Mystical Experience As An End In Life

J. Harold Ellens

Mystical Experience As An End In Life:

Fundamental Ends of Life Rufus Matthew Jones, 1924 [An Introduction to Religious and Spiritual Experience](#)
Marianne Rankin, 2008-01-01 Spiritual experiences mystical and near death incidences are interpreted from scientific philosophical and religious viewpoints **Mystical Experiences in 30 Days** Keith Harary, Pamela Weintraub, 2014-07-29
The exercises in *Mystical Experiences in 30 Days* by Keith Harary PhD and Pamela Weintraub teach readers to pay attention to subtle feelings ideas and capabilities just beneath everyday awareness By shifting consciousness from mundane concerns readers can learn to experience life from the vantage point of the sage *Seeking the Sacred with Psychoactive Substances*
J. Harold Ellens, 2014-10-28 Can drugs be used intelligently and responsibly to expand human consciousness and heighten spirituality This two volume work presents objective scientific information and personal stories aiming to answer the question The first of its kind this intriguing two volume set objectively reports on and assesses this modern psycho social movement in world culture the constructive medical use of entheogens and related mind altering substances Covering the use of substances such as ayahuasca cannabis LSD peyote and psilocybin the work seeks to illuminate the topic in a scholarly and scientific fashion so as to lift the typical division between those who are supporters of research and exploration of entheogens and those who are strongly opposed to any such experimentation altogether The volumes address the history and use of mind altering drugs in medical research and religious practice in the endeavor to expand and heighten spirituality and the sense of the divine providing unbiased coverage of the relevant arguments and controversies regarding the subject matter Chapters include examinations of how psychoactive agents are used to achieve altered states in Judaism Christianity Islam and Buddhism as well as in the rituals of shamanism and other less widely known faiths This highly readable work will appeal to everyone from high school students to seasoned professors in both the secular world and in devoted church groups and religious colleges **Spirituality and Mental Health Across Cultures** Alexander Moreira-Almeida, Bruno Paz Mosqueiro, Dinesh Bhugra, 2021 This resource provides evidence based guidance on the implications of religion and spirituality on mental health *The Cambridge Companion to Religious Experience* Paul K. Moser, Chad Meister, 2020-07-16
For centuries theologians and philosophers among others have examined the nature of religious experience Students and scholars unfamiliar with the vast literature face a daunting task in grasping the main issues surrounding the topic of religious experience The *Cambridge Companion to Religious Experience* offers an original introduction to its topic Going beyond an introduction it is a state of the art overview of the topic with critical analyses of and creative insights into its subject Religious experience is discussed from various interdisciplinary perspectives from religious perspectives inside and outside traditional monotheistic religions and from various topical perspectives Written by leading scholars in clear and accessible prose this book is an ideal resource for undergraduate and graduate students teachers and scholars across many disciplines
The Methodist Review , 1925 **The Mystic Experience** Jordan Paper, 2012-02-01 The mystic zero or void experience

the ecstatic disappearance of self along with everything else is considered by those who have had it to be the most beautiful blissful positive profound and significant experience of their lives Offering both a descriptive and a comparative perspective this book explores the mystic experience across cultures as both a human and cultural event The book begins and ends with descriptions of the author's own mystical experiences and looks at self-reported experiences by individuals who do not link their experiences to a religious tradition to determine characteristics of this universal human experience These characteristics are compared to statements of acknowledged mystics in diverse religious traditions The mystic experience is also situated within other ecstatic religious experiences to distinguish it from similar but distinct experiences such as lucid dreams shamanism and mediumism Jordan Paper goes on to look at how the mystic experience has been considered in various fields such as sociology psychology anthropology biology and comparative religious studies

Thinking Spiritually in Small Groups Dann Wigner, 2022-05-09 Mystical experiences are happening every day yet as amazing as the experiences can be it is often difficult to integrate these experiences into the rest of life In light of this difficulty I have created mystical reflection as a simple method for sharing one's own mystical experiences in a group setting and listening to the experiences of others in a non-judgmental way The theological principle at work here is that if God speaks then everyone can benefit from it Mystical reflection takes this principle seriously and offers a method of application for integrating the spiritual insights into each person's spirituality

A History of Mysticism Richard H. Jones, 2024-04-01 This book offers a historical overview of mysticism in the world's major religious traditions Beginning with a chapter on the nature of mystical experiences A History of Mysticism then turns to a discussion of mysticism's prehistory in shamanism and the early use of psychedelics The possible role of mystical experiences among early Greek philosophers including Socrates and Plato is subsequently addressed followed by chapters on mysticism in Judaism Christianity Islam Hinduism Buddhism Daoism and a variety of present-day iterations including New Age mysticism secular mysticism and the scientific study of mystical experiences An appendix covering popular misunderstandings of mystical experiences and mysticism is also included Written in a clear accessible style this book is suitable for students of religion and philosophy as well as general readers interested in mysticism and the world's variety of mystical traditions

