Myth And Sacred Scripture Of The Serpent

Lange, John Peter

Myth And Sacred Scripture Of The Serpent:

Myth and Sacred Scripture of the Serpent Arthur M. Coon, James S. Perkins, 2005-12 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world s literature in affordable high quality modern editions that are true to the original work **Heathen Mythology Corroborative Or Illustrative of Holy Scripture** Hugh Barclay, 1884 *Lange's Commentary on the Holy Scripture, Volume 1* Lange, John Peter, All sixty three of the original volumes are included in a nine volumes set There are two linked indexes in this volume a main index at the front of this volume that will take you to the beginning each of the books of the bible and another index at the beginning of each book there is a linked scripture index leading to the particular subject Lange s Commentary on the Old and New Testaments translated revised edited and enlarged from the German editions of John Peter Lange and many contributors and edited by Philip Schaff Lange s Commentary on the entire Bible has remained one of the most useful and valuable work of its kind It is conservative in theology and universal in hermeneutics Delmarva Publications is proud to make it available in digital format The original work was completed in 63 volumes but we have made it available in 9 volumes they are Volume 1 Genesis to Ruth Volume 2 1 Samuel to Esther Volume 3 Job to Ecclesiastes Volume 4 Song of Songs to Lamentations Volume 5 Ezekiel to Malachi Volume 6 Matthew to John Volume 7 Acts to 2 Corinthians Volume 8 Galatians to 2 Timothy Volume 9 Titus to Revelation

Tolerance and Intolerance in Early Judaism and Christianity Graham Stanton, Guy G. Stroumsa, 1998-05-28 The essays in this book consider issues of tolerance and intolerance faced by Jews and Christians between approximately 200 BCE and 200 CE Several chapters are concerned with many different aspects of early Jewish Christian relationships Five scholars however take a difference tack and discuss how Jews and Christians defined themselves against the pagan world As minority groups both Jews and Christians had to work out ways of co existing with their Graeco Roman neighbours Relationships with those neighbours were often strained but even within both Jewish and Christian circles issues of tolerance and intolerance surfaced regularly So it is appropriate that some other contributors should consider inner Jewish relationships and that some should be concerned with Christian sects The Christian Observer , 1832 Myths and Symbols; Or, Aboriginal Religions in America Stephen Denison Peet, 1905 **Sacred Annals ; Or, Researches Into the History & Religion of Mankind: The gentile nations; or, The history & religion of the Egyptians, Assyrians, Babylonians, Medes, Persians, Greeks & Romans; collected from ancient authors & Holy scripture & including the recent discoveries in Egyptian, Persian & Assyrian inscriptions forming a complete connexion of sacred & profane history & showing the fulfilment of sacred prophecy** George Smith, 1855 **The Doctrine of Sacred Scripture** George Trumbull Ladd, 1883 *The Mythology of All Races ...* Louis Herbert Gray, George Foot Moore, John Arnott MacCulloch, 1928 *Karl Barth's Doctrine of*

Holy Scripture Klaas Runia, 2018-11-27 Hardly any Christian doctrine is discussed so much today as that of Holy Scripture. Innumerable books are published about it and official discussions in many churches are concerned with it. Karl Barth's doctrine plays a great part, whether positively or negatively, in all of these discussions and reports. His stature is so great that no one can deal with the problem of Holy Scripture without considering Barth's view and defining his own position over against it. Indeed, many aspects of Barth's view have come to be generally accepted as beyond criticism. Such uncritical acceptance is itself a good reason to devote a special study to Barth's doctrine of Holy Scripture, because no matter how we assess it, the Church Dogmatics of Karl Barth is one of the greatest forces in the modern theological world. In its vastness and variety, its comprehensiveness and detail, it constitutes a challenge to every school. Nor is it to be met by caricature or sweeping generalization. The individual themes demand searching analysis and appraisal at the exegetical, historical, and dogmatic levels at which Barth himself develops them. Only on the basis of detailed treatment can there be ultimate understanding and assessment of the whole. It is because Dr Runia tackles this preliminary problem that his present work is so significant. He does not add to the list of general books. Choosing a critical and sensitive area, he devotes himself to the concentrated task of presenting the Barthian teaching on inspiration in its normative form. In the course of his analysis, he examines the proposed biblical basis of Barth's statement and brings it into lively interaction with the Reformation tradition which Barth believes that he represents. By means of a thorough inquiry into the single point, Dr Runia thus gives us a far more informative, stimulating, and authoritative criticism than is possible in more comprehensive studies. The result is a valuable work which deserves to be widely studied and which should serve as a model for similar investigations into the many detailed themes of the Dogmatics. It is characterized by an honesty and relevance which gives it more than a narrowly academic interest. The real problems are faced and it is candidly the most orthodox of statements. Yet the great verities of the traditional doctrine emerge the clearer and stronger for this powerful discussion and in such a way that they may again make their salutary impact on a wider theological front.

