Monasteries of Western Europe Wolfgang Braunfels,1980 **Monasteries of Western Europe** Wolfgang Braunfels,1980 The Description for this book Monasteries of Western Europe The Architecture of the Orders will be forthcoming Monasteries of Western Europe Wolfgang Braunfels,1972 **Abendländische Klosterbaukunst. Monasteries of Western Europe; the architecture of the Orders. (Translated by Alastair Laing.).** Wolfgang Braunfels,1972 **Early Medieval Architecture** R. A. Stalley,1999 Ranging from Gotland to Apulia Roger Stalley explores the richness and variety of European architecture in terms of the social and religious aspirations of the time with an emphasis on the symbolic significance these buildings expressed Written with style and humour the lively text includes many quotations from ancient sources providing fascinating insight into the way that medieval buildings were created and enlivening our knowledge of this period **Tradition as Mediation: Louis I. Kahn** Dana Margalith,2018-07-11 This book explores Louis I Kahn s approach to tradition as revealed in two of his important unbuilt projects Focusing on Kahn s designs for the Dominican Motherhouse of St Catherine de Ricci Media Pennsylvania 1965 1969 and the Hurva Synagogue Jerusalem Israel 1967 1974 the book challenges prevailing aesthetic and methodological assessments of Kahn s use of tradition It reveals how an authentic and critical theoretical historical and humanistic study of tradition nourished Kahn s designs enabling him to mediate historical rituals ideas and beliefs and to develop innovative designs rooted deep in human culture while addressing real modern concerns The book evaluates Kahn s works as a creative recreation and re interpretation of the past shedding light on the potential value of the meaningful consideration of tradition in modern times Eastern Medieval Architecture Robert G. Ousterhout,2019-08-26 The rich and diverse architectural traditions of the Eastern Mediterranean and adjacent regions are the subject of this book including the social and cultural developments of the Byzantine Empire the Caucasus the Balkans and Russia as well as parallel developments in Crusader and early Islamic architecture **The Medieval Cloister in England and Wales** John McNeill,2017-12-02 This dedicated volume of the Journal of the British Archaeological Association draws together ten papers which collectively explore something of the art and architecture styles and uses of the medieval cloister in England and Wales Contributors consider the continental context cloisters in English palaces Benedictine and Augustinian cloister arcades in the 12th and 13th centuries architecture and meaning in Cistercian east ranges late medieval vaulted cloisters in the West Country cloisters at the cathedrals of Old Sarum Canterbury and Lincoln and assess the extent to which the cloister bosses at Norwich cathedral priory reflect contemporary religious politics The volume also contains an extended consideration and gazetteer of all Cistercian cloisters in England and Wales *A Companion to Medieval Art* Conrad Rudolph,2011-09-07 A Companion to Medieval Art brings together cutting edge scholarship devoted to the Romanesque and Gothic traditions in Northern Europe Brings together cutting edge scholarship devoted to the Romanesque and Gothic traditions in Northern Europe Contains over 30 original theoretical historical and