The Varieties of Religious Experience Michel Ferrari,2002 William James published his classic work on the psychology of religion The Varieties of Religious Experience in 1902 To mark the centenary leading contemporary scholars reflect on changes in our understanding of the questions James addressed **A Hidden Wisdom** Christina Van Dyke,2022-09-29 Medieval philosophy is primarily associated today with university based disputations and the authorities cited in those disputations In their own time however scholastic debates were recognized as just one part of wide ranging philosophical and theological discussions A Hidden Wisdom breaks new ground by drawing attention to another crucial component of these

conversations the Christian contemplative tradition The period from 1200 to 1500 in particular saw a dramatic increase in the production and consumption of mystical and contemplative literature in the Christian West by laypeople as well as religious scholars women as well as men A Hidden Wisdom focuses on five topics of particular interest to both scholastics and contemplatives in this period namely self knowledge reason and its limits love and the will persons and immortality and the afterlife This focus centers the often overlooked contributions of medieval women and demonstrates that when we reunite scholasticism with its contemplative counterpart we gain not only a more accurate understanding of the scope of medieval Christian philosophy and theology but also an increased awareness of a deeply practical tradition that builds up as well as tears down generates as well as deconstructs The book's treatment of topics and figures is meant to be representative rather than exhaustive a tasting menu rather than a comprehensive study The choice of topics offers a series of hooks for philosophers to connect their own interests to issues central to medieval contemplative philosophy while also providing medievalists in other disciplines a fresh lens through which to view these texts

Religion in Personality Theory

Frederick Walborn, 2013-12-03 Religion in Personality Theory makes clear the link between theory and research and personality and religion Presently most personality texts have a limited discussion of religion and reference few theorists other than Freud and Maslow in relation to the subject This book reviews the theory and the empirical literature on the writings of 14 theorists Every chapter concludes with a summation of the current research on the theorist's proposals Reviews Frederick Walborn has written an excellent text that explores the degree to which classical personality theorists were personally influenced by and focused upon religion in developing their personality theories Each theorist is presented in sufficient detail so that their personal views of religion are seen to influence the theories they developed In addition the current status of the empirical evidence in the psychology of religion is explored in the context of the theorist and theory to which the data is most relevant Current and up to date this text is appropriate for either a course in Personality or as an introduction to the Psychology of Religion The author's own comprehensive theory of religion and spirituality creatively integrates the positive contributions of the classical personality theorist to the contemporary psychology of religion Ralph W Hood Jr Professor of Psychology University of Tennessee at Chattanooga In this interesting and accessible book Frederick Walborn thoughtfully probes the place of religion and spirituality in the writings of a broad range of classical psychological thinkers and offers an insightful critique of current empirical research on the complex relation of religion and spirituality to individual well being Michele Dillon Ph D Professor and Chair Department of Sociology University of New Hampshire Durham New Hampshire Identifies what major personality theorists say about religion Investigates whether evidence supports or refutes predictions made by different theories Concludes with a comprehensive integrative theory on religion and spirituality Revival: The New Psychology and Religious Experience (1933) Thomas Hywel Hughes, 2018-01-16 Explores the crossover between the newly emerging field of psychology and the established doctrine of theology *My Double Life 1*

Nicholas Hagger, 2015-06-07 Lost in a dark wood like Dante Nicholas Hagger tells the story of his search for meaning purpose and truth that took him to Iraq and Japan and encounters with Zen and China's Cultural Revolution which he was the first to discover In Libya then a Cold War battleground he began four years service and a double life as an undercover British intelligence agent here revealed for the first time He witnessed Gaddafi's Egyptian Soviet backed coup and its terrifying aftermath tore into his personal life plunged him into a Dark Night of the Soul and faced him with execution He went on to serve in London as Prime Minister Edward Heath's unofficial Ambassador to the African liberation movements at the height of Soviet and Chinese expansion in Africa during the Cold War Despite being routinely followed by surveillance squads he found Reality on a Mystic Way of loss purgation and illumination He now perceived the universe as a unity and had 16 experiences of the metaphysical Light *The Universalist Leader*, 1924 **Parapsychology** Etzel Cardeña, John

Palmer, David Marcusson-Clavertz, 2015-07-25 Many people have experienced such unusual phenomena as dreams that later seem to correspond with unforeseeable events thinking of a long lost friend just before he or she unexpectedly calls or the ability to feel the presence of deceased loved ones What many do not realize is that these types of experiences have been researched for more than a century by eminent scientists including Nobel laureates Most of these researchers have concluded that some of these phenomena do occur although we are far from explaining them to everyone's satisfaction This book is the first in almost 40 years to provide a comprehensive scientific overview of research in the field of parapsychology explaining what we know and don't know about so called psi phenomena such as telepathy precognition or psychokinesis Contributors evaluate the evidence for these phenomena accounting for factors such as selective memory wish fulfillment and incorrect methods or analyses in some cases offering psychological physical and biological theories Instructors considering this book for use in a course may request an examination copy here

Mystical Experience As An End In Life: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the engaging narratives that have charmed audiences this year. Mystical Experience As An End In Life : Colleen Hoover "It Ends with Us" This touching tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Mystical Experience As An End In Life : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Mystical Experience As An End In Life : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and suspenseful novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
