Trumpocalypse Paul McGuire, Troy Anderson, 2018-01-02 From the authors of the international bestseller *The Babylon Code* comes an explosive exposé of the chilling truth about the fierce opposition to the Trump presidency and why the globalist elite and Deep State will stop at nothing assassination military coup staged economic collapse or worse to overthrow him *Trumpocalypse* It's the media coined meme inciting panic and fear that America has elected an unstable man who will barge into delicate international affairs like a bull in a china shop and incite nations bent on America's destruction to trigger World War III an unprecedented nuclear apocalypse ending the world as we know it But is the media telling us the truth No say internationally recognized prophecy expert and Fox News and History Channel commentator Paul McGuire and Pulitzer Prize nominated investigative journalist Troy Anderson America's most insidious enemies are not hostile nations they are elite globalists the Establishment that is making the 1 percent even richer while working and middle class people watch their incomes and net worth's flatline or plummet The authors fearlessly expose the globalist elite's secret plan for humanity and campaign of mass deception Using documentation gleaned from years of journalistic investigation and extensive interviews with over fifty of the world's most respected geopolitical economic and military affairs experts faith leaders and biblical scholars McGuire and Anderson unmask these elites as members of secret societies with deep occult connections who have gained control of America's dominant institutions government education entertainment international banking and even the media *Trumpocalypse* explores the enigmatic prophecies and biblical codes involving Trump and asks whether God raised up President Trump as a fearless leader to guide America and the free world through a series of major crises as the biblical end time narrative unfolds as many people with prophetic gifts are predicting and shows why everyday Americans

and evangelicals have rallied around Trump as their last hope of saving America and averting the horrors of the Apocalypse. It further reveals why Trump and millions of deplorables are fighting to stop the hidden agenda of the Establishment and how the perplexing chaos enveloping the planet could paradoxically signal the beginning of the great end times awakening that millions are praying for. Here is an invitation to join the anti Establishment surge what evangelist Franklin Graham calls the Christian revolution and discover how to fulfill your own destiny in the run up to the Second Coming of Jesus Christ. **The Next Seven Great Events of the Future** Randal Ross, 1997 **After Dispensationalism** Brian P. Irwin, 2023-05-03 What God wants his people to know about the end times Christians fixation on the end times is not new. While eschatological speculation has sometimes resulted in distraction or despair Scripture does speak about the end. So what does God most want us to know and do with prophecy. In *After Dispensationalism* Brian P. Irwin and Tim Perry sympathetically yet critically sketch the history, beliefs and concerns of dispensationalism. Though a minority view in the sweep of church history and tradition dispensationalism is one of the most influential end times systems today and there is much to learn from it. And yet sometimes it gets sidetracked by overlooking the prophets main concerns. Irwin and Perry reexamine the key texts and show that Ezekiel, Daniel and Revelation primarily give a word of hope to God's people. Book Review Index, 2006. Every 3rd issue is a quarterly cumulation. What is Mystery Babylon? Sheldon Emery, 1990. Mystery Babylon Finally Revealed Dewayne Brothwell, 2010-10. Babylon is the banking system and the goldsmith or founder described in the books of Isaiah and Jeremiah who have bought up and control most of the world's corporations. The wine the bible talks about is money printed out of thin air or images or idols. I will explain using my wisdom and the dreams that God gave me to help you understand fully what Babylon is. This revelation is finally speaking. Habakkuk 1:5-6 Behold ye among the heathen nations and regard and wonder marvellously for I will work a work in your days which ye will not believe though it be told you. For lo I raise up the Chaldeans, Babylonians, Elite bankers. Habakkuk 2:2-3 Write the vision down and make it plain upon tablets that he may run that readeth it. For the vision is yet for an appointed time but at the end it shall speak and not lie. The nations of the world are indebted to the bankers with their large national debts. Habakkuk 2:6-7 Woe to him that increaseth that which is not his: how long shall they debtors, taxpayers not rise up suddenly that shall bite thee? And thou shalt be booties, spoil unto them. **The FALL of BABYLON the Great AMERICA** Michael D. Fortner, 2020-07-16. Second Edition, not minor revision. If you are looking for an analysis of Babylon the Great to determine if it might be the United States of America then this book is for you. One of the most difficult things I had to do in order to correctly interpret Bible prophecy was to come to the realization that America is Babylon the Great. BTG I did not want to believe it. But after years of study the evidence forced me to that conclusion. Then I realized that most nations of

the world will suffer great destruction to one degree or another based on their sins So America will also suffer for its sinfulness I also came to understand that Babylon the Great BTG is not all of America it is ONLY wicked America God will destroy wicked America but he will save a righteous remnant from those who do not go in the Rapture to rebuild the nation During the past 10 years I saw such great decline in America that I can now see why America will be destroyed and also why it must be destroyed But America will NOT be destroyed before the start of the Great Tribulation GT which is so often claimed but will only be wounded at the start of the GT but will be nuked and then invaded at the end of the GT The nuclear war and invasion of America are the last acts of the beast a Revised Islamic Empire and its allies Russia and China and North Korea in its attempt to totally destroy Christianity and the Christians in America Then Christ returns to save the world by destroying the evil that is taking over the world Many people misinterpret Babylon the Great BTG harlot prostitute in Revelation 17 and 18 She has been interpreted to be the Roman Catholic Church the Protestant Church Jerusalem Islam Saudi Arabia and who knows what else I will provide a mountain of evidence and explain in detail how America is political Babylon which is the government of the United States of America cultural Babylon which is the polluted culture of America that is formed by movies TV and music and economic Babylon that is capitalism which is headquartered in America America being the premier capitalist nation in the world If Babylon is also a city then it is New York City Like my other two books on Bible prophecy there is a lot of new insights in this book that are not found in any other book on Babylon the Great and America I also discuss the Old Testament references to an end time Babylon which is not a rebuilt city in Iraq but can only be the same as Mystery Babylon in Revelation And I will discuss the founding of America how it was founded with a de facto covenant with God de facto means being in effect though not formally recognized But America also is chosen of God because it was one of the nations that God promised to Abraham Yes God promised Abraham more than one nation It is likely the main reason that America became the greatest and most powerful nation the world has ever seen I also show how America will be split into three parts by a huge global earthquake Rev 16 after it betrays Israel One split will be along the Mississippi River the other in California This book also includes a discussion of Gog and Magog of Ezekiel 38 which gives us details for two wars not just one One will be an invasion of Israel the other will be an invasion of America In the appendix I discuss the misinterpretation of Walid Shoebat showing that his view of BTG being Saudi Arabia is grossly wrong This is Book 3 of the Bible Prophecy Revealed series which is a complete teaching on Bible prophecy If you liked the other two books you will like this one This is edition 1 75 with some slight improvements Book 4 is now available

Fortner, 2015-05-18 Revised and Expanded 3rd edition Sept 2017 Now at Version 3 3 May 2018 This is an analysis of Babylon the Great and shows that it is the United States of America One of the most difficult things I had to do in my study of Bible prophecy was come to the realization that America is Babylon the Great BTG I did not want to believe it I resisted because it means that America will be destroyed in a nuclear holocaust But after
