Children's Books in Print R R Bowker Publishing, Bowker, 1999-12 **The Mysterious Twin** Leona Karr, 2014-10-15 A
DOUBLE DECEPTION Masquerading as a nanny for her glamorous twin sister went against Ashley Camdon's prim and proper nature. The quiet academic lived life on the sidelines but her sibling's simple request now put her life in danger and her heart on the line when she met her employer's darkly handsome retainer Kyle Stone. An undercover agent, Kyle's orders were to keep close tabs on the new nanny who was implicated in an illegal scam. Yet nothing about this quiet beauty fit her high living profile. When passion flared between them, her honest kisses exposed their lies. And made him see that the only life he now wanted was with her. Double Exposure Donald MacKenzie, 1968
