Monkeys And Midgets:

Declensions of the Self Jean-Jacques Defert, Trevor Tchir, Dan Webb, 2009-10-02 This work is a collective reflection on the modern self as a narrative Modernity as a metamorphic conglomeration of permeating discourses new practices and institutional forms a historical unfolding of centrifugal and centripetal discursive dynamics of regulation and normalization offers limitless grounds for a critical investigation The modern self both as the revelation of the inner self and as a reflection of the collective arises from the dialogical interplay within the intersubjective communicative space of social discourse The bestiary proposed in this series of articles attempts to rethink the spectacle consisting of modern dichotomies by which the self is declined along ontological metaphysical and ethical premises the real and the ideal the said and the unsaid the rational and the irrational the bound and the free the familiar and the exotic the universal and the particular self and world The reader is therefore encouraged to engage in a multiple reading of the articles presented in this collection As individual scholarly pieces of inquiry these articles provide thoughtful insights into the inexhaustible topic of modernity and the modern subject they tell stories of the past the present and of a prospective future As academic works however they also reflect and or unsettle disciplinary paradigms and scholarly practices from which they acquire legitimacy and visibility they conform apply reconfigure and or experiment with new grounds by borrowing from an eclectic mix of various thinkers their tools and their axiomatic propositions that constitute their theoretical and critical apparatus This exercise is ultimately an introspective journey in which we are placed not only as the spectator the one who gazes through the bars but also the spectacle the beast subject to the gaze finding itself in a predicament of which the subject itself is the architect Dork Evan Dorkin, 2018-07-31 From the multi Eisner award winning creator of Milk and Cheese and Beasts of Burden comes this collection of his cult humor comic anthology Comprising years of black humor stories about a living voodoo doll a serial killer sitcom truly real live sex a disco skinhead an urbane devil puppet classic works of literature acted out by Fisher Price toys and more absurdity this is a must have for Dorkin fans Featuring most of the Dork comic run as well as the 2012 full color House of Fun special along with rarities extras a cover gallery and a newly drawn introduction **Monkeys & Midgets Ultimate Edition** Mike Gagnon, 2016-05-05 Together for the first time the wonderful graphic novel tale of a bankrupt midget wrestling league that battles apes in the ring to cash in on the publicity along with the original script and character notes created by the author 1 2 3 It s over That s the last thing that any wrestler wants to hear but the most exciting part for the fans But wait this is no ordinary wrestling graphic novel no not at all When the empire wrestling league falls upon hard times the crooked management team decides that the only way to keep from going out of business is to force their luchadores to battle untrainable apes in the ring All out chaos and hilarity ensue When the primates get out of control the masked wrestlers are frazzled to their last nerve The greedy owners make one last play that may just push the wrestlers over the edge A great read for wrestling fans monkey fans or those who just like to laugh **The Aeroplane** , 1929 Choosing Employees by Mental
