**Mystery On Silver Creek** Ezekiel Miller,2005-08-31 Four teenagers explore a community secret which brings about a stir of action in this docile rural community A silver gun spawns these enthused detectives as they find their own identities while cultivating a drive of enthusiasm in others **The Monster of Silver Creek** Belinda Buchanan,2012-04-07 Terror has come to this small town in Prairie County Montana A sinister killer is on the loose A serial killer who feeds off of young women s fear and leaves a most unusual calling card Police Chief Nathan Sommers is on the hunt but every road leads to a dead end Nathan is also battling his own demons as he tries to cope with the death of his wife He feels her dying was a direct result of his actions and is consumed with guilt His personal life becomes more complicated when he meets Katie the pretty new owner of the bakery Nathan slowly builds a relationship with her but still struggles with Jenny s death As he draws nearer to the killer everything in his life suddenly comes undone He is forced to deal with his feelings for Katie as well as his love for his dead wife **Cascade Alpine Guide; Stevens Pass to Rainy Pass** Fred Beckey,2003-06-09 Cascades climbing routes the guidebooks relied on for more than 25 years Northwest climbing legend Fred Beckey has summited and explored hundreds of Cascade peaks Hand drawn maps and photos with route overlays as well as approach information Volume II in the classic Cascade Alpine Guide series features expert information on more than 300 climbing and high routes in the Cascades This volume covers the middle of the Cascade Range from the foothills east of Puget Sound to Lake Chelan You ll find geographical historical and geological overviews of the majestic mid Cascade region plus important tips on safety and backcountry usage Legendary author climber Fred Beckey includes technical and grade information for each route to make clear exactly what type of climb you are embarking upon **Grayson** Delores Fossen,2011-11 Sheriff Grayson Ryland wasn t easily shocked But then his old flame Eve Warren returns to Silver Creek for the sole purpose of asking him to impregnate her And although he s never forgiven Eve for walking away and breaking his heart her anguish is hard to watch Before he can reject the most hardheaded yet still impossibly alluring woman in Texas he has to protect her An attempt on her life thrusts the two of them into a dangerous murder investigation and an even more dangerous liaison In the heat of the moment Grayson may be able to forgive Eve but is he willing to give her what she so desperately wants **Hearings, Reports and Prints of the Senate Committee on Interior and Insular Affairs** United States. Congress. Senate. Committee on Interior and Insular Affairs,1965 **The Murder of Amos Schroeder** G. F. Schreuder,2023-08-08 In late November of 1859 in the Borough of Port Carbon Pennsylvania the battered body of a man was found in the sluice of an abandoned slack water channel of the Schuylkill Canal It was determined by local authorities to have been a murder But the victim thought to be a local resident went unidentified for almost six months Port Carbon was one of the many boom towns in the six county coal region of upstate eastern Pennsylvania It was the northern terminal point of the 108 mile long Schuylkill Navigation the brilliantly engineered canal system along the Schuylkill River between Philadelphia and Schuylkill County With the discovery

of vast resources of anthracite coal at the turn of the century in the short span of fifty years what had once been a verdant wilderness had now become a mecca of American industrialization The unyielding demand for anthracite to fuel the growing America in the northeast by the mid nineteenth century had grown to magnanimous proportions Immigrants from all over Europe and beyond poured into the coal region to work the mining and canal operations to supply coal via barge and later the railroads downriver to the tidewater port in Port Richmond near Philadelphia As in every frontier expansion in American history there also comes the darker side of human interactions Men murder other men The mysterious affair and the unusual facts surrounding the murder of one Amos Schroeder a local mine boss from a German immigrant family was published in a series of four newspaper articles spanning from December 1859 to May 1860 His story appeared in the Miners Journal and Pottsville General Advertiser the historical regional weekly newspaper of publishing magnate Benjamin Bannan of Pottsville Bannan was a political economist and journalist one of the most prominent newspaper men of his time Bannan s whole life was focused on the expansion of the coal region and he chronicled everything within his purview Details of Bannan s investigation into the murder however are not known We only know what appeared in the series of these four articles The case was apparently solved but never fully closed The murderers who had been identified through the efforts of Bannan fled Schuylkill County before they could be brought to justice despite the reward offered by the County Commissioners Bannan for whatever unknown reason had opted not to publish the murderers names as they remained at large No historical record has been found to indicate that they may have been apprehended nor ever publicly named It was not until over a hundred and fifty years later when members of the family while researching their coal region ancestry stumbled upon the case of Amos Schroeder who was discovered to be the brother of the author s Great Great Grandfather The identities of the murderers however remain lost to history This book is a fictional account of how the facts and the mysterious circumstances surrounding his murder may have arrived on the pages of the Miners Journal It is also a novel that takes a historical journey to the anthracite coal region of eastern Pennsylvania during the mid nineteenth century when coal was king It is a story of the hardships endured by the thousands of immigrant families who worked the mines and waterways of the Schuylkill Canal It is a story of the heritage both famously and infamously created by the coal barons industrialists and railroad magnates who fueled the industrialization of a young America
