**Small Groups**

**Made Easy** Ryan Lokkesmoe, 2019-11-05 You're interested in leading a small group but you're a little afraid. What are you getting yourself into? How do you get started? Don't worry, you're not alone. Many small group leaders feel ill-equipped for the task of leading in spite of the many books, conferences, online resources, and church-based training opportunities that are available. Other small group books tend to focus on the overall theory of the small group's place in the life of the church rather than the day-to-day nuts and bolts. *Small Groups Made Easy* focuses on practical pointers, overcoming challenges, and how to lead discussions. Half the book is made up of short sample Bible studies and topical studies that include icebreaker questions, discussion questions about the text, and guides for leading prayer times. In this book, you'll discover all the tools you need to lead an effective small group.

*Practicing 107 Spiritual Principles to Improve your Quality of Life* S. Scott Jr., 2023-12-03 We all aspire to live a life of meaning, purpose, and fulfillment. However, in our busy modern lives, it can be easy to lose sight of our core values and what really matters most. This book offers a practical guide to realigning your life through the cultivation of 107 spiritual principles over the course of 107 weeks. The principles covered range from foundational values like honesty, hope, and courage to interpersonal skills like compassion, consideration, and sharing. Higher-level principles like wisdom, freedom, and unconditional love are also explored. Each week focuses on understanding and practicing one principle through reflective journaling, suggested actions, and habits, inspirational quotes, and relevant Bible verses. This book is designed to be an intuitive self-study journey that empowers you to incrementally improve the quality of your life on mental, emotional, physical, and spiritual levels. By consciously focusing on one principle per month, week, day, or hour, you give yourself the space to fully integrate it into your life before building upon it with the next one. Over time, you will notice these principles transforming your perspectives, relationships, decision-making abilities, resilience, self-care, and sense of meaning. Whether you work through this book from beginning to end or open it randomly when you need guidance, its wisdom and practical exercises will help you create the life you want. Use it as a reference to flip to when particular principles seem relevant to situations and challenges you are currently facing. Highlight passages that speak to you and review your notes to reflect on your growth. Most importantly, keep it by your side as a source of inspiration, self-discovery, and spiritual nourishment. In addition, this is a collection of my previously published books: *Practicing 12 Principles For a Better Way to Live*, *24 Spiritual Principles Essential for Empowerment*, *30 Days Straight To Change Your Game*, *12 Hours of Applying Spiritual Principles Intermittently*, *Revised Detoxing your Mind, Body, and Spirit for 21 Days*, *Seven Ways to Brighten Up Your Life*, and *Create*.

**The Path** Rev. Dr. Ebele Okonkwo Onuigbo,2016-06-23 Decision making is a fundamental aspect of our daily lives shaping our paths through the resolutions we reach after careful consideration From the simplest choices to the most complex dilemmas individuals continuously navigate the terrain of decision making throughout their lifetimes These decisions serve as compass points guiding us toward the fulfillment of our goals and aspirations whether they lead to positive outcomes or negative consequences How many individuals truly take the time to thoroughly consider the available facts before diving into the decision making process Engaging in wise deliberation of facts prior to making a decision is crucial for ensuring that the resulting choice will have a meaningful impact whether on the individual themselves or the circumstances at hand So how does one go about making a wise decision It involves carefully weighing the available information considering potential consequences and evaluating the implications for both oneself and others in the surrounding community Ultimately the decisions we make not only shape our own lives but also have far reaching effects on the well being and experiences of those around us In the modern world we observe a striking dichotomy between Jesus purpose driven ethos and the prevalent self centered pursuits that often consume individuals Amidst the clamor for material possessions societal status and personal comfort many seem to lose sight of life s deeper significance While the pursuit of

such desires is not inherently erroneous an excessive fixation on them can obscure individuals from fulfilling their higher calling

Y.O.U. Thomas Mavity,2022-08-01 Everyone grows up in different environments and the messages we see and hear shape them either positively or negatively What is important is anyone can achieve success if they choose positive words and actions and want to better themselves When we mentally discipline and train our mind to positive thinking physically create a healthy body and lifestyle emotionally manage our emotions controlling our tongue and spiritually develop a grateful and loving relationship with God many self perceived barriers are eliminated What is in our thoughts and words comes from our heart Heartfelt gratitude no matter where we are in life is an ingredient that takes our mind off ourselves and makes us serve others Act as a leader and not a follower Speak up for those who cannot help themselves Use positive words and actions to build a model for success which others will follow Please and thank you go a long way in life so when we generate all these qualities and accept God s grace there is no stronger ally for life We are not alone as we all have made mistakes and hopefully learn by example Let our positive words and actions bring happiness love joy and creativity into our lives to help others succeed Are we doing all we can to develop ourselves with the skills God has granted us Are we mentoring those who are struggling in life who need guidance Will we leave a positive legacy for our family and society to use as a pillar The book T H A N K Y O U will provide powerful positive words and examples that will help lead to success If you can visualize stay focused work like no other and give it all to God your positive life will arrive
