Making Of Surgeon:

The Making of a Surgeon William A. Nolen, 1975-02-15 The Making of a Surgeon is the memoir of an apprentice It is William Nolen s story of his transformation from student to practitioner from a brash medical school graduate to a surgeon possessing skill and judgment And as in the best memoirs in the brilliant flash of his self discovery William Nolen illuminates the world outside himself

Confessions of a Surgeon Paul A. Ruggieri, MD, 2023-03-24 As an active surgeon over the last thirty years Dr Paul A Ruggieri has experienced and lived through the best and the worst of his profession In his first book Confessions of a Surgeon The Good the Bad and the Complicated he pushed open the operating room doors to give the public a startling view of what really went on inside the operating room In Confessions of a Surgeon A Deeper Cut Dr Ruggieri blows the operating room doors right off their hinges It cuts deeper into a profession even more mysterious than ever before He candidly shares his thoughts on the patients that have impacted his life the most He also exposes how surgeons including himself and the surgical profession have dramatically changed since the first time he nervously picked up a scalpel blade as a na ve surgical intern He explores how these changes have helped and hurt patients He also explores how these changes will continue to have a direct affect on anyone about to enter an operating room Ultimately Dr Ruggieri s passionate and candid account of his life inside a changing operating room will give his audience the power of transparency and truth

Difficult Decisions in Thoracic Surgery Mark K. Ferguson, 2014-06-16 The complexity of decision making in thoracic surgery is growing exponentially As new technology is introduced physicians from nonsurgical specialties offer alternative and competing therapies for what was once the exclusive province of the thoracic surgeon In addition there is increasing knowledge regarding the efficacy of traditional thoracic surgical therapies How to select among these varied and complex approaches is becoming increasingly difficult The first two editions of this book have found wide acceptance among practicing surgeons trainees and educators Chapters from them are regularly cited by the Thoracic Surgery Directors Association as valuable resources for their weekly curriculum exercises As in the first two editions chapters adhere to a specific format updated for the third edition This approach provides uniformity to the presentations making it possible to identify useful material at a glance
