My Toybox Mirror:

My Toybox Mirror Book Andy Everitt-Stewart, 2006 Devil's Toy Box Joni Mayhan, 2015-02-20 There wasn't anything unusual about the house. At first glance it was as normal as any other house in the suburban central Massachusetts neighborhood. Small and blue it was shaped like a box with windows and doors. It was the type of house you might expect to find window boxes overflowing with brightly colored geraniums and a festive garden flag that said welcome. Nothing about it suggested it was haunted. Events would transpire over the next eleven years tearing our family apart and nearly stealing our souls. True paranormal story by the author of *Bones in the Basement* and *The Soul Collector* Tommy's Toy Box Tom Lynch Jr., 2021-08-06 Tommy's Toy Box By Tom Lynch Jr. Tommy's Toy Box is a book about a man who has lived his life with honesty, integrity, and courage and has found out that over the rainbow is more than a fanciful story. And now enjoying his life's destination, he gets to see some old friends as well as make new ones as he goes along his happy way Children Are Little Mirrors James Laury Sr., 2009-02-13 This book *Children are little Mirrors* is a compilation of ideas and processes used by over 30 thirty Grandmothers. There were many Saturday night brainstorming sessions with the assistance of a couple of secondary and elementary Educators expressing numerous accounts in the classroom. I wish that I could take credit for some of these imaginary ideas expressed in this book. However, I have used these methods raising my own children and others, and they work. You can put them to practice too. There are many influences which effect the development of a child. The old folklore that It takes a Village to raise a child has a lot of truth to it. Especially if those Villagers can help by injecting POSITIVE into that child's growth. Raising a child can be a pleasant and fun experience yet at times very challenging for both the parent and the child. Hopefully this book can provide a few inside tips which will help make your parenting adventure both rewarding as well as enjoyable. It always helps when you understand WHY something is happening instead of reacting to a surprise happening. For example, If you know ahead of time that you have an old worn out fuse in your refrigerator. Then suddenly all the electricity in your refrigerator goes out. No need to panic. No need to think horrific thoughts, to yell, to get upset, nor thinking of the cost of buying a new refrigerator because you know that it is the fuse. You can relax and think clearly. Simply replace that fuse and the problem is solved. You becoming a wiser Parent has already purchased a replacement fuse for this very event when it does fail or go out. So you were prepared for the problem and reacted properly. Hopefully this book will give you some, not all, advance insights on things and events to watch out for, be aware when raising your child. So you can be little better prepared and you can react properly. Remember, Nothing, nothing, Is more important than the way that you React to it *I Do, Do You?* Toyin Adekale, 2010-05-24 *I Do, Do You?* is a fictional book that takes you on the challenging journeys of 4 individuals. As they come across life's hurdles of cancer, bereavement, peer pressure, street life, unemployment, and economic crisis, they have to face a reality and make some choices. You may know someone in this book or it may be you. The titles are Chapter 1 It's Not Over Til It's Over Chapter 2 In The Name of the Father Chapter 3 Home is Where The Heart Is Chapter 4
