My Summer in a Garden , 1912 **My Summer in a Garden** Charles Dudley Warner, 1876 My Summer in a Garden Charles Dudley Warner, 1888 My Summer in a Garden Charles Dudley Warner, 2018-08-07 My Summer in a Garden Large Print By Charles Dudley Warner INTRODUCTORY LETTER MY DEAR MR FIELDS I did promise to write an Introduction to these charming papers but an Introduction what is it a sort of pilaster put upon the face of a building for looks sake and usually flat very flat Sometimes it may be called a caryatid which is as I understand it a cruel device of architecture representing a man or a woman obliged to hold up upon his or her head or shoulders a structure which they did not build and which could stand just as well without as with them But an Introduction is more apt to be a pillar such as one may see in Baalbec standing up in the air all alone with nothing on it and with nothing for it to do But an Introductory Letter is different There is in that no formality no assumption of function no awkward propriety or dignity to be sustained A letter at the opening of a book may be only a footpath leading the curious to a favorable point of observation and then leaving them to wander as they will We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience *My Summer in a Garden ...
