Mysterious Visions:

Visions of Jesus Phillip H. Wiebe, 1998-11-05 Ernie Hollands a career criminal said Christ appeared to him in his cell in Millhaven Penitentiary Maria Martinez saw Jesus at a busy intersection in Miami Florida Rose Fairs was lying in bed one morning when the Venetian blinds opened and the head of Jesus materialized before her Were these people only imagining a figure that seemed life like or is there a chance that what they saw was in some way real This first critical study of contemporary visions of Jesus offers the intriguing accounts of thirty people most of them ordinary men and women without prior or subsequent experiences of this kind who remain mystified about their encounters Wiebe recounts each vision in vivid detail exploring why these individuals believe their visions were of Jesus and why they typically believe them to be objective happenings rather than hallucinations or dreams He regards the occurrences from perspectives as diverse as biblical scholarship and parapsychology concluding that they may well represent genuine religious experiences of a mystical character The fascinating nature of these visions and Wiebe s thoughtful evenhanded approach to each report add up to a book that will be provocative reading for skeptics and the faithful alike

Two Esdras Bruce W. Longenecker, 1995-01-01 Some of the greatest moments of religious history have occurred when a poignant experience or event flies in the face of the traditional theological worldview cherished by an individual or society A fascinating case study of one such occurrence lies open in the text of 4 Ezra 2 Esdras 3 14 wherein a learned Jewish scribe of the first century CE rethinks his inherited theological views concerning a transcendent creator who is powerful loving and just This guide introduces the reader in a non technical but informed manner to the text of 4 Ezra locating it in its historical theological and social setting reviewing interpretive approaches and demonstrating how the author boldly struggles to understand God s grand reputation in the light of a world out of joint The guide also examines 4 Ezra s influence within the Christian Church and introduces the historical situations and theologies of the Christian texts 5 Ezra 2 Esdras 1 2 and 6 Ezra 2 Esdras 15 16

 non sectarian discerning intelligent foundational WHY SHOULD YOU OBTAIN THIS BOOK 1 No other book like it in content
 and perspective of which I am aware 2 It is written to communicate profound truths in an understandable manner THE
 PRIORITIES OF THE BOOK 1 God Himself 2 The eternal purpose of God 3 The relationship of Jesus Christ to that purpose 4
 The relationship of the Word of God to that purpose 5 The relationship of man to that purpose WHO WILL PROFIT FROM
 THIS BOOK Theologians Preachers Teachers believers anyone with a genuine interest in the Holy Bible Click here to go to
 brother Blakely s website THE OBJECTIVE OF THIS BOOK The objective that dictated both the subject and the content of
 this volume is the glory of God His kingdom like Himself is great and thus is apt to be perceived less clearly than is possible
 Because the kingdom of God involves His deliberate dealings with men it is of particular importance to them To neglect the
 kingdom is to neglect God Himself while to seek first the kingdom of God is to seek Him primarily We cannot think properly
 about God in separation from His kingdom It is related to His objectives His will and His person The law of God the grace of
 God the salvation of God all are resident in and associated with the kingdom of God Any concept of God or His kingdom that
 introduces contradictory thoughts or that mystifies God s person and work contributes to man s basic spiritual ignorance
 Such concepts obscure deity and thus constitute alienating influences My purpose is to elaborate upon that most worthy
 objective of the pure religion and sound doctrine to glorify God and to advantage men by clarifying the nature of God s
 kingdom and establishing the priority of an intelligently revealed religion as evidenced in the holy scriptures In earlier days
 in the U **Works** Isaac Disraeli,1863 **Spiritwalker** Hank Wesselman,2010-01-13 I am about to tell you a most unusual
 story a chronicle of something that happened to me while I was living on the flank of an active volcano on the island of Hawai
 i I m a scientist I mention this because I do not feel that I was in any way predisposed for what was about to occur In fact my
 scientific training would seem to have preprogrammed me against such an experience From Spiritwalker The astonishing
 true story of an anthropologist s quest into a spiritual world of magic mysticism and meaning Not since Castaneda s tutelage
 under the Yacui Indian guide Don Juan has there been a spiritual autobiography quite like Spiritwalker Hank Wesselman s
 incredible story of a series of encounters that would forever change his life began with what he at first tried to explain away
 as particularly vivid dreams but which grew increasingly intense and insistent ultimately propelling him on twelve fantastic
 journeys across time and space Over the next three years his journeys proved to be far more important than mere reason
 could explain Eventually Dr Wesselman became convinced that he d been granted a visionary encounter with what tribal
 people from millennia past have called the spirit world During his epic travels Dr Wesselman met shape shifting entities spirit
 helpers and guardians and found himself traversing a mental physical and spiritual landscape on a path intersecting that of a
 fellow traveler a Hawai ian kahuna mystic named Nainoa Five thousand years into the future Nainoa had been sent by his
 Chief on a journey into what used to be America a once powerful land of machines and magic from which no previous

voyagers had ever returned What did Nainoa seek from Dr Wesselman What did the anthropologist have to learn about his own world from this exotic traveler from another time and place Together scientist and mystic are initiated into knowledge of non ordinary levels of reality and given foreshadowings of imminent environmental political and spiritual challenges to their civilization Without abandoning his scientific objectivity Dr Wesselman abandoned himself to the mystical sometimes frightening yet always luminous experiences that brought him beyond the boundaries of ordinary consciousness The result is a fascinating and suspenseful adventure an exciting and important archeological discovery and the story of how a hard headed scientific realist stumbled on an important piece of the puzzle of human evolution Socially urgent and disturbingly prophetic Spiritwalker has a universal mythic resonance and an undeniable relevance for today as it challenges our perceptions of our world our reality and our future **Disraeli's Complete Works** Isaac Disraeli, Disraeli, 1881
