Scott Moreau,Gary R. Corwin,Gary B. McGee,2015-06-09 This bestselling textbook by leading missionary scholars offers an engaging introduction to the work of missions in the contemporary world It provides a broad overview of the biblical theological and historical foundations for missions It also considers personal and practical issues involved in becoming a missionary the process of getting to the mission field and contemporary challenges a mission worker must face Sidebars charts maps and numerous case studies are included This new edition has been updated and revised throughout and features a full color interior Additional resources for professors and students are available online through Baker Academic s Textbook eSources **Apologetics, Mission and New Religious Movements: A Holistic Approach** Philip Johnson,2010-07-11 It is this search for balance and his real desire to speak into living situations that sets Johnson s work apart from earlier studies of cults and new religions At the same time his work is innovative in other ways **Tough-minded Christianity** William A. Dembski,Thomas Schirrmacher,2009-03 Popular academic authors and scholars from John Ankerberg and J I Packer to Ravi Zacharias pay written tribute to the immensely influential work of living apologetics legend John Warwick Montgomery **Encountering Religious Pluralism** Harold Netland,2001-08-14 Harold Netland traces the emergence of the pluralistic ethos that challenges Christian faith and mission interacting heavily with philosopher John Hick and providing a framework for developing a comprehensive evangelical theology of religions *Beside Still Waters* Harold Kasimow,John P Keenan,Linda Klepinger Keenan,2003-06-15 A compelling question for people of faith today is how to remain committed to one s own religious tradition while being open to the beauty and truth of other religions Many who have broadened their experience profess to have developed a deeper understanding of and a deeper commitment to their tradition of origin This is what makes *Beside Still Waters* such a new and meaningful contribution Rather than offering research or lectures this book takes a deeply personal approach allowing the reader to delve into the individual experiences of fourteen Jews and Christians whose encounters with Buddhism have truly impacted their sense of religious identity *Beside Still Waters* upholds this point by way of the diverse and eloquent authors who lend their perspective in its pages These include Sylvia Boorstein John B Cobb Norman Fischer Ruben Habito and other important members of the Jewish Christian and scholarly communities as well as a foreword by Jack Miles Pulitzer Prize winning author of *God A Biography* Their anecdotes and interviews collected here amount to an unprecedented and enduring work sure to deepen our ability to understand each other and ourselves **A New Vision, a New Heart, a Renewed Call** David Claydon,2005 *Subject Guide to Books in Print* ,1997 *Pursuing*
