**The Mystery of the Ark** Apostle Joshua Selman, 2021-10-20 I have two assignments here one to challenge you that Men can host God you can become a mobile Ark Gather the elements that they gathered obey what they obeyed and the glory will rest upon you The same way it rested upon them the anointing of the Spirit does not work at random An individual can be a carrier of His presence You can take that presence everywhere Anybody who drags you who is a Philistine will soon know what he carried You don't have to tell people I'm dangerous Let the devil try you and what happened to the Philistines when they took the ark will happen to them The ark that was not talking was bringing havoc in the camp of the enemy But when the same ark was taken to the house of Obededom in 90 days his life and that of his family turned around experientially That means if you are employed in three months of you being in that office there are things that should begin to happen as a testament that the ark has arrived How do I become a mobile ark Find out in this book The participatory role that you have to play sitting down in waiting for God to do everything is a joke It took man to build the ark it will take you to make that place

conducive for Him Men can host God      **The Mystery of the Ark of Noah** Akinwale Akindiya,2005 The Mystery of the Ark of Noah is written for the body of Christ The book came out of the Holy Spirit s insight on the architecture of the Ark of Noah Most Christians know that the Ark of Noah is a symbolic reflection of the Lord Jesus Christ What is not known by many is that God had reasons for giving the specific design of the Ark to Noah In all God gave specifications on six major areas in the design of the Ark Each of these specifications carries coded messages for the church These messages are revealed and analyzed in this revelational book      **The Unsolved Mystery of Noah'S Ark** Mary Irwin,2012-10-24 Ararat a behemoth of a mountain is 17 000 feet of pain for anyone who dares trespass upon its icy heights It is a place of dread where one wrong step can send climbers careening down a steep glacial field into the abyss known as the Ahora Gorge Many have died on those slopes and some have never been seen again So why do climbers come to this place on the far east of the Turkish Frontier It is not for sport alone in fact for most that is far from the real reason They come to Ararat flirting with death to find an old boat we all know as Noahs ark It is said that its rotting corpse is somewhere up there in the swirling clouds and slumbering silence of ancient ice Come with Mary Irwin one of the original ark aeologists as she travels to Ararat and back again uncovering many of the ancient secrets of Noahs ark You may be surprised what you find      **Lost Treasures of the Bible** Michael McDonnell,2007-04-01 Lost Treasures of the Bible by Michael McDonnell is concerned with treasures of the Bible that have in some way or to some degree been lost over time These treasures include the Ark of the Covenant Aaron s Rod the Chalice of the Last Supper the Veronica the Shroud of Turin the family tree of Jesus a time line of key Biblical dates and Noah s Ark Three primary sources of information are used These are the Bible and the writings of the Catholic mystics Blessed Anne Catherine Emmerich 1774 1824 and the Venerable Mary of Agreda 1602 1665 This book should be of interest to people who would like to learn more about both Jesus and the Bible      *The Lost Ark of the Covenant* Tudor Parfitt,2023-11-21 A real life Indiana Jones narrates his attempt to find a sacred religious relic in an account cinematic in tone with scenes of heartstopping action Booklist After 2 500 Years of Mystery the Truth About the Ark of the Covenant Is Revealed The Lost Ark of the Covenant is the real life account of an astounding quest professor Tudor Parfitt s effort to recover the revered artifact that contained the Ten Commandments sacred to Judaism Christianity and Islam With painstaking historical scholarship groundbreaking genetic science and fascinating on the ground discoveries Parfitt who the Wall Street Journal calls a British Indiana Jones debunks the previous myths and reveals the shocking history of the Ark and its keepers It s worthy of a Spielberg epic an intrepid British don s 20 year mission to find the Lost Ark of the Covenant Daily Mail Parfitt s passionately crafted new theory like his first could eventually be proven right Time Magazine Parfitt s scholarly fascinating work explains and explodes a pervasive myth The Times This real life account is a gripping yarn Recommended Library Journal      *The Freemason's Repository* ,1892      **The Mystery of the Ark of the Covenant** Lawrence W.
