Unlike other legends of the era like Daniel Boone, Davy Crockett, and Kit Carson, Colter has remained elusive because he left not a single letter, diary, or reminiscence. [The McGlincy Killings in Campbell, California](#) Tobin Gilman, 2018-01-15. A comprehensive account of the cold case that still captivates the people of Campbell and Santa Clara County. On the morning of May 27, 1896, the peaceful township of Campbell awoke to shocking news. Six people were brutally murdered at the home of Colonel Richard P. McGlincy, one of the town's most respected citizens. The suspect, James Dunham, the colonel's son-in-law, fled the scene and disappeared into the hills of Mount Hamilton overlooking Santa Clara County. This heinous crime triggered a massive nationwide manhunt while investigators pieced together the details. Author Tobin Gilman examines the mind and motives of the killer, the sensational media coverage, and the colorful personalities associated with the protracted and unresolved pursuit of justice. Includes photos. The book includes parts of Campbell's history at the turn of the century, theories of what may have provoked the killings, and the manhunt that never led to Dunham's capture. *The Mercury News*.

**Summary of Stephen Brennan's *The Adventures of the Mountain Men*** Milkyway Media, 2024-01-25. Get the Summary of Stephen Brennan's *The Adventures of the Mountain Men* in 20 minutes. Please note: This is a summary, not the original book. *The Adventures of the Mountain Men* by Stephen Brennan chronicles the lives and exploits of trappers and explorers who played a pivotal role in the American West's fur trade and expansion. These rugged individuals, including the elite free trappers, were

instrumental as scouts and contributed to the growth of the West yet their historical recognition is often understated The book details the establishment and rivalry of the Hudson Bay Company and the Northwest Fur Company leading to their eventual merger     *The Buried Foundation of the Gilgamesh Epic* Daniel E. Fleming, Sara J. Milstein, 2010-02-16 The Akkadian Gilgamesh Epic perhaps the most famous of Mesopotamian literature has been considered the artistry of one author inspired by Sumerian tales Specialists have assumed that all the earliest evidence ca 1800 1700 BCE reflects this creative unity Deep contrasts in characterization and narrative logic however distinguish the central adventure to defeat the monster Huwawa from what precedes and follows it The Huwawa narrative stands on its own so that the epic must have been composed from this prior Akkadian composition Recognition of the tale embedded in the epic allows each block of material to be understood on its own terms Such literary historical investigation from contemporary texts is new to Assyriology and may produce important results when applied to other Mesopotamian writing The book is well written and tightly argued This makes it a first point of reference for anyone interested in the OB evidence for the Gilgamesh Epic Scott C Jones Covenant College
