Paul Stevens,Clive Lim,2021-01-26 A guide to investing in heaven and being rich toward God Christians often hesitate to talk about money in spiritual contexts but in the gospels Jesus talks more about money than about religious topics like prayer and heaven Money Matters advocates following Jesus s lead in engaging with matters of economy and finance in a

faith driven way in both our individual and our corporate lives The authors draw on their contrasting life experiences to offer a well rounded look at money in the twenty first century Paul Stevens who grew up well off in Canada and worked as a carpenter a banker and later a pastor and professor of theology finds a complementary voice in Clive Lim who grew up without money in Singapore and now works there as an entrepreneur and head of a family investment firm With frequent scriptural references Stevens and Lim offer insight into navigating the economic systems of today aiming to help individuals churches and societies become faithful stewards who store up treasures in heaven by investing in the kingdom of God Money Matters is a comprehensive yet accessible guide to integrating one s faith with one s approach to money Just as the Bible variously treats money as a blessing a sacrament and a problem so do Stevens and Lim approach this matter judiciously avoiding the prosperity gospel on one side and the demonization of material wealth on the other Capitalism is treated as what it is a system that has created widespread opportunity and relieved poverty for millions while also exacerbating the gap between the haves and the have nots The authors wisdom is at turns theological historical and practical and always focused on what it means to live with faithful integrity in our contemporary global economy      **Your Money God's Way** Amie

Streater,2010-09-14 Readers discover the seven counterfeit convictions that keep them broke and encounter proven plans and for getting out of debt building wealth and finding financial peace      **The Holy Use of Money** John C.

Haughey,2006-02-10 This book is the companion piece to our economic times simply the best gathering of the Scriptures as an antidote to our mindless and self driven affluence I have seen We all need this book in our daily lives it will live with me Arthur Jones National Catholic Reporter Father Haughey challenges Christians on and off Wall St to see money not as a reward or protection or even necessity but as something quite simple and utilitarian a means of expressing their love for God Wall Street Journal Scholarly provocative and challenging this book will help its readers quit trying to serve God and Mammon Bishop William E McManus John C Haughey SJ is the editor of The Faith That Does Justice and author of Should Anyone Say Forever      **A Christian View of Money** Mark Vincent,Matthew M. Thomas,Zachary L. Vincent,2017-01-05

Money touches everything in our lives It communicates our values whether we want it to or not often simultaneously resulting in what we prefer and what we regret Those who wish to be thoughtful about how they reflect God s image in all things do well to think through what they believe about earning and using money This volume walks through a logical progression of how to think and act in regards to money and provides scores of scenarios for discussion and application

**Jesus and Money** Ben Witherington, III,2010-01-01 Widespread unemployment Record home foreclosures A vulnerable stock market Government bailouts In the wake of a sobering global recession many Christians realize they need to rethink their approach to money Here respected New Testament scholar Ben Witherington III explores what the Bible does and doesn t say about money He clearly and concisely examines what Jesus and his earliest followers taught about wealth and poverty money and debt and tithing and sacrificial giving to help readers understand the proper role of money in modern