historiographic essays by renowned and emergent scholars Covers the vibrancy of medieval art from both thematic and sub disciplinary perspectives Features an international and ambitious range from reception Gregory the Great collecting and pilgrimage art to gender patronage the marginal spolia and manuscript illumination *The External School in Carolingian Society* Hildebrandt,2021-09-20 This study explores one means of imparting Latin literacy in early medieval society the so called external school often presumed to have been a common feature of medieval monastic education It questions the prevalence of this institution and whether the external school can be used as evidence of relatively widespread literacy among the non clerical Carolingian population in particular By precisely defining and chronicling external schooling M M Hildebrandt invites the reader to reconsider conventional notions about the nature of the Carolingian educational program The author examines the intention of monastic founders and writers regarding education the effects of missionary activities on the religious training of non monks the attempts made by royal and ecclesiastical leaders to rationalize external schooling and the impact of ninth century political and economic turmoil on the development of this institution The scope of this book makes it of interest as a contribution to the current debate concerning the character of medieval literacy as well as a source book for the study of early medieval monastic education *Architecture and Cultural Continuity* Christian Frost,2025-02-06 Architecture and Cultural Continuity explores a dynamic way of viewing architecture arguing that all architecture is best evaluated through active experiences in relation to cultural traditions of community and belonging space ritual and setting A work in three parts the book first analyses in depth the Festival of San Giovanni in Florence an annual series of celebrations involving the entire city Tracing its history from its Roman origins via the Renaissance through to contemporary times this case study is used to explore ideas of continuity and tradition and how these shape and are shaped by architecture and the city Part 2 gathers theoretical tools from philosophy anthropology and performance studies to offer a framework for the appraisal of architecture whether engaged in festival or simply part of the background to everyday life as experience rather than form The final part presents historic and contemporary case studies to explain the theory in practice from Lord Leighton s House in London to Beit Beirut in Lebanon and from Salisbury s medieval Chapterhouse to the contemporary Australian Parliament building Written for architectural theorists historians and designers alike this book will allow the reader to assess architecture in a way that re addresses aspects of history often obscured by post enlightenment thinking and reveals an architecture rooted in cultural traditions better able to contribute to the diverse communities of the future *Life Inside the Cloister* Thomas Coomans,2018-05-17 Sacred architecture as reality and metaphor in secularised Western society Christian monasteries and convents built throughout Europe for the best part of 1 500 years are now at a crossroads This study attempts to understand the sacred architecture of monasteries as a process of the tangible and symbolic organisation of space and time for religious communities Despite the weight of seemingly immutable monastic tradition architecture has contributed to developing specific religious identities and played a fundamental part in the reformation of different forms of

religious life according to the changing needs of society The cloister is the focal point of this book because it is both architecture a physically built reality and a metaphor for the religious life that takes place within it Life Inside the Cloister also addresses the afterlife and heritagisation of monastic architecture in secularised Western society

Urban Design in Western Europe Wolfgang Braunfels, 1990-01-15 What makes a city endure and prosper In this masterful survey of a thousand years of urban architecture Wolfgang Braunfels identifies certain themes common to cities as different as Siena and London Munich and Venice Braunfels describes scores of cities classifying them as cathedral cities city states imperial cities maritime cities ideal cities those towns which planned by often absent rulers for a specific purpose failed to develop independent lives Lavishly illustrated with city plans bird s eye views early renderings and modern photographs Urban Design in Western Europe will both delight and instruct architects urban planners historians and travelers Page 4 of cover

Mendicants, Military Orders, and Regionalism in Medieval Europe Jürgen Sarnowsky, 2021-12-24 The new religious orders of the 12th and 13th centuries the military orders and the mendicants were established as international orders Yet they were inevitably dependent on regional and local conditions for recruitment and finance and could not escape involvement in the power structures whether secular or ecclesiastical of the areas in which they were based This book examines the tensions that arose from this and how they evolved and were manifested It looks in particular at the orders early expansion and at the special conditions that applied in frontier regions notably those in Northern and Central Europe which have typically been less well studied

The Carolingian World Marios Costambeys, Matthew Innes, Simon MacLean, 2011-05-12 At its height the Carolingian empire spanned a million square kilometres of western Europe from the English Channel to central Italy and northern Spain and from the Atlantic to the fringes of modern Hungary Poland and the Czech Republic As the largest political unit for centuries the empire dominated the region and left an enduring legacy for European culture This comprehensive survey traces this great empire s history from its origins around 700 with the rise to dominance of the Carolingian dynasty through its expansion by ruthless military conquest and political manoeuvring in the eighth century to the struggle to hold the empire together in the ninth It places the complex political narrative in context giving equal consideration to vital themes such as beliefs peasant society aristocratic culture and the economy Accessibly written and authoritative this book offers distinctive perspectives on a formative period in European history
