The Myra Breckinridge Cookbook Howard Austen, Beverly Pepper, 1970 The Dead Celebrity Cookbook Frank DeCaro, 2011-10-03 Put the kitsch back into the kitchen with this cookbook packed with recipes and profiles of some of your favorite dead celebrities Lustful Appetites Rachel Hope Cleves, 2024-11-18 We take the edible trappings of flirtation for granted chocolate covered strawberries and romance oysters on the half shell and desire the eggplant emoji and a suggestive wink But why does it feel so natural for us to link food and sexual pleasure Rachel Hope Cleves explores the long association between indulging in good food and an appetite for naughty sex from the development of the Parisian restaurant as a place for men to meet with prostitutes and mistresses to the role of sexual outlaws like bohemians new women lesbians and gay men in creating epicurean culture in Britain and the United States Taking readers on a gastronomic journey from Paris and London to New York Chicago and San Francisco Lustful Appetites reveals how this preoccupation changed the ways we eat and the ways we are intimate while also creating stigmas that persist well into our own twenty first century

Categorically Famous Guy Davidson, 2019-06-18 The first sustained study of the relations between literary celebrity and queer sexuality Categorically Famous looks at the careers of three celebrity writers James Baldwin Susan Sontag and Gore Vidal in relation to the gay and lesbian liberation movement of the 1960s While none of these writers came out in our current sense all contributed through their public images and their writing to a greater openness toward homosexuality that was an important precondition of liberation Their fame was crucial for instance to the growing conception of homosexuals as an oppressed minority rather than as individuals with a psychological problem Challenging scholarly orthodoxies Guy Davidson urges us to rethink the usual opposition to liberation and to gay and lesbian visibility within queer studies as well as standard definitions of celebrity The conventional ban on openly discussing the homosexuality of public figures meant that media reporting at the time did not focus on his protagonists private lives At the same time the careers of these semi visible gay celebrities should be understood as a crucial halfway point between the era of the open secret and the present day post liberation era in which queer people celebrities very much included are enjoined to come out **The Later Diaries of Ned Rorem, 1961-1972** Ned Rorem, 2013-06-18 DIVDIV The esteemed American composer and unabashed diarist Ned Rorem provides a fascinating brazenly intimate first person account of his life and career during one of the most extraordinary decades of the twentieth century divDIV Ned Rorem is often considered an American treasure one of the greatest contemporary composers in the US In 1966 he revealed another side of his remarkable talent when The Paris Diary was published and a year later The New York Diary both to wide critical acclaim In The Later Diaries Rorem continues to explore his world and his music in intimate journal form covering the years 1961 to 1972 one of his most artistically productive decades divDIV divDIV The Ned Rorem revealed in The Later Diaries is somewhat more mature and worldly than the young artist of the earlier works but no less candid or daring as he reflects on his astonishing life loves friendships and rivalries

during an epoch of staggering sometimes volatile change Writing with intelligence insight and honesty he recalls time spent with some of the most famous and infamous artists of the era Philip Roth Christopher Isherwood Tallulah Bankhead and Edward Albee among others openly exploring his sexuality and his art while offering fascinating sometimes blistering views on the art of his contemporaries div div *Routledge Revivals: Homosexuality: A Research Guide (1987)* Wayne R.