Christian life Along the way he critiques the faith promise and health and wealth approaches to these issues showing what good stewardship of God's possessions really looks like Church study groups pastors church leaders students and all who are concerned about making sense of money in a world of economic uncertainty will value this book Understanding the Link Between Money and Spirituality Cryford Mumba, 2019-10-18 This is a religious book prepared specially for Christians so as to appreciate the relationship between money and spirituality It is a personal finance book covering all the tenets of managing money God has blessed you in a godly money The overriding aim is to help someone not to worship money but the True and Living God The book will immensely help you to master money as designed by God As you read this book open your heart to the leading of the Lord God so that at the end of it all His name will be honored and glorified About two thirds of Jesus parables deal with money or material possessions Over 2300 biblical passages refer to money or material possessions There are only about 500 on prayer and less than 500 on the subject of faith Surely if God gives it this much emphasis we need to take the subject seriously Finances are a spiritual battleground Money is the god of the world It is everywhere worshipped The love of money is the controlling factor in most lives Money is deceitful It is a lying lord whom the world serves You cannot serve God and money for money is the image of a rival god We need to be wise about money Yes use money do not avoid it do not evade it and do not pretend it is beneath you That is unspiritual On the other hand do not make it your god My primary aim being to offer you dear readers new ideas new ways of looking at the subject of money This book will not teach you any specific formula Instead it will teach you how to learn and what to learn **Right on the Money** Kelvin Worthington, 2009 Personal finances can be an area of people's lives that if not handled well can cause much stress and hardship to individuals and their families It is an area that it is easy to get wrong and can be very daunting and complex Christians are not exempt from these issues As Christians we fail to please God if we are less than a faithful steward of all that he has entrusted to us This includes our dealings with money and finance If we as Christians are to set an example to the world and be salt and light in our secular society we need to demonstrate good stewardship and behaviours in every area of our life including the way in which we handle our personal finances As Jesus says If then you have not been faithful in handling worldly wealth how can you be trusted with true wealth Luke 16:11 This therefore is a book about personal finances that is practical rather than academic a book that ordinary Christians can read and understand and that unravels some of the mystique concerned in this area It also shows how the Bible provides us with practical teaching and guidance This book will help Christians and others with some general guidance and principles that if followed will help you keep your personal finances under control It will also help Christians understand their special responsibilities in the area of personal finances and what Holy Scripture has to say and teach us for how we handle and deal with our personal finances is a major part of the day to day practical outliving of our faith To that end this book deals with subjects such as budgeting debt retirement planning investing tithing shares gambling life insurance what to do with material blessings and being responsible with

money     *Rich In Heaven* Chris Mackey,2020-04-19 Don t settle for less than the Kingdom You know what you need to do Make more Spend less Get on a budget Pay down debt Invest for the future Oh and tithe don t forget to tithe If we re really holy we ll take our money goals and ask God to bless them His plan for us is to prosper right Rich in Heaven dares to ask what comes next for the First World Christian inviting you on a biblical journey exploring the stance Jesus takes on the almighty dollar Chris Mackey is down to earth humorous and thought provoking going beyond economic principles to tackle the topic of wealth from a heavenly perspective What does your financial outlook say about your God This expos on the true riches of faithful stewardship doesn t let anyone off the hook addressing how to manage prosperity in light of the Gospel You will discover the currency of the Kingdom what the Bible really says about wealth and what it will look like when you re Rich in Heaven     Understanding the Link Between Money and Spirituality Dr. Cryford Mumba PhD,2019-10-18 This is a religious book prepared specially for Christians so as to appreciate the relationship between money and spirituality It is a personal finance book covering all the tenets of managing money God has blessed you in a godly money The overriding aim is to help someone not to worship money but the True and Living God The book will immensely help you to master money as designed by God As you read this book open your heart to the leading of the Lord God so that at the end of it all His name will be honored and glorified About two thirds of Jesus parables deal with money or material possessions Over 2300 biblical passages refer to money or material possessions There are only about 500 on prayer and less than 500 on the subject of faith Surely if God gives it this much emphasis we need to take the subject seriously Finances are a spiritual battleground Money is the god of the world It is everywhere worshipped The love of money is the controlling factor in most lives Money is deceitful It is a lying lord whom the world serves You cannot serve God and money for money is the image of a rival god We need to be wise about money Yes use money do not avoid it do not evade it and do not pretend it is beneath you That is unspiritual On the other hand do not make it your god My primary aim being to offer you dear readers new ideas new ways of looking at the subject of money This book will not teach you any specific formula Instead it will teach you how to learn and what to learn     Treasure in Heaven Virgil Vogt,2007-02-01 Where is your treasure The scriptural teaching about money is clear radical and uncompromising and at odds with the practice of most people This presents an uncomfortable question do we change our lives in accordance with Scripture or do we change Scripture to fit our lives Virgil Vogt argues that we undermine Scripture s authority when we disregard its teaching about wealth or when we conclude that such teaching cannot be applied in a complex modern economy The Bible Vogt says is still the best guide to economic life Scripture teaches a consistent word about our possessions we are to use the things we have to gain eternal riches This teaching coupled with the principle of stewardship should govern our economic lives But it takes courage along with genuine faith and a single minded determination to live according to the Bible s standard in this area Treasure in Heaven offers a challenge for all Christians who want to bring their finances into line with God s Word     *Managing God's Money* Randy Alcorn,2011 Jesus