Lange's Commentary on the Holy Scripture, Volume 3 Lange, John Peter, All sixty-three of the original volumes are included in a nine-volume set. There are two linked indexes in this volume: a main index at the front of this volume that will take you to the beginning of each of the books of the Bible, and another index at the beginning of each book that there is a linked Scripture index leading to the particular subject. Lange's Commentary on the Old and New Testaments, translated, revised, edited, and enlarged from the German editions of John Peter Lange and many contributors and edited by Philip Schaff. Lange's Commentary on the entire Bible has remained one of the most useful and valuable works of its kind. It is conservative in theology and universal in hermeneutics. Delmarva Publications is proud to make it available in digital format. The original work was completed in 63 volumes, but we have made it available in 9 volumes: they are Volume 1: Genesis to Ruth; Volume 2: 1 Samuel to Esther; Volume 3: Job to Ecclesiastes; Volume 4: Song of Songs to Lamentations; Volume 5: Ezekiel to Malachi; Volume 6: Matthew to John; Volume 7: Acts to 2 Corinthians; Volume 8: Galatians to

2 Timothy Volume 9 Titus to Revelation **The Mythology of All Races: Chinese, by J. C. Ferguson; Japanese, by Masaharu Anesaki. 1928 ,1928 Chinese [mythology] Japanese [mythology]** John Calvin Ferguson,Masaharu Anesaki,1928 **Myths And Symbols** Stephen D. Peet,2012 Dr Peet is well known as a writer on American antiquities He has gathered together from a great variety of sources much interesting and impressive material in regard to the religions of the aboriginal inhabitants of our country It will be a surprise to the average reader as he peruses these interesting pages to see how elaborate was the religious belief and worship of the untutored races that preceded the era of civilization in America There is much material in the book upon which to base theories as to the origin of the aboriginal inhabitants of the continent There is poetic and romantic suggestion in abundance The student of ethnology or of natural history or of theology and even the merely curious reader will find the book one of great interest We can but admire the learning of the author and his diligence in research Contents Introduction Chapter I Races And Religions In America Chapter II Totemism And Mythology Chapter III The Serpent Symbol In America Chapter IV The Serpent Symbol In America Continued Chapter V Animal Worship And Sun Worship Compared Chapter VI American Astrology Or Sky Worship Chapter VII The Pyramid In America Chapter VIII The Cross In America Chapter IX Phallic Worship And Fire Worship In America Chapter X The Water Cult And The Deluge Myth Chapter XI Transformation Myths Chapter XII The Worship Of The Rain God Chapter XIII Ethnographic Religions And Ancestor Worship Chapter XIII Continued Anthropomorphic And Mountain Divinities Chapter XIV Commemorative Columns And Ancestor Worship Chapter XV Personal Divinities And Culture Heroes Chapter XVI Culture Heroes And Deified Kings Chapter XVII Personal Divinities And Nature Powers In America Liberating the Gospel from Christian Myth Michael Hardin,2025-06-25 Liberating the Gospel from the Christian Myth tackles Christianity s oldest problem What does the loving God of the New Testament have to do with judgment retribution and violence How did a message of enemy love become propaganda for enemy hate Bringing biblical church historical theological and pastoral emphases together creates a truly new frame for dealing with the most vexing questions facing Christians today Liberating the Gospel from Christian Myth opens up a way to hear God s voice in Scripture and also recognize those places where the god of myth is present Only as we learn to ask the better questions will we end up with the best answers and recapture our love of the Bible again Christ and the Creator glorified; or, Our Saviour and science reconciled, by one oppressed. (Anthological excursus). Jesus Christ,1896 *The Blessed Virgin Mary in England* Anthony Josemaria, FTI,2008-11-10 O Blessed Confidence O Safe Refuge Mother of God and Our Mother St Anselm of Canterbury 1033 1109 Doctor of the Church What is not generally known and only infrequently studied is the role of Our Lady over the centuries as a catechist teacher of the faith in a very real sense primary teacher because she is Mother of God and Mother of the Church and faithful If any one factor might be singled out for the very high level of faith and religious practice in medieval merry England merry because Mary s dowry because consecrated to Mary as her possession and property it is this Marian catechesis Only when England

deliberately rejected Mary did it cease to be the happy place it once was Unfortunately English colonization of other peoples took place only after the repudiation of Mary by England That is why this catechetical work is especially valuable for the faithful and those who are seeking faith in America and other English speaking cultures It will bring to their attention precisely what is central to catechetics and so often missing the presence of Mary Mother and Teacher It will make perfectly clear why we need not fewer Marian sanctuaries but many many more in all parts of the country where this quiet but so real and profound influence of the Marian principle of the Church will be felt at every level It is my prayer and hope that those who read and study this work will find the same inspiration and stimulus that I found in having the privilege to read the manuscript before publication We are much indebted to Brother Anthony Josemaria Pasquale a Franciscan Tertiary of the Immaculate and gifted scholar for the effort he has expended to find qualified contributors and to offer so well edited a book to the general public From the Foreword by Father Peter M Fehlner FI theologian sponsor of the International Symposium on Marian Coredemption A Handy Book of Curious Information William S. Walsh, 1913 A Dictionary of the Sacred Language of All Scriptures and Myths (Routledge Revivals) G Gaskell, 2016-03-10 G A Gaskell s Dictionary of the Sacred Language of All Scriptures and Myths first published in 1923 examines several different aspects of religion including examples from Ancient Egyptian religion and mythology to modern day Christianity providing explanations of gods events and symbols in alphabetical order This is a perfect reference book for students of theology or the history of religion The American Antiquarian and Oriental Journal , 1886
