monster investigation and magical self defence This latest edition not only has a new chapter on tulpas but the chapters on vampires and chimeras are significantly expanded with new material Plus the section on monster investigation has been thoroughly updated with details on new technology and the approach of the media to monster hunting **Science, Technology and Magic in The Witcher** Kristine Larsen,2023-02-02 As Andrzej Sapkowski was fleshing out his character Geralt of Rivia for a writing contest he did not set out to write a science textbook or even a work of science fiction However the world that Sapkowski created in his series The Witcher resulted in a valuable reflection of real world developments in science and technology As the Witcher books have been published across decades the sorcery in the series acts as an extension of the modern science it grows alongside This book explores the fascinating entanglement of science and magic that lies at the heart of Sapkowski s novel series and its widely popular video game and television adaptations This is the first English language book length treatment of magic and science in the Witcher universe These are examined through the lenses of politics religion history and mythology Sapkowski s richly detailed universe investigates the sociology of science and ponders some of the most pressing modern technological issues such as genetic engineering climate change weapons of mass destruction sexism speciesism and environmentalism Chapters explore the unsettling realization that the greatest monsters are frequently human and their heinous acts often involve the unwitting hand of science **Monsters in Society** Rebecca Merkelbach,2019-11-05 Dragons giants and the monsters of learned discourse are rarely encountered in the Sagas of Icelanders and therefore the general teratological focus on physical monstrosity yields only limited results when applied to them This however does not equal an absence of monstrosity it only means that monstrosity is conceived of differently This book shifts the view of monstrosity from the physical to the social accounting for the unique social circumstances presented in the slendingas gur and demonstrating how closely interwoven the social and the monstrous are in this genre Employing literary and cultural theory as well as anthropological and historical approaches it reads the monsters of the slendingas gur in their literary and socio cultural context demonstrating that they are not distractions from feud and conflict but that they are in fact an intrinsic part of the genre s re imagining of the past for the needs of the present **Mesmerists, Monsters, and Machines** Martin Willis,2006 Using key canonical science fiction narratives Mesmerists Monsters and Machines examines the intersection of the literary and scientific cultures of the 19th century **Speaking of Satan in Zambia** Johanneke Kroesbergen-Kamps,2023-03-01 In this book it is argued that narratives about Satanism which have become popular in the Christian context of Zambia from the 1990s onwards make cultural sense because of their links to traditional African notions as well as contemporary Christian theologies These narratives also resonate with unease regarding the cultural change which is connected by Zambians to modernity Narratives about Satanism further make personal sense to their narrators the pastors who provide a platform for them and their audiences These arguments contribute to the academic study of religion in Africa in particular of African Christianity and of witchcraft related phenomena as well as to the global

study of discourses on Satanism and other conspiracy theories All of these disciplines are related to the topic of Satanism in Zambia but the phenomenon itself has not been discussed at length which makes the existing academic literature incomplete and inadequate The comprehensive focus on the case of narratives about Satanism in Zambia offers new insights and enhances current theoretical reflection The research presented in this book is original carried out during fieldwork spanning from 2012 to 2017 in Zambia and literature study in the years after that Methodologically the research is based on participant observation in churches in which testimonies of ex Satanists were presented as well as participation in the Fingers of Thomas a Roman Catholic group which investigates rumours about Satanism Furthermore it is based on interviews with pastors and students of theology active in the deliverance ministry from Pentecostal as well as mainline churches and also on interviews with people who have had experiences of Satanism Finally the research is based on an analysis of collected testimonies of ex Satanists as they were presented in these interviews in churches on radio programmes in newspapers and in other sources
