A Haunted Soul Jason Dowd, 2012-04-09 Jason Dowd is a gifted artist and photographer who faced issues while growing up that not only challenged his beliefs but his own sanity. He has always had a special gift that attracts the paranormal to him. Since the age of six, Jason has been able to communicate with the dead. From the very beginning, though, he feared that others would see the things he saw, and as a result, he became a recluse. The worst time was in 1993 when a fierce demonic entity started to terrorize him throughout each night. Sick of the torture and beatings that came from this evil entity, Jason stood up to the demon and sent it back to where it came from. He was only fourteen at the time, and he was amazed at how easy it was to make the demon leave. He had no idea how well protected he was from beyond the grave. The walls would come crashing down before him in 2010 when he was 31. All that he went through was explained to him, and he was exposed to one of the most beautiful angels he could ever imagine.
