Mystique Of Enlightenment:

The Mystique of Enlightenment U. G. Krishnamurti, 2020-12-08 In *The Mystique of Enlightenment* U G Krishnamurti delves deep into the often misunderstood and romanticized concept of enlightenment Through a provocative and contrarian literary style Krishnamurti challenges the prevailing notions of spiritual attainment arguing that enlightenment as traditionally perceived is a mere illusion He employs a combination of philosophical inquiry and experiential narrative drawing from his own radical interpretations of various Indian philosophical traditions distilling complex ideas into accessible insights that invite readers to question the validity of their own spiritual ambitions This work acts as both a critique and an exploration situated amid the broader discourse on spiritual awakening within the 20th century landscape of Eastern philosophy and Western psychological thought U G Krishnamurti an enigmatic figure in the world of spirituality rejected the labels often associated with mystics and gurus Having lived a life marked by personal upheaval and radical transformation he utilized his own experiences often described as a natural state of being to inform his enlightening discourse His disregard for traditional enlightenment narratives stems from a desire to strip away the layers of dogma and expectation that cloud genuine understanding positioning himself as a catalyst for introspection among seekers I highly recommend *The Mystique of Enlightenment* to anyone seeking a fresh perspective on spiritual enlightenment This book is not merely for those aspiring to enlightenment but for those willing to confront their preconceptions and engage fully with the idea that true understanding transcends all notions of achievement Krishnamurti's provocative insights compel readers to embark on a journey of self inquiry that resonates long after the final page is turned [*The Mystique of Enlightenment* U.G., 1991](#)

Krishnamurti,2021-03-27 People call me an enlightened man I detest that term they can t find any other word to describe the way I am functioning At the same time I point out that there is no such thing as enlightenment at all I say that because all my life I ve searched and wanted to be an enlightened man and I discovered that there is no such thing as enlightenment at all and so the question whether a particular person is enlightened or not doesn t arise I don t give a hoot for a sixth century BC Buddha let alone all the other claimants we have in our midst They are a bunch of exploiters thriving on the gullibility of the people There is no power outside of man Man has created God out of fear So the problem is fear and not God The

Teachings of U. G. Krishnamurti U. G. Krishnamurti,2023-11-13 In The Teachings of U G Krishnamurti the author presents a profound exploration of self realization and the nature of thought Through a series of dialogues and discourses Krishnamurti articulates his radical perspective on enlightenment challenging conventional spiritual practices and emphasizing the necessity of innate understanding over intellectual comprehension The text is marked by a conversational literary style that invites readers into the immediacy of his insights making the complex nature of existence accessible With a critical lens on societal norms and organized religion the book provides a stark yet liberating view of human consciousness and its limitations U G Krishnamurti often referred to as the anti guru emerged from a background steeped in the spiritual inquiries of India yet he broke away from traditional frameworks His experiences including a transformative event that dramatically changed his perception of reality inform his approach to spirituality This life altering moment led Krishnamurti to reject normative philosophical systems carving out a distinctive path that prioritizes direct experience and personal insight above doctrines This book is highly recommended for those seeking an authentic understanding of self and reality beyond conventional spirituality Readers will find a refreshingly candid and unorthodox perspective that encourages deep introspection and challenges assumptions about enlightenment The Teachings of U G Krishnamurti stands as a significant contribution to modern philosophy and spiritual thought making it essential reading for both seekers and skeptics alike

