### THE MYSTERY OF *Peace*

The human soul craves it, every nation desires it, all political parties proclaim it, the world groans for it, and the Church prays for it... **PEACE!** We would agree that our world is in dire need of peace. Peace, therefore, is not simply a need but a must. To navigate in the days to come, we will need to meet in peace, seek peace, pursue peace, and manifest peace. This book was written with your "peace" in mind—that state of being not predicated on external factors—but an inward force powerful enough to challenge what challenges you.

One right into this treasure called *The Mystery of Peace*. This book would point you to God-given secrets designed to bring a cease-fire to the mental anguish and distress of life that most of us face, while, at the same time, provide divine revelation regarding supernatural benefits of this weapon called *Peace*.

**The Politics of Peace** Te-Li Lau,2009-12-07 Although scholarship has noted the thematic importance of peace in Ephesians few have examined its political character in a sustained manner throughout the entire letter This book addresses this lacuna comparing Ephesians with Colossians Greek political texts Dio Chrysostom s Orations and the Confucian Four Books in order to ascertain the rhetorical and political nature of its topos of peace Through comparison with analogous documents both within and without its cultural milieu this study shows that Ephesians can be read as a politico religious letter concerning peace within the church Its vision of peace contains common political elements such as moral education household management communal stability a universal humanity and war that are subsumed under the controlling rubric of the unity and cosmic summing up of all things in Christ **MYST OF PEACE** George Thomas 1863

but to accept the plan for achieving World Peace No government or world leader could ever stand in front of their people and try to explain why World Peace is bad for the people of their country This book offers an opportunity to all peace loving people in to world to be part of a movement that will lead to a true World Peace **The Mystery of Peace** Arthur C. **Peace Be with You** David Carlson,2011-08-02 If revenge and retaliation are the best responses that our nation could muster after 9 11 then Jesus did not have to come live among us and preach a radical understanding of neighbor that includes the enemy David Carlson In the wake of the ten year anniversary of 9 11 as tension between Christians and Muslims rises author David Carlson seeks guidance in the modern day deserts of monastic communities across America Are Christianity and Islam destined to confront one other as clashing civilizations Peace Be with You Monastic Wisdom for a Terror Filled World clearly answers No Peace Be with You is the result of more than thirty interviews conducted with abbots nuns monks and even a Mennonite pastor who works at a Franciscan retreat center Hear the wisdom of these men and women in their own words as they speak with hope to a suffering world Follow Carlson s moving and at times difficult journey to discover a new yet ancient basis for genuine peace between Christianity and other religions especially Islam Sadly he says Jesus has been drafted into this war But Jesus as the banner carrier of Christendom or Christian culture has from the beginning been unacceptable to me Also unacceptable is the belief that Jesus gives the Coalition Forces some advantage Jesus would neither be dressed in military khaki nor would He carry a weapon This image to others as well as me is that of a false Christ
