The Legend of Spiritual Chivalry, the Mystery of Its Divine Origin ... Illustrations by Christian Loring** Francis William Rolt WHEELER, 1948      **The Mystic Grail** John Matthews, 1997 Traces how the grail has been portrayed in the various forms of the familiar Arthurian legend      *Arthurian Magic* John Matthews, Virginia Chandler, Caitlin Matthews, Gareth Knight, 2017-11-08 Discover a system of magical work based on the stories of Arthur and his legendary realm With meditations rituals visualizations and pioneering shamanic techniques Arthurian Magic leads you on a profound soul journey designed to raise consciousness and unleash deep levels of wisdom Discover dozens of exercises and a complete twelve month course of study that will bring the mysteries alive and open your inner awareness to the mystical power of these profound legends Dozens of magical groups and countless individuals have turned to the Arthurian tales for inspiration instruction and initiation This book is a guide for beginners and experienced practitioners to cultivate the spiritual power of these influential myths Explore the sacred sites songs blessings invocations and festivals Create incense and oils for magical workings Meet the most important and influential archetypal figures as you discover how to awaken the knight within      **Sources of the Grail** John Matthews, 1997 Still stands the destined Knight aloof in his passionate patience His hand over his eyes Is he doomed to fulfil or fail Shall he dare the hells and the heavens of the strange illuminations Initiate at last of the dread mysterious Graal The editor John Matthews tells us that at the beginning of the twelfth century the poet Chr tien de Troyes composed a poem he called *Il Conte del Graal* The Story of the Grail It told the story of a search taken up by a simple young man who was brought up away from the ways of ordinary people His search was for a mysterious object known as the Graal but Chr tien left the poem unfinished dying before he could complete it thus creating a mystery that has stirred the imagination of countless seekers ever since The Grail may be almost anything or it may be something that has no form at all or even exist in our world The important thing is that it provides an object for personal search for growth and human development We are dealing here with high things with a Mystery that is almost too much for us But we can learn and grow from studying it and by sharing the adventure of the Quest Sources of the Grail is the most complete anthology of Grail texts available Organized into three parts the first deals with the Celtic sources the second presents the medieval quest and part three continues the search and represents some of the most far reaching and deepest contemporary Grail seekers Anyone interested in Western spiritual traditions will find this a valuable thought provoking resource      In Search of the Holy Grail and the Precious Blood Deike Begg, Ean Begg, 2008-03 THE HOLY GRAIL IS ONE of the most powerful myths in Western Culture At the centre of this myth is the story of the chalice containing the Holy Blood of Christ shed when Longinus pierced his side at the crucifixion The search for the Grail has inspired artists and mystics for hundreds of years Many churches and cathedrals were built on sites that claimed their part in

this sacred mystery IMBUED WITH THE SPIRIT OF the ancient quest and aware of its power as an antidote to our modern spiritual malaise Ean and Deike Begg travelled throughout Europe researching sites of the Holy Grail the Precious Blood and their associated myths This book is an illustrated account of their search and a practical informative guidebook for travellers and seekers It is full of fascinating information such as the name of the Spanish cathedral that holds the cup of the Last Supper the story of how a fig tree carried the Precious Blood to France and the secrets of the Grail castles of Germany I believe that Ean and Deike Begg have done something of great importance in exploring the myth of the Holy Grail that played such a vital part in the depths of Jung's spirit and in re-establishing how now it is still one of the most dynamic elements in the search of the lost and bewildered modern soul for wholeness Sir Laurens van der Post Deike and Ean Begg have revitalized the idea of pilgrimage Michael Baigent An exemplary and vividly written guide to the many strange and beautiful sites associated with the Grail quest throughout Europe Count Nikolai Tolstoy The Grail Legend in Modern Literature John Barry Marino, 2004 The Grail legends have in modern times been appropriated by a number of different scholarly schools of thought their approaches are analysed here This study shows how modern including postmodern adaptations of the Grail legend correspond to trends in the scholarly community and how the legend has been appropriated by competing world views There are three parallel trends in Grail scholarship and modern adaptations of the legend controversy over Christian or pagan origins secularization by way of humanism and esoteric mysticism These three trends reflect movements in popular culture Relativism and multiculturalism influence Christian pagan cultural conflict in the adaptations Mythographers maintain the legend's appeal in a humanist culture by considering the Grail metaphor rather than material actuality modern adaptations then transform the Grail from a particularly Christian symbol to one with universal application in an increasingly secular society Modern esoteric spiritualities allow the Grail actuality with flexible meaning This study then demonstrates how the Grail legend is transformed and adapted from medieval to modern cultures and continues to evolve today JOHN B MARINO is adjunct instructor Maryville University and Saint Louis University The Grail Tradition John Matthews, 2011-12-31 The story of the Grail and those who seek it remains one of the most enduring myths known to the West In this book the stories and legends are explored in depth and the ongoing spiritual Quest outlined by a world renowned authority on the subject Also included are a series of meditational exercises to help the seeker find his or her own way to the heart of the Grail *Experience of the Inner Worlds* Gareth Knight, 2010 Originally published in 1975 Experience of the Inner Worlds is a classic magical textbook of the Western Mystery Tradition Covering a wide range of topics within a Christian oriented Qabalistic framework Gareth Knight explains the difference between magic and mysticism natural and revealed religion monism and theism He also covers the practicalities examining methods of inner plane communication contact with the Masters the consciousness approach of Carl Jung the vision of Dante and the archetypal power of the Hebrew alphabet all within the context of the Qabalistic Tree of Life The book also contains powerful
