## What is Dreams ?

- What is this abnormal world that exists close by to our own, inside and outside of it, happening in the meantime? Is this a world, which is the same with the one of mindfulness, with the main distinction of being the "eye" of cognizance that makes the one this present reality and the other incredible?
- Individuals of old circumstances had diverse convictions about the universe of dreams and its significance. Today researchers, examining the mysteries of the cerebrum, trust that they have considerably nearer in settling the puzzle of dreams.
