Monopolies In America The Bigness Of Business And The Business Of Bigness:

The Titans of Takeover Robert Slater, 1999 The story told in The Titans of Takeover is that of the corporate raiders the men who in the 1980s discovered great financial opportunities in seizing control of someone else's business often at bargain prices With millions of dollars at stake these raiders aroused massive public attention and depending on point of view were for a while either the villains or the saviors of American business The book looks not only at the raiders but also at other featured players in the takeover game the investment bankers attorneys and arbitragers Profiled in these pages are the leading figures in the American takeover field including T Boone Pickens Carl Icahn Saul Steinberg and Ted Turner as well as such behind the scenes personalities as lawyers Martin Lipton and Joseph Flom investment bankers Joseph Perella and Bruce Wasserstein and arbitrager Ivan Boesky Book jacket

The 5 Big Lies About American Business Michael Medved, 2009-12-01 WHY FEEL EMBARRASSED BY BUSINESS Every American benefits every day from the phenomenal productivity of the free market so why do so many people feel guilty or skeptical about our business system In this passionately argued eye opening book talk radio star and bestselling author Michael Medved provides detailed and devastating rebuttals to the most widely circulated smears against capitalism MYTH Big business is bad small business is good TRUTH Every big business began life as a small business and every small business today yearns for enough success to become a big business tomorrow For some products like cars or electrical power little companies can't benefit their workers or customers as reliably as huge corporations MYTH Business executives are overpaid and corrupt TRUTH Top leaders will always command top dollar and a company can't limit executive pay without limiting its access to talent Ferocious long term competition in the corporate world ultimately rewards focus and hard work not short cuts and corruption MYTH You can count on better treatment from the government than from business TRUTH If a private company deals with you poorly you can take your business elsewhere But with the government's power you get only two choices compliance or jail Medved responds to business bashing lies with the slashing wit irrefutable facts fascinating historical nuggets illuminating anecdotes and liberating clarity that made him one of the top ten talk radio hosts in the United States This audacious and urgently needed book provides energy and inspiration for a beleaguered free market system poised for its unstoppable comeback

Marxism's Strategy for Destroying America Rick Joyner, 2021-10-01 Marxism is the most evil deadly totalitarian philosophy of government in history Marxist governments are estimated to have murdered more than 100 million of their own citizens to purge even potential non conformists just in the 20th century Yet Marxist propaganda is widely lauded and promoted in American schools and universities by the media entertainment and even representatives in our own government This book exposes how this is being done and how Marxism does the opposite of its propaganda which has captured so many of our youth It also covers the 45 point plan of Marxism for taking over America which is now in its final stages and how it can still be defeated *David E.