U. G. Krishnamurti: Collected Works U. G. Krishnamurti,2022-05-17 In U G Krishnamurti Collected Works the reader is confronted with a compilation of reflections and dialogues that challenge the conventions of traditional philosophical discourse Drawing from an array of subjects including consciousness existentialism and the nature of thought this collection exemplifies Krishnamurti s unique sometimes provocative literary style that merges spontaneity with profound inquiry It deconstructs spiritual ideologies and societal norms offering a radical perspective that finds itself within the context of mid 20th century philosophical thought away from the prevalent doctrines of enlightenment and transcendence U G Krishnamurti

was a pioneering figure who distanced himself from established spiritual movements such as those stemming from his namesake Jiddu Krishnamurti. His personal experiences including a transformative encounter in 1961 that he described as a calamity shaped his unconventional views on enlightenment, urging readers to question the very foundations of belief. His vast travels and dialogues with both laypersons and intellectuals lend credence to the depth of his insights, reflecting an earnest quest for authenticity in a complex world. This essential collection is highly recommended for readers who seek to question and explore the boundaries of thought and self. Krishnamurti's candid examinations will resonate with those engaged in the search for truth, making it a vital addition to any philosophical or spiritual library.

అంజనా కృష్ణమూర్తి (Anjana Krishnamurti) *(the Mystique of Enlightenment)* J. Subrahmanyam, 2016-12-17 This book is my Telugu translation of the English book titled *The Mystique of Enlightenment* which is a collection of various talks, discussions, question-answer sessions and much more of a man named U G Krishnamurti who stumbled at his 49th year into a State what he calls Natural State which he says is nothing but a state of natural physiological functioning of Human body where the interference of thinking is absent. This book also gives brief details of his life prior to entering into his natural state and how he struggled in search of Enlightenment and in understanding the reality of the world and the Human Mind in particular.

The Science of Psychic Healing William Walker Atkinson, Yogi Ramacharaka, 2022-11-13 In *The Science of Psychic Healing* readers are invited to explore the profound intersection of mind, body and spirit through a carefully curated assembly of writings that delve into the art of mental and physical well-being. This collection navigates diverse literary styles from scholarly expositions to meditative pathways serving an overarching theme of harnessing inner energies. Within these pages the synergy of metaphysical reflections and practical guides underscores the transformative power of self-awareness and intentionality, offering a rich tapestry of insights informed by mystical traditions. William Walker Atkinson and Yogi Ramacharaka, notable for their extensive contributions to the New Thought movement and Eastern philosophy, collaborate in this anthology to share their pioneering visions. Influenced by the early 20th-century fascination with the esoteric and the burgeoning interest in alternative health practices, their collected wisdom fosters a dialogue between Western scientific exploration and Eastern spiritual understanding. This interplay reveals a shared endeavor to demystify the notions of psychic influence and personal empowerment, drawing from historical contexts that revered the mind's potential. This anthology is an invaluable resource for readers eager to traverse the complex relationship between spiritual insight and tangible wellness. As you journey through varied perspectives, you are invited to appreciate the layered narratives that invite contemplation and personal growth. The book's invitation to engage with a spectrum of philosophies makes it an essential read for those seeking a deeper understanding of psychic healing's multifaceted dimensions, promising rich educational and spiritual reward.

Goner Louis Brawley,2011-05-16 Louis Brawley met UG Krishnamurti in 2002 and spent the following five years travelling with him in the USA India and Europe keeping a record of this remarkable non teacher and documenting his own inner struggles as his ideas about life love and Enlightenment were constantly tossed around and demolished Louis fell into the role of foil and sidekick to UG s bizarre interactions with his friends and audience and as UG s health deteriorated he became his informal caregiver Louis Brawley doesn t use honeyed platitudes to tell the story of a sage and his devoted follower instead he tells an often unflattering story of his own struggles and shortcomings and the dynamic uncertainties of life with a man who tore apart everything human beings have built up inside and out for centuries Goner will teach you the

meaning of the phrase paradoxical truth UG Krishnamurti gave up everything for truth but delighted in ridiculous fabrications he was a teacher who refused to teach a man who mocked do gooders but was deeply kind he was chaste but foul mouthed he was a man who decried the supernatural yet there were strange coincidences around him the way he lived his living quarters and his mode of expression were one continuous movement a three dimensional living book of teaching If you were observant you could learn from him on contact with no need for explanation