says more about how we are to view and handle money and possessions than about any other topic including both heaven and hell Alcorn breaks down exactly what the Bible has to say about how we are to handle our money and possessions in a simple easy to follow format     12 Things Jesus Said about Money B&H Editorial Staff,2016-12-01 Money is something we handle every day But how deeply does the Bible inform what we do with it If we truly want to honor the Lord in how we use it should we be giving most of it away Is money basically a necessary evil a constant temptation in our pocket Are we wrong for wanting to take vacations with our families for example when we could be giving that money to others in need Instead of just letting you read up on the answers to questions like these this book presents them in a richly informative and inspiring devotional experience As you daily explore 12 Things Jesus Said about Money you ll be learning and reinforcing new convictions each of them grounded in what Jesus Himself taught Not only will it clear up misconceptions or conflicting messages you may have heard over the years it will help you express these same truths to your children incorporate them into your ongoing decisions and enjoy a new measure of freedom in your financial life     What the Bible Really Says about Money and Giving Mike Davis,2022-08-02 Ever wonder if as a Christian it s OK to be rich Or how much should you really be giving each month Believe it or not God s Word written over 2 000 years ago provides specific answers to these questions and many others impacting our everyday financial decision making In fact the Bible deals more with financial issues than any other more than prayer more than faith more than sin Maybe more astounding in Jesus teachings the proper view of money was front and center as 70% of His major parables utilize financial concepts and the whole point of 25% of them or 1 in every 4 is how to properly handle or use money Yet sadly other than sermons on giving so little of God s wisdom on this all important topic is taught from the pulpit Even more discouraging is that the sermons on giving often misrepresent the guidance His Word clearly provides So if your desire is to both understand and implement God s timeless wisdom on financial issues this book is for you As the late Billy Graham once said If a person gets their attitude toward money straight it will help straighten out almost every other area in their life     *What the Bible Says about Money* Larry Burkett,1989     *Christians and Their Money* Richard Baland,A. H. Barbee,2006-02-08 This book covers every question relating to Christians and their money It details a step by step approach to establishing and following priorities For example giving food clothing and building your business are the first priorities Transportation insurance medical care shelter or housing and retirement come next in the priority list There is a chapter on getting out of debt and one each on saving and investing Finally there are questions and answers listed at the end Richard Baland is an experienced Chief Financial Officer and has taught groups in the area of Biblical Finance since 1982 The concepts in this book along with the priority setting model will help anyone follow Biblical principles in managing money Dr Barbee is a retired pastor radio bible teacher and has authored a dozen books He has earned a Ph D and two Master s degrees He is also the founder and director of Messenger Ministries     **It's Your Money Isn't It?** G. Edward Reid,1993 What you are about to discover in this book will be new to many readers very new To

some the principles will seem radical They will even appear foolish to a non Christian I have written this book for those who have accepted Jesus Christ as their Saviour and are seeking to make Him Lord of their lives as well The materialistically oriented cannot fathom that it really is more blessed to give than to receive and that life does not consist in the abundance of our possessions This book will illustrate the importance of these principles

**Money in Marriage System** Larry Burkett, Mike Taylor, 1999-10 Blending and sharing money with one s spouse is probably the most challenging aspect of marriage It can be so destructive to a relationship or it can be a source of closeness It s your choice Since money is an interwoven part of the marriage commitment couples must learn and apply what God has to say about money in marriage That s why author speaker and syndicated radio host Larry Burkett has created the Money in Marriage System Each Money in Marriage System includes CD ROM individual personality assessments interactive budget and interactive question and answer session with Larry Burkett Audio cassette entitled Honey Let s Talk Audio cassette entitled Taking Charge of Your Credit Card Two workbooks one for each partner Facilitator s Guide to assist pastors counselors and small group leaders The Money in Marriage System is an essential tool for any couple whether just starting out or looking to shore up this crucial area of marriage Seek God s Will for your fiances and you will surely be blessed
