Musical Theater Alyson McLamore, 2004 For Surveys of Musical Theater, Music Appreciation courses, and Popular Culture Surveys. This unique historical survey illustrates the interaction of multiple artistic and dramatic considerations with an overview of the development of numerous popular musical theater genres. This introduction provides more than a history of musical theater; it studies the music within the shows to provide an understanding of the contributions of musical theater composers as clearly as the artistry of musical theater lyricists and librettists. The familiarity of the musical helps students understand how music functions in a song and a show while giving them the vocabulary to discuss their perceptions.

Snapdragon Liesl Bradner, Phil Stern, 2018-05-31 The combat photography and wartime experiences of Phil Snapdragon. Stern, an iconic photographer of JFK, Marilyn Monroe, and James Dean, published for the first time and beautifully presented. Prior to Phil Stern's death on December 13, 2014, his original unfinished, tattered wartime memoir was discovered stashed away in an old folio box in his cluttered Hollywood bungalow. Best remembered for his iconic images, his remarkable service during World War II as a combat photographer with Darby's Rangers has remained largely unknown. Until now, Stern's catchy 1940s lingo, honest and intimate observations, and humor paired with his striking combat photography transport the reader 70 years back in time to meet the hardscrabble Rangers and experience some of the key battles of the Mediterranean Theater. Snapdragon is an artifact of that time, told not by a man reminiscing in his twilight years but by a young soldier fresh from the battlefields.
