A Leaf In The Bitter Wind Ting-Xing Ye, 2012-07-31 One of the best ways to understand history is through eye witness accounts Ting Xing Ye s riveting first book A Leaf in the Bitter Wind is a memoir of growing up in Maoist China It was an astonishing coming of age through the turbulent years of the Cultural Revolution 1966 1974 In the wave of revolutionary fervour peasants neglected their crops exacerbating the widespread hunger While Ting Xing was a young girl in Shanghai her father s rubber factory was expropriated by the state and he was demoted to a labourer A botched operation left him paralyzed from the waist down and his health deteriorated rapidly since a capitalist s well being was not a priority He died soon after and then Ting Xing watched her mother s struggle with poverty end in stomach cancer By the time she was thirteen Ting Xing Ye was an orphan entrusted with her brothers and sisters to her Great Aunt and on welfare Still the Red Guards punished the children for being born into the capitalist class Schools were being closed suicide was rampant factories were abandoned for ideology distrust of friends and neighbours flourished Ting Xing was sent to work on a distant northern prison farm at sixteen and survived six years of backbreaking labour and severe conditions She was mentally tortured for weeks until she agreed to sign a false statement accusing friends of anti state activities Somehow finding the time to teach herself English often by listening to the radio she finally made it to Beijing University in 1974 as the Revolution was on the wane though the acquisition of knowledge was still frowned upon as a bourgeois desire and study was discouraged Readers have been stunned and moved by this simply narrated personal account of a 1984 style ideology gone mad where any behaviour deemed to be bourgeois was persecuted with the ferocity and illogic of a witch trial and where a change in politics could switch right to wrong in a moment The story of both a nation and an individual the book spans a heady 35 years of Ye s life in China until her eventual defection to Canada in 1987 and the wonderful beginning of a romance with Canadian author William Bell The book was published in 1997 The 1990s saw the publication of several memoirs by Chinese now settled in

North America. Yes was not the first yet earned a distinguished place as one of the most powerful and the only such memoir written from Canada. It is the inspiring story of a woman refusing to drift with the stream and fighting her way through an impossible unjust system. This compelling heart wrenching story has been published in Germany, Japan, the US, UK and Australia where it went straight to 1 on the bestseller list and has been reprinted several times. Dutch, French and Turkish editions will appear in 2001.
