Lily Yu, 2024-06-11 From the award winning author of *On Fragile Waves* comes an inspirational surprising guide to creation and creativity and how both bring us closer to God Centuries ago sound theology and good fiction were friends and not strangers Decades ago authors strove not for self expression and self disclosure but for a mastery of craft and language and books that transformed the reader with wisdom and love In more recent years the old ideals have been exchanged for lesser ones Few guides to writing which tend to focus on mechanics point of view and plot address the more important matters of meaning depth and heart But it is the latter qualities that make a book a blessing and gift to both writer and reader Like Christ s invitation to follow they demand a risk and sacrifice of the self and all it holds dear Writers from George MacDonald to James Baldwin understood this but in

recent years this understanding has been lost Making old things new this book proposes an ethics of reading writing and living based on truth and love Break Blow Burn Make returns the literary conversation to the practices of co creation with God Part bugle call part compass for writing and for life and part love song to the books that set us on fire it offers those who are willing to receive it the courage to live read and write more deeply and honestly **The Hammer and the Frog, God Watches out for Me** Floyd E.
