Fénelon François de Salignac de La Mothe- Fénelon, 2006 Offers for the first time in English a translation of Fénelon's François de Salignac de la Mothe Fénelon 1651 1715 major spiritual writing the Maxims of the Saints and other seminal works of fiction and spiritual direction such as the famous Letter to Louis XIV **Superheroes in the Streets** Kimberly Wedeven Segall, 2024-03-26 The icon of the female protester and her alter ego the female superhero fills screens in the news in theaters and in digital spaces The female protester who is Muslim though has been subject to a legacy of discrimination Superheroes in the Streets Muslim Women Activists and Protest in the Digital Age follows the stories of both famous and grassroots Muslim female protestors bringing careful attention to protest modes and online national icons US Muslim women have long navigated public and digital spaces aware of the complex and nuanced histories that trail them Given the pervasive influence of mainstream feminism Muslim women activists are often made out to be damsels in distress Even when mass media turns its attention to the activism of Muslim women persistence of these false narratives demeans their culture and hypersexualizes their bodies Following the stories of US Muslim women activists author Kimberly Wedeven Segall shows how they have been reinventing the streets and remaking racialized codifications Segall highlights their creativity in crafting protest media of posters rap rally songs and digital images of superheroes carving public spaces into inclusive and digital territories Each chapter teases apart the complexities of public banners and digital activism Promissio Oswald Bayer, 2025-07-22 Promissio is a methodologically rigorous study of all the pertinent Luther texts prior to 1520 thus enabling Bayer to trace Luther's reformational turn culminating in his clear understanding of the gospel promise as God's gift crystallized in the forgiveness of sins and enacted by the word of absolution The author emphasizes that at the heart of Luther's understanding of the gospel is the insight that God justifies us freely through faith in the word of promise promissio and that this promise is not oriented primarily to the future but is a present gift to be received in faith However he shows that it is not the understanding of justification by faith that is at the center of Luther's breakthrough but the insight that God's promise is an efficacious word that accomplishes what it says and that justification can only be properly understood in the light of the promise Bayer shows how Luther comes to see that the promise requires a reshaping of the sacrament of penance confession and absolution as well as Baptism and the Lord's Supper Luther's new understanding of promise also leads him to radically rethink his understanding of Christology the sermon meditation and prayer When this book was first published in 1971 it was hailed by the Roman Catholic scholar Otto Hermann Pesch as a classic of Luther research and that claim still

holds good today No serious Luther scholar can afford to ignore it It has also remained the foundation of all Oswald Bayer s subsequent work The Lutheran Quarterly Books edition of Promissio now offers scholars and students this wisdom in English thanks to Jeffrey Silcock s careful translation
