11-17 Throughout American history, presidents have been accused of being liars, of deceiving others for political gain, of being corrupt, or of violating the Constitution. Such criticism is to some extent a facet of our political culture. Yet in recent years, the intensity and depth of hostility coming from news reporters, political pundits, and even academics seems unprecedented. It is the argument of *The Making of the Postmodern Presidency* that something more fundamental is occurring, other than personal mendacity, character failures, or political errors: that in fact, the model we have used to explain presidential behavior no longer works. The dominant paradigm used to assess presidential behavior, the modern presidency, is

no longer an adequate explanatory model Nonetheless those who study the presidency continue to use it to explain behavior This book claims that the more relevant paradigm that should be used today is the postmodern presidency model This book traces the origins and development of the postmodern presidency The heart of the book is composed of an examination of the presidencies of Ronald Reagan George H W Bush Bill Clinton and George W Bush to show how each has contributed to the evolution and formation of the postmodern presidency A penultimate chapter analyzes the 2008 presidential election through the lens of postmodernism The book concludes with speculation on the challenges that face the Obama presidency in light of the postmodern presidency and American democracy

The Making of a Catholic President Shaun Casey, 2009-01-23
The 1960 presidential election won ultimately by John F Kennedy was one of the closest and most contentious in American history The country had never elected a Roman Catholic president and the last time a Catholic had been nominated New York Governor Al Smith in 1928 he was routed in the general election From the outset Kennedy saw the religion issue as the single most important obstacle on his road to the White House He was acutely aware of and deeply frustrated by the possibility that his personal religious beliefs could keep him out of the White House In *The Making of a Catholic President* Shaun Casey tells the fascinating story of how the Kennedy campaign transformed the religion question from a liability into an asset making him the first and still only Catholic president Drawing on extensive archival research including many never before seen documents Casey takes us inside the campaign to show Kennedy's chief advisors Ted Sorensen John Kenneth Galbraith Archibald Cox grappling with the staunch opposition to the candidate's Catholicism Casey also reveals for the first time many of the Nixon campaign's efforts to tap in to anti Catholic sentiment with the aid of Billy Graham and the National Association of Evangelicals among others The alliance between conservative Protestants and the Nixon campaign he shows laid the groundwork for the rise of the Religious Right This book will shed light on one of the most talked about elections in American history as well as on the vexed relationship between religion and politics more generally With clear relevance to our own political situation where politicians' religious beliefs seem more important and more volatile than ever *The Making of a Catholic President* offers rare insights into one of the most extraordinary presidential campaigns in American history

The Presidential Image Iwan Morgan, Mark White, 2020-04-02
Presidential Image has become an integral part of the campaign presidency and legacy of Modern American presidents Across the 20th century to the age of Trump presidential image has dominated media coverage and public consciousness winning elections gaining support for their leadership in office and shaping their reputation in history Is the creation of the presidential image part of a carefully conceived public relations strategy or result of the president's critics and opponents Can the way the media interpret a president's actions and words alter their image And how much influence do cultural outputs contribute to the construction of a presidential image Using ten presidential case studies this edited collection features contributions from scholars and political journalists from the UK and America to analyse aspects of Presidential Image that shaped their perceived effectiveness as America's leader

and to explore this complex controversial and continuous element of modern presidential politics The making of the president, 1964, by theodore h. white Theodore harold White,1962 **Quest for the Presidency** Bob Riel,2022-04 Quest for the Presidency is an engaging and at times amusing popular history of American presidential elections from 1789 to the present that offers insight into the impact past elections have on today s politics **The Making of the President, 1972** Theodore H. White,2010-10-05 The classic you are there account of the Nixon McGovern election by the Pulitzer Prize winning New York Times bestselling author A brilliant analysis Commentary The Making of the President 1972 chronicles both the Democratic and the Republican parties as they jockeyed for position toward the end of Richard M Nixon s turbulent first term Theodore White illuminates the cinematic moments that shaped the campaign the attempt on George Wallace s life Edmund Muskie crying in the snow in New Hampshire the swift rise and fall of Tom Eagleton and the ongoing anguish of Vietnam leading inexorably to a second chaotic collapse among the Democrats and a landslide victory for Nixon Yet even as the president s highest ambitions were confirmed White watches aghast as the new Nixon of 1968 is eclipsed by the corrupt Nixon of old a Shakespearean conclusion to an astonishing political epoch The byzantine events of 1972 unfold here like a timebomb ticking away Nixon s dramatic foreign adventures the Muskie bust and the McGovern phenomenon the President s deliberate surrogate campaign the Democrats bloodletting at Miami Beach and the beginning of the destruction of George Stanley McGovern as a viable candidate Kirkus Reviews One of America s most celebrated political writers The New York Times Among the most influential and gifted journalists of the twentieth century More than anyone else White changed the way American politics and government are covered and in the process he had a major impact on the politicians as well Chicago Tribune Includes a new foreword by Cokie Roberts **Presidential Upsets** Douglas J. Clouatre,2013-01-09 This unique book examines election upsets in American presidential campaigns offers in depth analysis of several surprising election results and explains why the front running candidate lost Controversial and unexpected presidential election results have occurred throughout American history Presidential Upsets Dark Horses Underdogs and Corrupt Bargains carefully examines eleven presidential upsets spread across two centuries of American history ranking these election upsets by order of magnitude and allowing readers to compare the issues and processes of American elections After an introductory chapter that establishes the factors that contribute to a presidential upset such as the comparative advantages of candidates the issues facing the candidates and electorate and the political environment during the election the book offers in depth analysis of notable surprise election results and explains why the front running candidate lost Each major period of American history such as the Jacksonian period the Antebellum era Reconstruction World War I the Cold War era and the post Cold War era is covered The author utilizes primary and secondary sources of material to provide contemporary and historical analysis of these elections and bases his analysis upon criteria used by political scientists to predict presidential election results

Eventually, you will utterly discover a additional experience and finishing by spending more cash. nevertheless when? accomplish you understand that you require to get those every needs with having significantly cash?
